Retransmitted.

Sanction may be accorded for the initial supply of the stationery articles to the Chief Probation Superintendent and to each of the city and District Probation Officers as per scale of supply recommended by the Inspector-General of Prisons, Madras in his two letters under reference. In addition to the above, sanction may be accorded for the supply of one copying ink pencil to the Chief Probation Superintendent deleting one number under black lead pencils. In rule 76 of Stationery Manual Vol.I the supply at Government expense of type-writing accessories including ribbons and erasers has been permitted to private machines used in Public Offices so long the accessories are not removed from the Office and they are not utilised for private work. The city and District Probation Officers will not therefore be supplied with copying ink pencils and pencil carbon papers.

In the circumstances, no separate sanction of the Government is necessary for the supply of typewriter accessories referred to, to this officer, in this case. I request that a copy of Government Endorsement No.23934-C2/46-1 Edn. dated 8-5-46 referred to in the Government Endorsement cited above, may kindly be sent to me.
