I enclose an application from Sri V.M.Sundara Raj, a research student of the Annamalai University, requesting permission to examine the records subsequent to 1920 in connection with his research on the subject of local finance. He has produced a letter from the Registrar of the Annamalai University recommending him to me. This is also enclosed.

3. I request that permission may be granted to him to consult the records relating to his subject which have been placed at the disposal of the Press. I may add that similar permission was granted to examine the records of recent years in G.O.No.566 Education, dated 10th March 1939.
