(Copy) submitted to Government.

Sanction was accorded in G.O. No. Ms. 1545 Education dated 20th October 1944, for the supply of 25 flat file cases to the City Firewood Officer, Madras. As the Board represented that 25 pads would not be sufficient for the newly opened office, it was authorised to obtain a further supply of 75 flat file cases of inferior variety, manufactured by the Central Survey Office, in Govt. Memo. No. 55217-B/44-3 Education dated 12-12-44. The City Firewood Officer now reports that 250 pads of good quality are required as there has been a large increase in correspondence.

P.T.O.

The Board supports the request and recommends that sanction may be accorded by the Government for the supply of at least 200 flat file cases of good quality to the Office.

Copy of letter from the City Firewood Officer, Madras No. 5100/46/D dated 3-7-1946, to the Secretary to the Commissioner of Civil Supplies, Madras.

Sub:- Civil Supplies - Firewood - City Firewood Office -
stationary - Supply of flat files - requested.

I beg to submit that the flat file pads which were supplied previously have all become unserviceable due to fair wear and tear and incidentally I submit that they were 2nd class ones manufactured in the Survey Office, Chebark.

I request that 250 pads of good quality may be kindly arranged to be supplied to this office at an early date. In this connection, I beg to state that due to large increase in correspondence the need for the pads is very badly felt. Moreover, some pads have to be supplied to the Depot Superintendent's as well. In the circumstances, I request that early sanction may be accorded for the supply of 250 pads of good quality.
