Education & Public Health
Department, Fort
St. George.

ASST. SECRETARY TO GOVERNMENT
5 - DEC 1945
EDUCATION AND PUBLIC HEALTH DEPT.

2820 P / 24.1.46

Sub: College of Engineering, Guindy - Reservation of seats for students from Coorg.

Sir,

Y / 11-12

papers not put up

Please refer to the correspondence ending with your letter No.MS.672 Edn., dated the 1st May, 1944, regarding the reservation of a seat in the College of Engineering, Guindy, every year commencing from 1944-45 for students from Coorg. The Government of Madras have also been kind enough to reserve 2 seats in the Medical College for students from Coorg.

2. The Government of Madras are probably aware that Coorg is entirely dependent upon Madras for seats in technical institutions for her students, and it is beyond the financial capacity of this administration to establish technical colleges in Coorg. In these days of dearth for men with technical qualifications, Coorg is finding it almost impossible to recruit the required number from either Madras or Mysore. The students desirous of taking up either the Medical or Engineering courses find the door barred to them for entry to these colleges in Madras (apart the 3 reserved seats mentioned above).

3. In the postwar period Coorg has need of more Engineers and Doctors and if her sons are not admitted to Madras Colleges her minimum

2

requirements will not be met. It will be very highly appreciated if the Government of Madras could reserve for students from Coorg each year at least three seats in the Medical and three seats in the Engineering Colleges. This administration will be prepared to pay any reservation fee that may be demanded.

1/12

Chief Commissioner.

C. No: 30422 C. From the D.P.I. Re No. 294 A/45 d/ 2.7.45.

-

Presidency College, Madras. Geology dept -
Purchase of microscopes and books.

-.

The D.P.I. requests sanction to incur an expenditure of Rs 14,000 (Rs 12,500 for purchasing 6 microscopes + Rs 1500 for purchasing books) next year for the use of the Geology dept in the Presidency College. He suggests that the proposal may be treated as a Part II scheme for 1946-47 but that permission may be granted to place an order for the microscopes now in advance so that the instruments may be available for use early in 1946-47. Microscopes form part of laboratory equipment and proposals to purchase laboratory articles for Govt colleges are not usually treated as Part II schemes. It seems that the D.P.I. may be asked to include the provision required in Part I of the budget for 1946-47 and obtain Govt. sanction before actually incurring the expenditure. The amount required for the purchase of books viz. Rs 1500/- may also be included in Part I of the budget.

Dated Cuttack, the 11th March 1946.

Subject:- Reservation of seats in the College of Engineering Guindy for Orissa students. -

Sir,

I am directed to invite a reference to the correspondence ending with this Department letter No.5126-D dated 9.7.45 on the subject noted above and to say that the Government of Orissa propose to depute in the next session (1946-47) 10 students (Viz. Civil Engineering-4, Electric Engineering-4, and Mechanical Engineering-2) for training in the College of Engineering, Guindy. The Government of Madras have already reserved 2 seats in the College for Orissa students.

I am to request that if there is no objection the Government of Madras may be moved to reserve eight additional seats for Orissa students on existing terms and conditions.

An early reply will be appreciated.

I have the honour to be,

Sir,

Engineering Colleges - reservation of seats for Coorg students.
Ref: Endt. No.55364 C/45-1 Edn., dated 12-12-45.

As compared with the Madras Presidency, Coorg is a very small place and the reservation of one seat for Coorg students ought to be sufficient. But in view of the fact that additional Colleges for Engineering will be opened shortly, I am of opinion that one more seat may be reserved for Coorg students. I suggest that the additional seat may be provided either in the Arthur Hope College, Coimbatore or in the Andhra Institute of Technology proposed to be opened shortly.

Coorg 1
Pudu 1

Of the 20 seats reserved in the Engineering College, Guindy, 1 seat is reserved for Coorg and 2 seats for Orissa. The Chief Commissioner of Coorg and the Government of Orissa now request that the number of seats reserved for them may be increased to 3 and 10 respectively. The requests are examined below.

1 & 9 cf

COORG.

1 of GO no: 672 Edn / 1.5.44 (4)

In February 1944 the Chief Commissioner requested that two seats might be reserved for Coorg Students in the Engineering College, Guindy. He was informed in this department's letter No. 672 Education, dated 1st May 1944, that only one seat could be reserved as there were only a limited number of seats in the College and as the number of applications received from students from this Province itself was very large. The D.P.I. who has been consulted on the present request says that Coorg being a very small place the reserv~~ing~~ation of one seat will be sufficient. ~~But~~ but that in view of the fact that additional colleges will be opened shortly one more seat may be reserved for Coorg

p11cf (4)

p13cf

either in the Arthur Hope College of

atore, or

in the Andhra College of Technology to be opened shortly.

ORISSA.

In February 1945 the Orissa Government requested that three seets might be reserved for their students in the Engineering College, Guindy. This Govt. agreed to reserve two seats in the college- vide G.O.No. 1066 Edn. d. 16.7.1945. The D.P.I recommends that the number may be raised to 5.

p 5 of

(JJ)

p 15 of

LF for Coorg & O

C.5

The reservation for Coorg and ~~Central Provinces and Berar~~ Orissa were not made on any population basis as in the Case of Pudukottah. ~~After~~ Since reserving ~~the~~ seats ~~in question~~ the Government have opened the Arthur Hope College of Technology, Coimbatore, with 75 seats. ~~The Govt.~~ They have also under consideration a proposal to open two more Engineering Colleges, one at Vizagapatam and the other in the Ceded Districts. Perhaps ~~some~~ a few more seats may be reserved for Coorg and Orissa when the new colleges ~~are opened.~~ Attention is in this connection invited to the Secretary's Note in the Linked File. in connection with a proposal of the Govt. of India that Provincial Governments who have advantages of high class training facilities of an educational or technical nature should endeavour to continue to make available vacancies for students from the neighbouring provinces centrally administered areas and States who have not these advantages.

~~Attention is also invited~~ Please see to the reply sent to the Chief Commissioner, Coorg in regard to the reservation of more seats in the Medical College, Vide Letter No. 250 P.H.. d. 24.1. 1946.

(E)

~~[illegible]~~ Perhaps one seat for Coorg and two for Orissa may be reserved in Arthur Hope College of Technology now, the question of reserving more seats being considered after the two colleges referred to above are opened. The seats may be in addition to the 75 seats in the college. Plan & Finance may see before [illegible]

As it is proposed to reserve 20 out of the seats for in Prof. Tech. colleges for demobilised personnel

2

in the Andhra College of Technology to be opened shortly.

ORISSA:

In Feb. 1945 the Orissa Govt. requested that three seats might be reserved for their students in the Engg. College, Guindy. This Govt. agreed to reserve two seats in the college - vide G.O. No.1066 Edn. dated 16-7-45. The D.P.I. recommends that the number may be raised to 5. (JT)

p 15 cf

The reservations for Coorg and Orissa were not made on any population basis. Since making these reservations the Govt. have opened the Arthur Hope College of Technology, Coimbatore, with 75 seats. They have also under consideration a proposal to open two more Engg. Colleges, one at Vizagapatam and the other in the Ceded Districts.

There was a great rush for admissions to the Engg. Colleges last year. The rush will be equally large if not larger this year. It has also been decided that 20% of the seats in the Engg. Colleges should be reserved for demobilised soldiers. In the circumstances it does not seem that any more seats can be reserved for Coorg and Orissa in the existing colleges. Perhaps the question can be ~~revised~~ reviewed later when the proposed Engg. colleges at Vizag. and in the Ceded Dists. are opened. Attention is in this connection invited to the Secy's note at in the L.F. in connection with the proposal of the G. of I. that Provl. Govts. ~~vide~~ which have advantages of high class training facilities of Ednl. and technical nature, should endeavour to continue to make available vacancies for students from the neighbouring Provinces, Central Administ~~rative~~ered areas and States who have not these advantages. Attention is also invited to replies sent to the Commr., Coorg, in regard to reservation of more seats in the Medl. colleges - vide letter No.250 P.H. dated 24-1-46. (E)
For orders.

(Separate file) HY has suggested 10% orders since issued

x (V)

Public and Finance may see before circulation.

6/5/46 S

In all these

cases we need proceed only on the principles indicated at P & p. 2 in the L.F. which we have generally accepted. Then this case will arise only if [illegible] administration propose to have (V)

3

with us proportionately in the reservation (of non-Madras) seats of any scheme. We need not take up the question on those lines; we may confine action to item (a) there.

p 2 XT

As indicated at R, S & T we

p. 3 L.F. may take up the general position that no increase of seats should be given to any outside administration in the institutions as they stood before the recent increase in the number of institutions (the Coimbatore Engineering College); but that in respect of that recent increase, and in respect of proposed further increases, the same scheme and scale of reservations (proportionately to the total number) may be applied as and when each new institution has been started. (This may be made to apply to the Medical as well as the Engineering institutions).

'P'

Coorg

In the Medical counterpart of this case, orders have been already issued as at (E); the question of an increase has been promised to be reviewed only after the new college at Madura is opened.

p 1 above

For the Engineering College, Coorg has 1 seat out of 124 when there was only the Engineering College at Guindy. Now that the Coimbatore College has come into existence we may give one seat more for Coorg, as that college's [illegible] [illegible] that this proportionate increase is considered to be all that we can justifiably provide now, having regard to the needs of the candidates belonging to this province and that we are committed. Similarly, the question of making further proportionate additions as and when further

4.

colleges of Engineering are opened. The reserving of seats may be the same as for the seats already reserved.

No. 672 Edn.
1-5-44

M

Orissa It is too early to take into account (as the D.P.I. has done) any new institution except the Coimbatore College which has actually started. Orissa has 2 out of 124 seats in the existing colleges. In the Coimbatore College with a strength of 75, I think the number, proportionately, would be only 1. So we may give Orissa only 1 seat more in that college, & inform Orissa also as at M on p. 3 ante. The terms may be the same as for the seats reserved previously.

p1CF

The Chief Commissioner for Coorg requests that the number of seats reserved for Coorg students in the Engg. Colleges in this Province may be raised from 1 to 3. The Govt. of Orissa has made a similar request for increasing the number of seats to their students in the Engg. Colleges of this Province from 2 to 10. For reasons mentioned at pp.3-4 ante this department proposes to increase the number of seats reserved for students from Coorg and Orissa by one each and to inform the Govt. of Orissa as at 'M' on p 3 ante. The case may be circulated for orders.

Sub: Inter-Provincial arrangements regarding Education & Training.

I am directed to request that Provincial Governments who have the advantages of high class training facilities of an educational or technical nature, whether at Government schools or Colleges, or at Universities, will endeavour to continue to make available vacancies for students from the neighbouring Provinces, Centrally administered areas and States which have not these advantages.

2. The Governments concerned will shortly be addressed where this has not already been done, by the Departments of the

p.t.o.

Central Government, with view to making specific arrangements in respect of the various types of training required by the smaller Provinces and States in connection with Post-War Development. Pending such reference however, it is requested that the Provincial Government will agree in principle that--

(a) a similar number, or proportion, of vacancies should be reserved for outside students as they usually obtained in the pre-war period;
(b) that where expansion of existing institutions, or the creation of new institutions is contemplated, provision may be made for meeting the requirements, if any, of neighbouring Provinces or States.

3. In view of the large measure of financial assistance that is being given by the Central Govt. to Provinces for Post-War development, including the expansion and improvement of training institutions, it is requested that Provincial Governments will accept the above proposals even at some inconvenience to themselves, at any rate until other arrangements can be made in the smaller Provinces and States or until Central institutions canbe set up. Failing such provision, the only alternative would appear to be to give an undue proportion of vacancies for training in Central institutions or overseas to students, etc., from the smaller Provinces and States, a course which would obviously be undesirable for a number of reasons.

4. I am to request that Government of Madras kindly to inform this Department not later than the 21st March if they are prepared to accept in principle the above proposals and will make such detailed arrangements as may be necessary through the Department concerned.

The Government of India require~~s~~ Provincial Governments who have the advantages of high class training facilities of an educational or technical nature, whether at Government schools or Colleges, or at Universities, ~~will~~ to endeavour to continue to make available vacancies for students from the neighbouring Provinces, Centrally administered areas and States which have not these advantages. Pending specific proposals from the Central Govt. in respect of various types of training required ~~by~~ by ~~similar~~ other Provinces, etc. ~~They~~ they request the Provincial Government to agree ~~any~~ in principle

(1) that a similar number or proportion of vacancies should be reserved for outside students as they usually obtained in the pre-war period; and

(2) that where expansion of existing institutions or the creation of new institutions is contemplated, provision may be made for meeting the requirements, if any, of neighbouring Provinces or States.

M.
As far as this dept is concerned it is not necessary, in the present connection, to consider any institutions or courses besides these - in view of the reference to "high class training facilities".
M.V.S.

2. The following statement shows the total number of seats available in Govt. Engg. Colleges and Govt. Medl. Colleges for the degree courses.

Colleges.	Total No. of seats.
(1) ~~Madras~~ Guindy Engg. College	124
(2) Arthur Hope College of Technology Coimbatore	75
Total	199
(3) Medical Colleges.	252

3. Some seats in the Engg. College, Guindy and in the three Medical Colleges are now allotted to certain Indian States etc. as indicated below:-

Serial No	Indian States etc.	Engg. Colleges.	Medl. colleges
1	Cochin	2	2
2	Pudukottah & Sandur		(Pudukottah) 1
3	African students	1	
4	Coorg	2	
5	C.& M. Station, B'lore	1	2
6	Travancore	3	3
7	Ceylon	Nil.	4
8	Evacuation students from Burma & other countries	2	
9	Central Provinces	5	
10	Berar & Orissa	2	
11	States other [illegible] Travan Cochin & Pudu	2	

The Government have promised that the Pudukottai Durbar to provide one more seat in the Engg. College, Guindy.

So far as the Government medical colleges are concerned, the general principle followed in regard to admissions is that the number of seats for ~~the~~ students not belonging to the Province should be limited to five per cent of the total number of seats. In accordance with this principle a fixed number of seats have been reserved for candidates who are non-Madrasis. vide para 2 of the rules appended to G.O.1248 P.H. dated 29th March, 1938. Among others, the more recent requests from Travancore, Cochin, Pudukottai and Coorg for reservation of increased number of seats in the medical colleges for their students were negatived on the ground that a large number of applications from candidates of the Province were being rejected for want of seats.

4 In connection with the further education and training of demobilised personnel the Government of India made the following suggestion:

> "Since it is clear that at any rate in some of the smaller Provinces and Indian States facilities to cover the whole range of possible requirements are not likely to be available, it is suggested that Provinces and States should enter into reciprocal arrangements with neighbouring Provinces and States for the admission of selected candidates to suitable institutions in the neighbouring areas on agreed terms, the charges to be recovered by one State or Province from another being based on the actual cost of the training provided. Where such reciprocal arrangements are not practicable, or where they fail to satisfy the needs of individual candidates, the cases should be referred to the Central Government who also propose to set up a Central Advisory Board, one function of which will be to place such candidates in suitable institutions in other areas or, if necessary, to provide themselves the instruction required."

In this Government's letter No.1853 Edn. dated 10-11-45 the Government of India has been informed as follows:

> "The Govt. regret that they are unable to agree to the suggestion in para 2(e) of your letter that reciprocal arrangements should be entered into with neighbouring States or Provinces, as the number of ex-service personnel belonging to this Province is expected to be considerable, the facilities made available to them under the above arrangements are the minimum necessary and would leave nothing to spare for candidates from other areas, and any further arrangements for making provision for such candidates would curtail considerably the facilities normally available for other candidates of this Province, and the Government do not know to what extent if at all, Candidates of this Province will require facilities in other areas and the other administrations will be able to provide such facilities".

"P"

M.V.S.

The position taken at "P" ~~above~~ on p 2 ante may be maintained in respect of the existing colleges, the more so as what is now proposed is not even a reciprocal but a unilateral arrangement. ~~i.e.~~ The existing reservation as indicated in para 3 including the promise made to the Pudukottai ~~State~~ Durbar may stand ~~while to continue under~~ No. further reservation for non-Madrasis candidates need be made in the Engg. College, Guindy and the Medical Colleges in respect of the existing seats.

M.V.S.

May be
[illegible]
P.S.V.

5. The conclusions referred to at "P" in the previous para were arrived at after the Hope College of Technology was opened at Coimbatore. It is presumed that the question of reserving any seat in ~~the~~ that college for non-Madrasis need not be considered.

...viewed the case
... in view of
...ing of this college,
... increased represent-
... but in the Guindy
... we may, similarly,
... to review other
... if approached
... other administrations
...also
M.V.S.

6. The Govt. have under consideration the question of increasing the number of seats in the Andhra Medl. College and also for opening a new Medl. College at Madura. The post-war scheme provides for an addl. college which is proposed to be opened at Guntur.

~~There is a proposal to open an Engg. College at Vizagapatam.~~ The post-war proposals provide for ~~another in the Ceded Districts.~~ the establishment of an addl. Eng. college at Vizagapatam and another in the Ceded Dts.

When the number of seats in the existing colleges are increased or when new colleges are opened this Govt. may undertake to reserve addl. number of seats for the purpose which the G. of I. have in view on the same proportion as indicated in the present distribution in para 3 above.

This may be
done P.S.V.

... we gave a promise
to Pudukottai on this
... we may agree
... similarly
... of other adminis-
trations also
M.V.S.

7. As regards University Colleges, not directly under Govt. control, there are 32 seats in the College of Technology under the control of the Madras University and about 133 seats in the Engg. College under the Annamalai University. It is observed that the Annamalai University admitted 10 students from outside the Province this year. It has been ascertained that the Madras University admitted 3 students from ~~the~~ Indian States this year. The Govt. cannot compel these Universities to make any reservations for outside student

The Government may however commend to the Universities the propos the Government of India for acceptance.

The Universities may not altogether refuse to admit students if the request goes from this Government as they are financing the Universities to a large extent. The University may also be told that this Government having reserved seats already in some of the existing colleges and having promised to admit addl. candidates when arrangements are made for the expansion of education, they hope that the ~~without instead of~~ Universities will ~~to~~ meet the wishes of the G. of I. as far as possible.

This may
