Edn.& P.H.Dept.(C2)

D.O. No.

Dear Mr.Lobo,

Advanced studies overse-as - 1946-47 -
Completion of form "A".

I am to invite reference to Dr.Savoor's letter No.4368 C/45-3 dated 5th Dec.1945 and u.o. No.4368C/45-12 dated 19th February 1946. In the form "A" relating to private candidates proposed to be sponsored by Govt under the column "institution or/and country where training is desired to be arranged", the institutions in the U.K. and in the U.S.A. are given separately side by side. The Government of India want to know whether the intention is that preference should be given to insititutions in the U.K. and whether the selected candidates should be sent to that Country. I am to request you to offer your remarks by return.

To

The Secretary to the Government of India,
Education Department,
New Delhi.3, (with encl.)

Sir,

Advanced studies overseas - 1946-47 - Particulars regarding nature of training, names of foreign institutions etc.

--

Ref:- From the Government of India, Education Dept., telegram No.F-7/8/46-OD II dated 28-5-46.

----

pp 1-4 CF

pp 156-158/(I)

1. Pages 2 and 3 of statement sent with my letter dated 11th March 1946:- I am directed to confirm that in respect of the subjects "Manufacture, installation and testing of boilers", "Manufacture of electrical lamps and accessories" etc., the candidates sponsored should have advanced studies in the proposed courses followed by practical training where necessary.

As regards the educational institutions where studies are required, I am to request that the Govt. of India may kindly arrange for admissions in such foreign institutions as they consider suitable for the particular courses of studies.

p 154 (I)

2. Page 1 of statement: I am to state that this Govt. agree to the proposal that the candidates selected for the subjects "Heat and Hydraulic Engineering" "Industrial and Administrative Engineering", etc., may be sent to the U.K. for higher studies.

3. The documents like syllabuses of studies, photographs records of practical experience, relating to Messrs.M.Bhaskar, Md.Mia Khan, B.Shaikh Umar and S.Panchanathan, were sent to the Government of India in a single packet along with the documents of other candidates. The four candiates have been asked to send duplicate sets of their papers. They will be forwarded to the G. of I. on receipt.

Kept below

The papers relating to J.Satyanarayanamurty which have since been received are forwarded herewith. The papers relating to Capt.S.G.Reddi have not been received yet and the candidate has been reminded.

P6 CF

4. A reply to G.of I.'s letter No.F-7/8/46 OD-II,

dated 18th/21st May 1946, will be sent separately.

Sir,

Ref:- Memorandum No.28402/46-1 Edn. dated ~~3rd~~ 31st May 1946.

With reference to your above Memo, I give below the required documents.

1. Two Copies of the Engineering Degree Syllabus are enclosed.

   I have passed the B.E. degree Examination in Civil Engineering and also the B.E. degree examination in Highway Engineering and have given the syllabus for both. I am a member of the Indian Roads Congress and a student member of the Institution of Engineers (India).

2. I have studied some fundamentals of soil mechanics that was for the Highway Engineering Degree. As there is no laboratory equipment for soil Mechanics in our college, I could not have any practical experience. However I am arranging to have some training at the Research Station at Poondi, of the Madras Government.

3. Two copies of my photograph are herein enclosed.

Madras,
Dated 4th June'46.

Yours obediently,
S Panchanathan

To :- The Secretary to the Government of India,
Department of Education,
New Delhi.
India.

Sir,

I am directed to invite a reference to your cable dated Ist June 1946, No. F/7/8/46 - O.D.II, and to state that an application was made on behalf of Mr. S.Ramalingam to the College of Technology, Manchester.

A communication has now been received from the College authorities enquiring the exact meaning attached to "Industrial and Administrative Engineering", the subject for which this student has been selected.

If it means an Engineering Degree and additional Administration, the College authorities state that they can do nothing for this student but if he wants to take the post graduate Diploma in Industrial Administration they are prepared to give further consideration to his application.

I am to request that you will be so good as to elucidate this point so that this student's case can, once again, be referred to the College authorities for their final decision.

I have the honour to be, Sir,
Your most obedient servant,

(S.G.SATHAYE)

for Secretary.

Subject:- Scholarships for Advanced Studies Overseas 1946-47.

Sir,

Separate file – not put up

1. I am directed to refer to this Department endorsement of even No. dated the 1st June 1946, and to state that since admission of M/S Seth Balasunder and T.Rajagopala Rao is not possible in the United Kingdom, they have been diverted to the United States of America. It is hoped that the Provincial Government would have no objection to the change.

2. The High Commissioner for India London, whom the application of Mr. Seth Balasunder was forwarded, has since intimated that his application has not been received by him. Kindly, therefore forward immediately one set of his application complete with all documents to Mr. M.S.Sundaram, Educational Liaison Officer, C/O The Hon'ble the Agent General in the United States of America, Washington, under advice to this Department.

I have the honour to be,
Sir,
Your most obedient servant,

A. M. D'Rozario 10/8

"GLD"

(115) ~~17~~

56

Copy of letter dated the 21st June 1946 from the College of Technology, Manchester to the High Commissioner for India, London.

……

I have ~~xhm~~ recently received from you two applications for courses in Sanitary Engineering for two of the State Scholars - Mr. M.K.Rahman and Mr. T.M.Menon. Before accepting or refusing these men, I would like to make it clear to you what we can and cannot do.

I understand that in the U.S.A. certain Colleges do offer a one-year course in Sanitary Engineering upon the satisfactory completion of which students do receive a Diploma. We have no such course. We do have a degree course in Municipal Engineering which is wider than Sanitary Engineering but unfortunately we have no accommodation for additional students. Moreover, as I have stated before, the first two years would be merely repetition for your Engineering Graduates.

In an effort to do something for the men you have brought across, we have offered to accommodate some of them in the 3rd year of the Higher Course, which does not, however, entitle them to any degree or diploma. Your Office and Mr. Kirpal in particular have expressed satisfaction with our offer. But the Scholars are not happy about this arrangement, which is quite understandable, when you appreciate that ~~think~~ their fellow Scholars are being rewarded with a degree at another University. The result has been that they have been very persistent in their applications to be allowed to work for a research degree. In some cases we have met their requests at no inconsiderable inconvenience to ourselves. I wish to make it perfectly clear that we cannot do so in any more cases. Shortage of staff and lack of suitable facilities make research very difficult in the ~~Dx~~ Department of Municipal Engineering.

M

We are again willing to admit the two students mentioned above to the 3rd year of the ~~xxxxx~~ Higher Course in Municipal Engineering or to classes specially selected from that course. The classes which would be particularly suitable for a Sanitary Engineer are:-

K

Mechanic of Fluids)
Water Supply) All lecutres of one hour per week.
Sewage Disposal)
Road Construction and Town Planning)

In addition, as a special subject, each student is required to complete a personally workedout design for a scheme of water supply ~~of~~ or sewage disposal or road construction or town planning etc. This would probably require a whole day per week. The remainder of the 3rd year Higher Course consists of Structural Engineering, Surveying, Mathematics etc.

I shall be pleased to have your comments on the above and I hope that if you do decide to send these men to us you will make the position very clear to them.

SUBJECT:- Scholarships for advanced studies overseas 1946-47 - Madras Government scheme.

Sir,

I am directed to refer to this Department cable of even number dated the 1st June, 1946, a copy of which was endorsed to you, and to say that information has been received from the High Commissioner for India, London, that an application was submitted on behalf of Mr. K.N.Gopinath Menon for pursuing a course in Marine Engineering at the University of Glasgow. The college authorities state that Mr. Menon can be admitted to the 3rd year classes in Naval Architecture as a private student. He cannot be given any course on Power-Boats etc., but can attend the normal classes in Naval Architecture and Marine Engineering. He would not be eligible for the degree in Naval Architecture. I am, therefore to request you to indicate what reply may be sent to the University of Glasgow.

Connected File sent to Fin.
In the Cable the Govt of India had asked the H.C. to arrange for Mr. Menon's admission at Glasgow University.

A

I have the honour to be,

The following extract from a letter received from the Govt of India is communicated to Mr. K. N. Gopinath Menon:–

" [Here enter portion marked 'A' on page 1 C.F.] "

Mr. Menon is requested to state, by return of post, if he is willing to join the Glasgow University under the circumstances. In view of the importance of "Marine engineering" and of the 'precarious' position of admissions of Indian Students into institutions abroad, it is considered not desirable to reject the offer of the Glasgow University.

Memorandum No.4I383-C2/46-3 Edn.dated I4-8-I946. pp 5-6/9

Dear Sir,

This is to inform you that I accept the scholarship on your conditions specified in your communication dated I4-8-I946.The delay in sending this communication conveying my acceptence of the scholarship offered by the Govt.of Madras is due to the fact that I ~~received~~ saw your communication only yesterday as I was out of town all these days.

I will be sending the bond duly signed in about two or three days.

I further wish to state that I have already got a seat in a course in Food Technology leading to the degree Ph.D. at Massachusetts state College,Amherst,Massachusetts State,U.S.A. I wish to prosecute my studies at the said institution under Prof.Carl.R.Fellers and would request you to give your consent for prosecuting my further studies at the said place.The, next term for this institution begins from february 5th.I947 and it would be quite convenient if I can leave India by about the begining of december I946

pl see subsequent letter at p. 3 infra

I am eagerly expecting a reply from you soon.

Please address my further correspondence to the following address--- R.Ramamurti Reddi,Ramanapalli, Chennur(p.o),Cuddapah.

Yours faithfully,

R. Ramamurti Reddi

Sri P. Ramamurti Reddi is permitted to proceed by the next available boat to the U.S.A. to join the Massachusetts State College, for undergoing advanced studies in Canning and Food Preservation. The travel agents, Messrs. Govan Bros., Ltd., New Delhi, have been asked to complete his passage arrangements immediately. Sri Reddi is therefore advised to get in touch at once with the travel agents. As the passage position is difficult, it is important that he should accept a passage that may be offered to him at the next opportunity.

A certificate which will be required by the candidate in connection with obtaining a visa to the U.S.A is enclosed. The Massachusetts' State College letter dt 5.6.46 regarding Sri Ramamurti Reddi's admission is returned to him herewith.

I sent you the following telegram on 24th August,1946.

"5252 For Rozario from Kirpal. Reference your telegram F.7/8/46-O.D.II dated 9th July 1946. M.Rajasekara Sarma. Liverpool University accept for Electrical Engineering".

Mr. Sarma has been accepted for a course of study in the Deptt. of Electrical Engineering (Electro-technics)* takes two years for those who have reached the standard of the final year of B.Eng. by Liverpool University. Liverpool University assume that Mr. Sarma has reached this standard but if on his arrival they find that it is desirable for him to take the fourth year lecturers before proceeding to the M.Eng. course it might be necessary for them to ask us to extend his study in this country to a period of 3 years.

P.N. Kirpal, Esq.,
Office of the High Commissioner for India,
Education Department,
India House,
Aldwych,
LONDON, W.C.2.

Dear Mr. Kirpal,

We have now gone carefully through the particulars of the Government scholars, and I am glad to inform you that we can accept several applications. The following are our acceptances, and I am retaining for our records Form No. 6 in respect of each candidate. If you require these forms back, please let me know.

Name.	Course which can be offered.
P. Seshadri (Ref. E.A.7220)	Chemical Engineering.
Madhusudan Goswami (Ref. EA.7661)	Chemical Engineering.
Suraj Kishan Punshi (no reference number)	Fuels and Research.
Rajindra Pal Puri (Ref. EA.7000)	Fuels and Research
T.P. Soundara Rajan (Ref. EA.6994)	Fuels and Research
Ranjan Banerjee (Ref.EA.6997)	Fuels and Research
M.I. Matthews (Ref. E.A.7598)	Usual College course in Advanced Physics, and Fuels.

/.

174

Name.	Course which can be offered.
Ram Surat Dubey (Ref. No. EA.5640)	Chemical Engineering.
Joynul Abedin (Ref.EA.6991)	Chemical Engineering.
T.A. Vahidy (Ref. EA.7630)	Chemical Engineering.

You will note that the course offered is not always the same as the course requested, but it is the nearest we can offer. It is most important that all the men concerned should be here to start on September 24th. On arrival, the students should report to Professor W.M. Cumming, O.B.E., D.Sc. F.R.I.C., the Director of the School of Chemistry.

We have now been able to re-start some of our former activities, suspended during the war, and could take a few students in Textile Themistry and Dyeing either for courses or research.

I return all the other applications herewith.

Yours sincerely,

(Sgd.) D.S. ANDERSON

BY AIR MAIL.

Copy of letter No.E.A.7960,E.A.7748,E.A.4798,dated 4th September,1946 from the High Commissioner for India,India House, Aldwych,London,W.C.2 to Dr. A.M.D.Rozario,Assistant Educational Adviser to the Government of India,Education Deptt.,New Delhi, India.

I sent to you the following telegrams yesterday:-

"For Rozario from Kirpal. Reference your telegram dated 19th July,1945. Mr. H.S.Mahal accepted by Professor Robertson for research work at Liverpool University".

"For Rozario from Kirpal. Following two scholars accepted by Professor Robertson Deptt. of Organic Chemistry,Liverpool University.F.7/8/46-O.D.II. Mr. Randhuvula Krishnaswamy.F.7/8/46-O.D.II. Miss Roshan J.Irani".

The three scholars Messrs. H.S.Mahal,Bandhuvula Krishnaswamy and Miss Roshan J.Irani have been accepted by Professor Robertson,R F.R.S.,Head of the Deptt. of Organic Chemistry,University of Liverpool. All three scholars would conduct research work of the work of the type which they have already done in India, and their work would be closely related to the subject for which they have been selected. You will however realise, that their problems will be more or less one of fundamental science as British Universities do not teach manufacture of articles as is required in the case of Miss Irani and Mr. Krishnaswamy. If your policy is to send these scholars to Universities primarily and to Industry only secondarily, the courses available in the United Kingdom are predominantly in fundamental science, and not in technology or manufacture of articles. I would however recommend the acceptance of admission in the case of these three scholars very stongly. Professor Robertson Is laboratory is one of the best in the United Kingdom, and the work done is of very high quality. We have two or three Government Scholars working under Professor Robertson at present, and they are all satisfied with their work. The supervision is excellent. Considering everything, the ~~xx~~ opportunity of work in this laboratory is very valuable.

Yours sincerely,

Sd/-P.N.Kirpal.

SUBJECT:- Scholarships for advanced studies overseas 1946-47 - Madras Government Scheme.

Sir,

File sent to Finance

With reference to this Department letter of even number, dated the 10th August, 1946 and your letter No.46044-C2/46-3, dated the 20th August, 1946, I am directed to say that information has been received from the Educational Liaison Officer in the United States of America that it is not possible to secure admission for Mr.T.Rajagopala Rao in any university in the United States of America this year for leather, chemistry and treatment of leather. The institutions are full and are likely to be so for some little time. In the circumstances please let this Department know whether his name should be registered in the United States of America for 1947.

I have the honour to be,
Sir,

GOVT. OF MADRAS.

DEAR SIR,

Re. my selection for overseas Scholarship, I find I have been alloted the U.K. inspite of my having specified U.S.A in my application. I am very desirous of going to the U.S.A. & would deem it a great favor if I could be alloted the U.S.A.

I have many friends & relations in the U.S.A & I am getting them to try & find me a seat in some institution in the U.S.A.
Dr. Chandrasekhar of Yerkes Observatory (Wisconsin) is one relation, & Dr. V.S. Subramaniam of N.Y. City another. I am also related to the liaison officer in the U.S. (Mr. M.S. Sundaram)

B

I do not mind having to wait even 1 year to get a seat ~~a~~ in the U.S.A.

92

Seeing my keenness to go to the U.S. I hope you will do your utmost ~~for~~ to make it possible ~~to~~ for me to attain my desire.

Thanking you,

Yours truly,
Balaram Nadhan.

(BALARAM NADHAN
B.Sc. B.E.).

Sir,

Overseas scholarships - 1946-47 - Admissions to students in institutions abroad.

I am directed to enclose a copy of a letter dated 3-8-1946 received from Mr. Balaram Nadhan, a candidate selected this year for the award of an overseas scholarship for undergoing advanced studies in the "Design and manufacture of machine tools."

On the suggestion made by this Govt. in the "A return" sent with my Ⓧ letter No. 48946C2/45-23 Edn. dated 11-3-1946 the Govt. of India cabled to Dr. Quayle in London, to arrange for admission to Mr. Balaram Nadhan "in any suitable institution" in the United Kingdom, vide their No. F. 7-8/46-OD II dt. 31-5-46.

2 6 (198)

-pp 1-3 cf

Now, Mr.Nadhan desires that he may be sent to the U.S.A. instead of to the U.K. This Govt. have no objection to his being sent to the United States provided admission is secured for him in a suitable institution there. I am therefore to request that, if the Govt. of India have no objection, they may be good enough to cable to ~~Dr. XXXXXX~~ their Agent in the U.K. to allocate ~~divert~~ Mr.Nadhan~~'s name from the U.K.~~ to the U.S.A.

Sir,

Sub: Overseas Scholarship award in Sound Technology and Sound Recording - Change of venue of study from U.K. to U.S.A.

Ref: Your Communication G.O. Ms. No.1451 Edn. dated 25th July.

I have been awarded a scholarship by your department for advanced technical training in Sound Technology, Acoustics & Recording and I note from the communication referred to, that I have been allotted to the United Kingdom.

2. As the facilities available in the United Kingdom in the particular branch in which I have been asked to specialise (viz., Sound Technology & Recording) are very poor compared to those in U.S.A., I shall be obliged if you can consider changing the venue of my study from U.K. to U.S.A.

3. I am aware of the considerable difficulty experienced in getting the necessary facilities in the United States, but I ~~am~~ am making my own arrangements in securing them in a university or a leading manufacturing concern where both academic and practical experience can be simultaneously obtained. I shall inform you, should the necessary permission be accorded, as soon as I have any definite information about admission.

4. I should be obliged if ~~you~~ the matter is dealt with as urgently as possible.

Thanking you,

Vepa Ramakrishna

Dear Sir,

In connection with the stipend granted to me for advanced studies abroad, I have already addressed two communications to you, (1) accepting the offer on 30-7-'46 and (2) forwarding my surety bond on 5-8-'46.

Separate files

I am now making a representation to you to consider the question of choosing an institution in U.S.A. for the prosecution of my studies in the manufacture of drugs and

~~8~~ 208

pharmaceuticals, if possible. I shall feel very much obliged if the Government could kindly do the needful to secure me admission into any suitable institution in the U.S.A.

If it is not possible to find a seat for me at present in U.S.A., I am prepared to proceed to the U.K. and request that I be permitted to proceed to U.S.A. if admission is secured there later on.

Hoping that the matter will receive your most earnest consideration and thanking you in anticipation,

I remain,

Yours faithfully,

(Miss) R J Irani

~~Sir,~~ With reference to their letter No.45663C2/46-2, dated the 20th August, 1946, the Government of India regret to say that in view of the admission already secured for Miss Roshan J Irani in Liverpool University, her request for diversion to United States of America, cannot be acceded to. In this connection will the Provincial Government please refer to this Department telegram of even number dated the 4th September, 1946, and confirm that the admission secured is acceptable to them? If she has not already sailed to United Kingdom by S.S.Franconia, she may be instructed to arrange her passage by S.S. Cameronia sailing about the 5th October, 1946.

As regards the other candidate viz. Vepa Ramakrishna, it may be mentioned that admission in United States of America, is equally difficult. The High Commissioner for India, London, will be requested to divert him to United States of America, if his admission is not available in United Kingdom. The Government of India would, however, have no objection to his diversion to United States of America if he is able to secure admission there privately, as stated by him, in an institution acceptable to the Provincial Government.

P. Eanplee

ASST. SECRETARY TO GOVT.
10 SEP 1948
EDUCATION AND PUBLIC HEALTH DEPT.

[illegible]460

Dear V[illegible]aratha[illegible]yar,

My son, Prabhakara Reddy, received yesterday a form which all selected candidates for award of foreign scholarships have to fill up about marriage and particulars connected therewith and which he has sent as required. He has however not yet received official intimation of final selection but the form sent to him implies he has been finally selected.

Though he applied for award of foreign scholarship long ago and though the question of final selection has been pending for a pretty long time, I did not take any interest in the matter as it has not been my principle to try to influence the authorities concerned in such matters. Let me assure you that my present letter is not intended to influence you in any way in his favour.

As my son is now aged 28 and recently got his Ph.D. (Science) degree of Bombay and as I have to retire in about 4 months from my present appointment, I had an idea of asking him to try for a suitable job on a decent salary in any of the well established firms in India instead of availing foreign scholarship, even if one is awarded. All my friends and well wishers however advise me that I should ask my son to accept the scholarship and that if on account of my old age and other difficulties

pt1 114

I were to stand in his way, I would be failing in my duty as a father. As one of my well wishers and as one who is expected to know the prospects such foreign trainees may have after their return, I would like to know what you would advise me in the matter.

My son tells me that his Director Sir J. C. Ghosh (Director of Indian Institute of Science, Bangalore) who returned recently from England expressed that it might be extremely difficult to secure a place in any of the film manufacturing factories in England but if it be for plastics, the Imperial Chemical Industries are willing to take Govt Scholars

242 4.

~~S~~straight away as apprentices, if they have Chemical Engineering background which my son has and that they are even prepared to employ the trainees in their superior services if Govt. are unable to show them suitable employment after return. My son has been selected for film manufacture and if, for want of seat, he cannot be selected for it, he is prepared to take up plastics which was his second choice and for which also he is well qualified. If he is selected for plastics there will be no difficulty to get him a place in U.K. if any difficulty is felt in U.S.A. you may kindly make use of this information, if necessary.

With kind regards,

Yours sincerely

P. Bayappa Reddi

DEPUTY SECRETARY TO GO
58382
3 SEP 1946
EDUCATION AND PUBLIC HEALTH DEPARTMENT

Bangalore,
1st Oct. '46.

To
The Secretary to Government
Education and Public Health Department,
Government of Madras, Madras.

Ref: Memorandum No. 23317-C2/46-9 dated 31-8-1946.

Sir,

Sub: Technical Education Overseas - Government of India's Scheme - 1946-47 - Selection of Students for grant of Scholarships.

In the above memo, it is stated that the Educational Liaison Officer of the Government of India in U.K. has been requested to report if facilities are available for advanced studies in the manufacture of films in U.K. and that if no facilities are available even in U.K. I will be offered the subject "Plastics and the manufacture of products like Bakelite" in U.S.A. The Government might have received some information from the Educational Liaison Officer in U.K. regarding the availability or non-availability of facilities for film manufacture in the U.K. since my provisional selection.

If the Government have received a negative reply from the Education Liaison Officer in U.K. and if the Government offers me the subject "Plastics and manufacture of products

P.T.O.

246

like Bakelite" as stated in the above memo, I wish to make a humble suggestion to the Government which I request the Government to ~~[illegible]~~ consider it favourably. Sir J. C. Ghosh, Director, Indian Institute of Science, asked me to suggest to the Government Educational Department, to cable Mr. M. S. Sundaram, the Education Liaison Officer of the Government of India in U.S.A. for a seat in the "Californian Institute" - Plastics division". Sir Ghosh told me that it would be easy for the Education Liaison Officer in U.S.A. to arrange for admission into that Institute for the subject "Plastics". I once again request the Government Education Department to take up my suggestion for favourable consideration.

Thanking you

Yours faithfully
P. Prabhakara Reddy

To
The Secretary to Government
Education and Public Health Department,
Government of Madras, Madras.

Ref: Memorandum No. 23317-C2/46-3 dated 31-8-1946.

Sir. Sub: Technical Education Overseas - Government of India's scheme - 1946-47 - Selection of Students for grant of scholarships.

The Government of Madras have selected me provisionally for the award of an Overseas Scholarship in "Manufacture of Films", and the Educational Liaison Officer of the Government of India in U.K. has been requested to report if facilities are available in the U.K. If no facilities are available even in U.K., I will be offered another subject, viz "Plastics and the manufacture of products like Bakelite" and I will have to proceed to the U.S.A. for advanced Studies.

I Shall be grateful if the Government can inform me ~~of~~ whether they have received any information from the Educational Liaison Officer of the Government of India in U.K. regarding the facilities for "Film manufacture" in the U.K.

P.T.O.

4

If no facilities are available for 'film manufacture' in the U.K., I will have to proceed to the U.S.A for advanced studies in 'Plastics' according to the above memo. I had suggested in my last letter dated 1st Oct 46 (M 7-8, ante) that the Government might kindly Cable to the Educational Liaison Officer of the Government of India in U.S.A. to fix me up in the 'California Institute of Technology' Plastics Division. As the Session begins in early February (1947) in most of the American Institutions, I thought that it might help in getting admission in some institution in the U.S.A. for 'Plastics', if I try to seek admission by myself. I have sought admission in 'California Institute of Technology' and in 'Mellon Institute, Pittsburgh' by myself and I am awaiting an early reply from them.

May I request you to inform me where I actually stand regarding admission for either subject at your earliest convenience?

Thanking you.

Yours faithfully
P. Prabhakara Reddy

A copy of letter No. E.A.7593 dated the 11th November,1946
from the office of the High Commissioner for India,Education
Department,London to Dr.A.M.D'Rozario, Education Department,
New Delhi.

The particulrs of Mr. M.V.Rama +Rao, a Government of Madras Scholar, were cabled to this Office in your telegram No. F/7/8/46/O.D.II of the 1st June 1946.

p'a p15 cf/Ⓡ
20 1904 Edn
3/x/46

Early in the summer Dr. Quayle, Secretary of the Education Department, visited the Queen's University of Belfast, Northern Ireland, and during his tour he received promises of a certain mumber of acceptances of Government Scholars during this session.

Mr. Rao was accepted as a postgradiate student for a Certificate course in Aeronautics. On his arrival at Belfast he was interviewed by his Professor and it was discovered that most of the syllabus at Belfast had already been covered by him in India, and it was therein no profitable for him to continue to work in Belfast. Mr. Rao has bow beem accepted by the Imperial College of Science for postgradiate Diploma Course.

Subject: Overseas scholarships 1946-47- Madras Government Scheme- Mr. M.V. Rama Rao.

Sir,

With reference to correspondence resting with this Ministry's Memo of even number dated 26th November 1946 regarding Mr. M.V. Rama Rao, Madras Government 1946-47 sponsored scholar, I am directed to forward herewith for information a copy of letter No. E.A.7593 dated 25th September 1947 received from the High Commissioner for India in London by this Ministry.

+This Ministry may kindly be intimated at an early date whether the Provincial Government are satisfied with the arrangements made by the High Commissioner for the Practical training of this scholar.

I have the honour to be,
Sir,
Your most obedient Servant,

DKHingorani
for Secretary.

271

A copy of a letter No.E.A.7593, dated the 25th September, 1947 from the High Commissioner for India, Education Department, India House, Aldwych, London, W.C.2. to the Secretary to the Government of India, Department of Education, New Delhi.

Would you kindly refer to Mr. Kirpal's letter dated 11th November, 1946, regarding Mr. M.V. Rama Rao whose particulars were cabled to us in your telegram No.F. 7/8/46/OD.II dated 1st June, 1946. This scholar finished his D.I.C. course at the Imperial College of Science and Technology in June, 1947. He was then permitted to proceed to the Continent for educational visits and now it has been possible to secure practical training facilities for him with the Airways Training Ltd., B.O.A.C. for a total period of six months. I enclose herein an extract from a letter dated 11th September, 1947, from Airways Training Ltd., which gives the details of the programme which will be followed by the scholar.

EXTRACT FROM LETTER TO THE SECRETARY, EDUCATION DEPARTMENT, OFFICE OF THE HIGH COMMISSIONER FOR INDIA, FROM M.D. DAY, CHIEF ENGINEER, AIRWAYS TRAINING LTD.? ALDERMASTON AERODROME BERKS., DATED 11TH SEPTEMBER, 1947, REFERENCE: AID.TEM.41.2011.

Mr. M.V. Rama Rao.

x x x

Further to previous correspondence and your letter E.A.7593 dated 5th September, I have now had an opportunity of talking to Mr. Rao and have arranged, subject to your concurrence, for him to commence him practical training here at Aldermaston on Monday, 15th September. I suggest the following programme:

Power Plant Bay and Engine Overhaul Shop	1½ months
Phase II Engine Course. (The last four weeks only of this Course will be necessary).	1 month
Hangar maintenance of air-cooled engines	1½ months
Hangar maintenance of liquid-cooled engines	1½ months
Ancillary Shops	½ month
	6 months

This programme should give Mr. Rao the necessary practical experience to back up his theoretical knowledge. We shall be glad to forward Progress Reports if required.

The cost of this training will be at the rate of £2 a week for practical work and £5 a week for the Phase II Course, making a total in all of £60. This figure is inclusive and covers the cost of text books, use of tools, etc. Accommodation is available at Aldermaston and I am reserving a room for Mr. Rao. Inclusive charge for meals and accommodation is three guineas a week.

The letter from the Govt of India above with its enclosures on pp 1-3 ~~of~~ and the notes of E & PH Dept ~~on p. B. above~~ may be perused. ~~A draft memo to the D.P.I. is [illegible] for approval.~~

The Candidate is a private scholar to whom a Scholarship has been awarded for training in "Aeronautical Engineering – Ground Engineering" which has been classified among the subjects coming under "Industry". Hence this case has been sent to this dept. Now

As regards 'A' in E & PH note at p 3 above, neither this dept nor the D.I.C.ˣ will be in a position to say whether the practical training arranged for is satisfactory. Reference is however invited to the opinion of the H.C. for India at 'Z' on p 3 above in the light of which the training proposed will be useful to the candidate. This dept may therefore suggest that the candidate may be allowed to undergo the practical training also. It is presumed that the total period of the candidate's training does not exceed three years in any case.

No. F.7-8/46-OD.IV
Government of India
Ministry of Education

New Delhi, the ~~23rd~~ 3/1- December, 1947.

ASSISTANT SECRETARY TO GOVERNMENT
3 - JAN 1948
108
EDUCATION AND PUBLIC HEALTH DEPARTMENT

From

Sir Shanti Swarup Bhatnagar, F.R.S.,
Secretary to the Government of India.

To

The Secretary to the Government of Madras,
Education & Public Health Department,
Madras.

Subject:- Overseas Scholarships 1946-47 - Madras Government Scheme - Mr. M. Rajasekhara Sarma.

Sir,

para 9 (E)
p 2 infra

I am directed to refer to the previous correspondence on the above subject and to forward herewith a copy of letter No. E.A.7958, dated 2nd December, 1947, from the High Commissioner for India in London to this Ministry.

-do-

It will be observed from the High Commissioner's letter that Mr. Sarma will be completing his M.Eng. Course in July, 1948, and that if one year's extension is granted in the term of his scholarship, he will be taking Ph.D. degree in July, 1949.

The Government of India are, however, of the view that if the scholar after completing his M.Eng. course in July,1948, takes up practical training for three months up to October 1948, he will have finished a sufficiently balanced programme of theoretical studies and practical work to require an extension of his scholarship. The Government of India are therefore not inclined to agree to the extension asked for in the period of Mr. Sarma's scholarship.

The Provincial Government may now kindly consider the proposal and communicate their views in the matter to this Ministry urgently.

I have the honour to be,
Sir,
Your most obedient servant,
D K Hingorani
for Secretary to the Government of India.

277/2

OFFICE OF THE HIGH COMMISSIONER FOR INDIA
EDUCATION DEPARTMENT
INDIA HOUSE, ALDWYCH, LONDON.

E.A.7958.

2nd December 1947.

From

The High Commissioner for India,
Education Department.

To

The Secretary to the Government of India,
Ministry of Education,
New Delhi, India.

Sir,

I am directed to invite reference to the Education Ministry's cable dated 9th July 1946 No.F.7/8/46.OD.II in so far as it concerns Mr. M.R. Sarma. This scholar arrived in England on the 8th October 1946 and was admitted into the University of Liverpool for the M.Eng. Course. We have now received a request from this candidate~~s~~ that his application for a transfer from M.Eng. to Ph. D. may be considered favourably. In view of the recent policy of discouraging applications for higher degrees, this Office is unable to recommend his case. I am, however, desired to forward the papers regarding this candidate to you for such action as may be considered necessary.

p 3 infra /

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- S.G. Sathaye.
for Secretary,
Education Department.

Copies

1. From: The Registrar, The University of Liverpool.

4 November, 1947.

Dear Sir,

At a meeting of the Senate, held on 29, October, 1947, it was agreed that you be permitted to transfer from the M.Eng. course to the Ph.D. Course, on the nine terms' basis, from October, 1946.

Yours faithfully,

Sd/- Stanley Dumbell.

M.R.Sarma, Esqr.

---

2. From: The University of Liverpool, Department of Electrical Engineering.

20 November, 1947.

To: The Secretary,
Education Department,
India House, Aldwych, W.C.2.

Dear Sir,

M. R. Sarma, B.E.
Government of India Research Student.

Mr. Sarma is at present a candidate for the degree M. Eng. in this Department and we hope that he will graduate in July 1948. However, in view of the progress he is making, there appears to be a reasonable prospect that, if his scholarship were extended for twelve months, he would graduate Ph.D. in July 1949. I would strongly advise that he be granted this extension on the grounds that his technical ability and usefulness to you would be greatly enhanced thereby.

If you feel you can grant this request please let me know at your early convenience and I will ask the Authorities here to transfer Mr. Sarma from the M.Eng. to the Ph.D. course.

Yours sincerely,

Sd/- F.J. Teago.
Professor Electrical
Engineering. Electrotechnics.

Notes 139

Edn.& P.H.Dept.(C2)

From the Government of India, Education Department, telegram No.F.7/8/46-OD-II dated 28-5-46.

Advanced studies overseas - 1946-47 - Particulars regarding nature of training, names of foreign institutions etc.

In order to make the necessary preliminary arrangements for securing admission~~s~~ in institutions abroad for those students who might be sponsored in 1946-47 by this Government ~~a~~ for advanced studies overseas, the Government of India wanted certain particulars regarding the number of students proposed to be sent abroad for each subject of study, the nature and duration of training required and also the institutions and the countries where such training should be given. After consulting the Heads of Departments, these particulars as far as available, were furnished in the form of a return "A" to the Government of India, vide pages 152-167 of G.O.No.820 Edn., dated 16-4-46.

(I)

2. In the telegram in the c.f. the Govt. of India state that in respect of certain subjects, the nature and duration of training required has been mentioned in the 'A' return as 'practical course supplemented by part-time class or theory'. The Govt. of India presume that the intention, as contemplated in the Govt. of India Education Department Scheme, is that the candidates sponsored 'should have advanced studies in the proposed courses followed by practical training where necessary'. India may be informed that their presumption ~~if~~ is correct. Devt. may see.

Please see also pp.19-20 N.F. of G.O.No.820 Edn., dt.16-4-46/(I).

31.5.46

3. The Govt. of India also state that in respect of certain subjects, the names of educational institutions have not been mentioned in the A return, and they now want these names to be furnished. Attention is invited to "A" on page 147 c.f. of (I). The Govt. of India may be requested to arrange for admissions in such foreign institutions as ~~which~~ they consider suitable. Devt. may see.

M

31.5.46

4. At page 154 c.f. of (I) in the statement relating to Education Dept. subjects, under the column 'count where training should be arranged', the institutions in the

U.K. and the U.S.A. are given separately, side by side, and no definite order of preference has been indicated as between institutions in the two countries ~~U.K. and the U.S.A.~~ The G. of I. want to know whether the candidates selected for the subjects may be sent to the U.K., on the presumption that the insititutions in the U.K. have been given first preference. ~~[illegible] Govt.~~ It is not clear whether the intention of the D.P.I. is also the same. Perhaps the D.P.I. may be consulted. ~~A draft D.O. is submitted for approval.~~

we need not consult the D.P.I. we may agree to the G. of India's proposal
31.5.46

Draft I

5. The Govt. of India state that documents like syllabuses of studies, photographs and record of practical experience ~~of~~ relating to Messrs.M.Bhaskar, Md.Mia Khan, Shaik Umar and S.Panchanathan have not been received by them, along with the documents of other candidates. All documents except those relating to Mr.J.Satyanarayanamurty and Capt.S.G. Reddi, were sent to the Govt. of India in a single packet. That Govt. may be told accordingly. At the same time, ~~the~~ Mr.Bhaskar etc. may be requested to send a duplicate set of their papers. A draft memo. is subd. for approval.

Separate file

31.5.46

Draft II

6. The documents relating to Sri Satyanarayanamurty have since been received and they may be forwarded to the G. of I. The documents of Capt. Reddi have not yet been received. He may be reminded once again. A draft reminder is subd.

Kept below

31.5.46

31.5.46

In the circumstances stated in the telegram it is for consideration whether the G. of India may be asked to request the High Commr. for India in UK to see first if admission for Mr. Ramalingam ~~could~~ can~~not~~ be arranged at the Woolwich Polytechnic itself as was done for Mr. Nulraj Joseph and if this is not possible, to secure admission in the M.C.T. for postgraduate diploma in "Industrial Administration".

8

Edn. & P.H. .C2

p1CF.

From the Govt. of India, Edn. Dept, telegram No. F.7.8.46 OD II dt 26.7.46.

Scholarships for advanced Studies overseas — 1946-47 — Subjects of Study.

Of the 50 Scholarships allotted to this Province in 1946-47, the Govt have earmarked one Scholarship for "Structural Engineering" and Mr. K. Krishnamacharyulu has been selected for the award of the Scholarship.

Why not G.O. No. 1451 Edn 25.7.46

As may be seen from the Appendix I to the advertisement at flag (C), the candidate to be trained in Structural Engg is meant to be absorbed in the teaching personnel in Engg. Colleges. The D.P.I. proposed the inclusion of Structural Engg. as one of the Subjects of Study mentioned in the Appendices to the advt. He also suggested that admission for the study of this subject might be secured in either City & Guilds Instt. or Edinburgh Univy.

4584

4582

PP. put up in another file.

cf. p.13 CF of L.F

p1CF.

The Govt. of India now ~~inform~~ state that admission has already been secured for Mr. Krishnamacharyulu in the Imperial College of Science, London for postgraduate Course in Civil Engg instead of Structural Engg. in view of the precarious position of admission. They have also asked the Travel Agents, Messrs. Thos. Cook & Son to complete passage arrangements for Mr. Krishnamacharyulu.

In the Circumstances, the D.P.I.

Para 1 of G.Of India's letter:- Messrs. Seth Balasundar and T.Rajagopal Rao are candidates selected this year for the award of overseas scholarships for undergoing advanced studies in the "manufacture of agricultural implements" and in "Leather Chemistry and treatment of leather" respectively. For Mr.Balasundar, the Government had suggested two institutions in the U.K. as first and second preferences for admission. An institution in U.S.A. was suggested as third preference. For Mr.Rajagopal Rao, the University of Leeds, U.K. alone was suggested. The Govt. of India now state that since admission of the two candidates is not possible in the U.K. they have been diverted to the U.S.A. This Govt. may agree to the change and Govt. of India may be informed accordingly. The candidates and the Travel Agents may also be apprised of this change. Devt. may see for remarks.

Scholarships for advanced
Studies overseas - 1946-47.

Please see the letters received from the Govt. of India on pages 1-25 CF regarding the courses of studies which they ~~have been~~ have been ~~possible~~ able to arrange ~~by them~~ for certain Overseas scholars sponsored in 1946-47.

1. M. Rajasekhara Sarma:- The subject of study for which Mr. Sarma ~~was~~ is selected was "Manufacture of batteries and dry cells". In their endt. dt 30.8.46, the Govt of India stated that admission had been secured for him in Liverpool University for advanced Studies in "Electrical Engg." ~~As~~ facilities for training in the "Manufacture of batteries and dry cells" ~~are~~ being not available either in the U.K. or in the U.S.A., the admission ~~have been~~ secured for Mr. Sarma in Liverpool University was accepted. The Student has already left India on 17.9.46 to join the Liverpool University Please see the notes on pages 17-18 n.f. of G.O. 1904 Edn dt 3.10.46.

Item 15 on p3 of
G.O. 1451 Edn
25.7.46 (I)

p87CF/(R)

pp18-19 n/(R)

(R)

Now the Govt. of India have forwarded a Copy of the letter recd. by them from the High Commr. for India in London, regarding the actual Course of Studies which Mr. Sarma will have to undergo in Liverpool. Mr. Sarma will take his M. Eng. degree in Electro-technics which takes two years for those who ~~w~~ have reached the standard of the final year of B. Eng. by

p3CF

Liverpool University. If Mr. Sarma has not reached this standard, he will have to do the course in 3 years. Although the period of ~~[~~ study ~~]~~ under the scholarships scheme is normally two years, ~~it varies from one candidate to another.~~ ~~In~~ in certain cases, 3 year courses have been agreed to, vide para 2 on pp22-23 n.f. of Ⓡ. In the circumstances, the course arranged for Mr. Sarma may be accepted. Devt and Finance may see.

B

A

2. Dr. C. Dakshinamurti. He was selected for undergoing advanced studies in "Soil physics". In the A return, sent to the Govt. of India, admission was suggested for this candidate "at the Agricultural Experimental Station, Rothamsted, U.K. or any other suitable institution." The Govt of India in their telegram dt 3rd Septr 1946 stated that Dr. Dakshinamurti ~~was~~ had been admitted into the the Agricultural Experimental Station, Rothamsted, for ~~app~~ "applied physics"; and the candidate was permitted to sail for U.K. on 17.9.46.

item 29, P3 Ⓘ

Separate file

p93 CF/KF of G.O. 1938 Edn Ⓐ 9/10/46

From the letter on page 11 C.F. it is seen that Dr. Dakshinamurti has been accepted as a voluntary worker in the Physics Dept. of the Rothamsted Experimental Station, but that there is no scope at Rothamsted for him to continue "the kind of work on which ~~th~~ he has been engaged hitherto" However a no. of alternative lines of work will be open to him.

Rothamsted Expl. Station was suggested by the Head of the Dept (Dir of Agriculture)

& in A return sent to Govt of India

and hence there seems to be no objection to Dr. Dakshinamurti pursuing his studies there in any suitable alternative line of work connected with Soil Physics. Devt. may see for information.

3. M. I. Matthews The subject for which Mr. Matthews was selected was "Fuel Technology and design of furnaces and kilns." But admission was secured for him in the Royal Technical College, Glasgow for the "usual ~~advanced~~ college course in advanced physics and fuels." In consultation with the Director of Industries & Commerce, the admission was accepted. Mr. Matthews has since left India for U.K.

Item 27, P3 Ⓘ

Ⓘ pp 13-15 n.f. Ⓡ

The Govt of India have sent a copy of a letter from the Royal Technical College on the subject, for information. Devt. may see.

pp 15-16 CF

4. M.V. Rama Rao:- He was selected for "Aeronautical Engg - Ground Engg." But admission was secured for him in the Queen's University, Belfast for "Aeronautics". This was accepted and Mr. Rama Rao ~~has~~ sailed for the U.K. on 17.9.46.

item 20, P3 Ⓘ

From "A" on p 21 cf., it seems "Aeronautics" (a course in) ~~will~~ corresponds to a course in "Ground Engg." Devt may see the Govt of India's letter on pages 17-21 CF for information.

5. B. Krishnaswami and Roshan J. Irani:- Mr. Krishnaswami was selected for "Manufacture Mechanic" (applied science) and Miss Irani for "Manufacture of drugs and pharmaceuticals" (applied chemistry). In these

Items 30 and 25, P3 Ⓘ

38

P. 73 c.f.

(A)

telegram dt 4.9.46 the Govt of India stated that both the candidates ~~have been~~ were accepted by Prof. Robertson of the Dept of Organic Chemistry, Liverpool University and that the travel agents ~~have had been~~ were requested to complete their passage arrangements immediately. Mr. Krishnaswami and Mr. Irani ~~are~~ have been asked by this Dept. to be prepared to sail by the next opportunity. They are leaving Bombay on 6.10.46 for the U.K.

Please see the copy of letter from the H.C. for India on page 25 C.F. The two candidates will conduct research work of the type which they have already done in India and their work will be closely related to the subject for which they have been selected. In the absence of facilities for training in the "manufacture" of ~~micanite and nitre~~ articles, either in the U.S.A. or U.K., the admissions of ~~the~~ two candidates into the Liverpool University may be accepted. Dept. may see. The fact that facilities for training in the manufacture of articles are not available either in U.S.A. or in U.K. has been noted in ~~connected~~ connection with the preparation of estimates for 1947-48 Scholarships.

C.No. 108 C2/48

Sub: Overseas Scholarships - 1946 - 47 - Mr. M. Rajasekhara Sarma - Extension of ~~the~~ period of scholarship.

- - - - - -

From the Govt.of India No. F 7-8/46 -OD IV d/31-12-47

---

The notes on pp 17-18 nf of G.O.No.1904 Edn., dated 3-10-46, in respect of the scholar, Mr. M.Rajasekhara Sarma, may be perused. The Scholarship is for study of manufacture of batteries and dry cells, and its is for two years. The scholar reached the U.K. on 8-10-46 and was admitted to the M.Eng. course in the University of Liverpool. The period of scholarship will normally expire by October 1948. Mr. Sarma now requests that this period of scholarship may be extended up to July 49 to enable him to take the Ph.D. Degree. The request is supported by the Professor of Electrical Engg. University of Liverpool but the H.C. for India, London and the Govt. of India are not in favour of it. This Department may agree with the Govt of India that the period of scholarship need not be extended and that the scholar may return to India after finishing his M.Eng.course and practical training thereafter for three months i.e. upto Oct.'48.

The Scholar is intended, after completion of studies, for absorption in Industries (Govt. and private enterprise) and Fin. Dev.Dept. may offer their remarks.
