Special Officer, Craft and Tackle (Inland), Madras.
Fisheries Engineer, Madras, and Fisheries Information
Officer, Madras:-

In respect of these officers the Dy.Dir. of

countersigning officer. The D.I.&C may be requested to state whether there is any objection to the proposal.

2. It is presumed that the post of Special Officer, Deep Sea Fishing, Madras, mentioned in the statement represents the post of Asst.Dir. of Fisheries, Calicut, which was transferred to Madras---para 2 of letter No.Rb. 76-45 d/14-4-45 and that he is under the administrative control of the Dy.Dir.of Fisheries, Marine. The D.I.&C may be requested to state whether this presumption is correct. It is also presumed that the posts of Special Officer, Deep Sea Fishing at Cocanada and Calicut are the same as those sanctioned in G.O.NO.477 Dev.D/31-1-46.

I agree that the officers in charge of the offices cited in para 1 of Government U.O. note may be treated as indenting officers and Deputy Director of Fisheries (Inland) Madras may be treated as the countersigning officer.

The Assistant Director of Fisheries (Deep Sea Fishing), Madras is under the administrative control of the Deputy Director of Fisheries (Marine), Calicut and the above post mentioned in the statement represents the post of Assistant Director of Fisheries (Deep Sea Fishing) Calicut which was transferred to Madras. The posts of Special Officers for Deep Sea Fishing at Cocanada and Mangalore are those sanctioned in G.O.No.477, Development dated 31-1-46 and they will have to prepare and submit their indents for stationery and forms through the Deputy Director of Fisheries (Marine) Calicut for countersignature. I request that free supply of stationery and forms may be sanctioned to the above officers.

The presumption of the Government in para 3 of the U.O. note are correct.

A comprehensive statement showing the list of officers of the Fisheries Department, the designation or class of indenting officers in respect of each office for stationery and forms and the designation of the countersigning officers in respect of each of the officers is enclosed with the necessary correction. Early orders may kindly be issued in the matter as many of the officers are

Sub: Stationery and forms - Supply to officers - Change in the units of indents.

Cor. 6575 J2/46 From the D.I. No. 308 F/25 dated 21.11.45

The D.I.'s letter on pages 1-2 c.F. and the Endt Meron of the Superintendent of Stationery on pages 3-4 c.F. are submitted for perusal. The Dir. has requested sanction of the Govt. for the free supply of forms and stationery to the near posts enumerated on page 1 c.F. and for the grouping of the posts into the units as detailed on page 2 c.F. for the purposes of the countersignature of the Stationery the indents, and supply. The Dir. has also requested that the Asst Dir. of Fisheries Pearl and Chank Tuticorin and the Inspector of Fisheries, Vizagapatam may be required to send their indents through the Deputy Director of Fisheries (Marine) and that the Asst Dir. Inland North Malabar and the Special Officer (Fish Manure Industry) Calicut may be required to send their indents through the Dy Dir of Inland and the Dy Dir of Fisheries (Marine) respectively. The S.O.S. has recommended the Dir's proposal. The proposals of the Dir may be supported in this Dept. and the file may be sent to C.P.N. Dept for issue of orders.

Der. No. 6575 J2/46

1-46

A draft order is submitted for the supply of stationery articles. After issue, the case will be sent to 'F' for taking necessary action regarding forms.

2. Der may see before issue. In the letter of the D.I. & Co, the head quarters of the Spl. Of. Craft and Tackle (Marine) is reported to be Madras. While the report is as Calicut. vide item 8. p. 4 c.F. Presumably

Madras is a typing error for Calicut. Dev may state whether the presumption is correct.

11/2/46
All this is rather confusing. What about Spl officer, Fish Marine Industry, Calicut. item 11 in Sgs' list at Sec of? Aies note in Mc's. new list on 1, 2 of she is not also an old officer, accy to Sgs.

The D. I. C. should be asked to send a consolidated list of all Fisheries Officers in his dept. as at present, with proposals as regards units of credit supply, countersignature etc so that a self-contained order magazine with supply of all stationery & forms. His attention should be invited to the rel. sections in the Stationery & Printing Manuals.

with reference to para 1 of D's note above, attention is invited to para 2 of the D.I.C.'s letter on 12/2/46 (portion underlined)

A staff has been prepared on the basis of the 8.00 at (F), (d) & (u) and the letters of the D.I.C. on 1-2 cf and 7-8 cf and it put up at flap D. The following remarks are called for on the letter of the D.I.C. on 7-8 cf. -

(1) In respect of the officers mentioned as (1) to (4) on 7 cf, the D.I.C. has proposed the Dy. Dir. of Fisheries (Inland) Madras as the indenting officer and no countersigning officer has been specified in their case. Attention is invited to connection invited to para 2 of the letter of the D.I.C. on 2 cf and the end of the Sgs on 3 cf. The proposal of the Sgs may be adopted in respect of these four officers.

A By 8.4.46

(2) Mention has been made of 'Fisheries Information Officer, Madras' on 7 cf. Presumably the post has been newly ^{sanctioned} created after 21.11.45 as no mention has been made about this post by the D.I.C. on 1-2 cf. As in the case of the four officers mentioned in item (1) above, this officer may be considered as a separate unit for purposes of indenting, and the countersigning authority may be the Dy. Dir. of Fisheries (Inland) Madras.

By 8.4.46

(3) There is a mention about 'Spl. Offr, Deep Sea Fishing Madras' and the countersigning authority in his case has been specified as Dy. Dir. of Fisheries (Marine). Presumably this post is also one newly created. The Dy. Dir. (Marine) was Calicut and as he is specified as the countersigning authority for the indenting officer at Madras, the latter is presumably under the administrative control of the former. Dev may see for remarks.

C By 8.4.46

(4) It is proposed that the headquarters of the Spl. Offr, Craft and Tackle Marine is at 'Calicut' and not at 'Madras' as mentioned.

by the D.I.O. on p 8 cf. Dev may say whether the presumption is correct. / By 8.4.46 D

(5) There is a mention about 'Sofl, Fisheries Technological Institute, Tuticorin' on p 8 cf. and presumably this Offr is also one newly created. The proposal of the D.I.O. in respect of this Offr may be accepted. Dev may see. / accepted By 8.4.46 E

(6) There is a mention about 'Sofl Offr, Deep Sea Fishing Calicut' on p 8 cf. It is not known whether this Offr is the same as the 'Asst Dir of Fisheries (Deep Sea Fishing) Calicut at Madras' mentioned in para 2 of the D.I.O.'s letter No. 7645 d. 14.4.46 and whether his headquarters has since been brought back to Calicut with change of designation. Presumably, this post is different from the post of 'Sofl Offr, Deep Sea Fishing, Madras' mentioned in item (3) on p 3 ante. Dev may clarify the position. / By 8.4.46 F

(7) There is a mention about the 'Asst Dir of Fisheries (Inland) North, Nellore on p 8 cf. The headquarters of this Asst Dir was Rajahmundry according to Go No 2048 d. 30.8.43 (vide letter No 5123-FS/44 d. 27.6.44 a pt of Go No 1612 d. 31.10.44). Presumably the headquarters of the Asst Dir has been transferred from Rajahmundry to Nellore. Dev may see. / By 8.4.46 G

(8) 'Special Offr, Deep Sea Fishing, Cocanada' mentioned on p 8 cf. is presumably a new Offr. since created. The proposal of the D.I.O. in respect of this Offr may be accepted. / By 8.4.46 H

(9) The post of 'Sofl Offr for the development of Fish Manure Industry, Tellicherry' mentioned in Go No 1612 d. 31.10.44 has been omitted by the D.I.O. in his letter on 7-8 cf. Presumably the post is merged with that of the 'Sofl Offr, Fish Manure Industry Calicut'. Dev may say whether the presumption is correct. / By 8.4.46 I

2. Certain Officers of the Fisheries Dept are mentioned as identifying Officers for stationary articles on p 9 of Stationery Manual Vol. II. Part I. In the issue of a comprehensive order as now proposed for all Fisheries Officers, the existing entries in the Stationery Manual will be revised by the Sgs. / BK/20

3. The proposed order may apply to forms as well. (Compare G.O. at (d) and (e)). It is not necessary to consult the S.G.O. separately in the matter. / By 8.4.46 J

4. The case may be sent to Dev as for information on the points raised in para 1 of the notes on p 3-4 ante. / By 8.4.46

(i) A on p 3 above. This Dept may agree with E+P.H. / By 8.4.46

(ii) B on p 3 above. The presumption of E+P.H. that the post of Fisheries Information Officer is a newly created one is correct. The post was (not perhaps) recently sanctioned in G.O. Ms No 7 Dec of 2.1.46.

(iii) C on p 3 above. The post of Special Officer (Inland) Deep Sea Fishing, Madras is not a newly created one. The headquarters of this post was (Asst Dir of Fisheries) was previously at Calicut. It has since been transferred to Madras and the post is designated as Special Officer for Deep Sea
