Sir, Sub: Schools - Government Secondary School for Girls,
 Salem - Further continuance of the Second peon -
 Sanction requested.

34752

The sanction accorded in G.O. No. MS. 896 Education dated 12-6-1944 for the continuance of the post of a second peon in the Government Secondary School for Girls, Salem expires on 4-8-1946. The circumstances under which the post was sanctioned continue to exist. It is a complete High School with 2 sections in each of the Classes, from IV class to IV Form held in 3 separate buildings. Allowing one peon for each block at least 3 peons are really needed. In the circumstances I request that Government may be pleased to sanction the permanent retention of the post of the second peon, which has been in existence from 5-8-1941, from 5-8-46

Please say whether Gant have sanctioned the employment of a third peon for any other school or schools of the size of the Gant girls school at Salem and if so specify

the names of such schools & the number & date
of the go in which the employment of a third
peon was sanctioned. Please also let me know
from what year the school is located in those
separate blocks & whether it will not be possible
to manage with two peons as hitherto. The
necessity for the employment of a third peon
may be explained fully.

Sir,

Sub: Government Secondary School for girls, Salem -
Permanent retention of the 2nd peon - temporary
employment of a 3rd peon.

With reference to Government post copy of tele-
phone message dated 4-7-46 in regard to the subject cited
above I have the honour to state as follows:

1. No 3rd peon is employed in any of the Govt.
secondary schools.
2. Of the 3 buildings used by the school two
were occupied on 1-8-36 and the 3rd one on 2-7-41.
3. It is not found possible to manage the school
work with two peons for the following reasons.

The Headmistress reports that one peon is
attending to work connected with the office, viz. carrying
circulars, office correspondence papers from the head-
mistress's office room to the clerk's room, bringing tapals
from the post office and post tapals, delivery of local
tapals etc. Another peon attends to school work viz.
dusting school furniture, ringing the bells etc. and
goes to the treasury (on an average 15 days in a month)

No laboratory peon was sanctioned for the
school. Hence the services of one of the peons are often
utilised by the Science Assistant for cleaning the labora-
tory articles since Chemistry is offered as optionals in
forms V and VI.

Further the Headmistress reports that the
3 school buildings are on the main road where there is
heavy traffic and that one peon has to be at the gate of each
block for at least two hours a day before the commence-
ment of the morning session and after the close of the
evening session to look to the safety of the children.

In the circumstances I request that Govern-
ment may be pleased to sanction the post of a 3rd peon
