Sir,

Madras Educational Service -- Temporary posts of Professors of Mechanical and Electrical Engineering Arthur Hope College of Technology, Coimbatore -- Proposals for filling.

Ref: Government Edn. & P.H. Memo.No.45169 A-1 Edn. dated 9.8.1946.

I have the honour to submit the following proposals for filling the posts of Professor of Mechanical and Electrical Engineering, Arthur Hope college of Technology, Coimbatore sanctioned in G.O.No.Ms.649 Education dated 25.3.1946.

## 2. Professor of Mechanical Engineering: --

(i) Under rule 2(a) of the Special Rules for the M.E.S. appointment to the post of Professor is either by Direct recruitment or by promotion from Instructors. Among the Instructors the claims of the following officers in the Mechanical Engineering department of the College of Engineering, Guindy, have to be considered: --

(i) Sri S. Anantakrishnan:  
Permanent Senior Workshop Instructor, College of Engineering, Guindy (Scale of pay: Rs.200-420)

(ii) Sri R. Natesan:

Officiating Instructor in Mechanical Engineering college of Engineering, Guindy- (Scale of pay: Rs.200 -- 700)

Neither of the above two officers possesses all the qualifications prescribed in the Special rules for the M.E.S. for appointment to the post of Professor of Mechanical Engineering. As the post has to be filled urgently one of the above two officers may be appointed to officiate as Professor, temporarily under emergency provisions.

In this connection, I may state that Sri S. Anantakrishnan is a permanent Senior Workshop Instructor which post is on a lower grade of pay than the post of Instructor. Sri R. Natesan is an approved probationer in the category of Instructor in Mechanical Engineering. I may point out that despite the fact that Sri S. Anantakrishnan was already in M.E.S. when the post of Instructor in Mechanical Engineering in the College fell vacant in 1942, the Government appointed Sri R. Natesan to officiate in the post in preference to Sri S. Anantakrishnan, as Sri Natesan was considered more suitable for the post of Instructor -- vide G.O. No.Ms. 1584 Education dated 6th November 1942. Sri R. Natesan has been teaching the senior B.E. classes for many years and has a sound knowledge of mechanical engineering. I consider

3  
that capacity to teach the subject to the senior classes should be a preferential qualification and Sri R. Natesan possesses this. The confidential record of this officer is uniformly good. I, therefore, recommend that the Government may be pleased to promote Sri R. Natesan as Officiating Professor of Mechanical Engineering, Arthur Hope college of Technology, Coimbatore, under rule 31 (a) of the General rules for the Madras Provincial and Subordinate Services pending detailed examination of his qualifications for regular appointment. The personal files of both Sri S. Anantakrishnan and Sri R. Natesan are submitted herewith.

### 3. Professor of Electrical Engineering:

There is no officer in the department who possesses all the qualifications prescribed for promotion to the post. The post of Professor of Electrical Engineering, College of Engineering, Guindy, is now held by Sri K. Sukumaran, under emergency provisions, pending appointment of a qualified and suitable War Service candidate. Sri K.N. Ramanathan, a probationer in the category of Junior Instructor in Electrical Engineering is officiating as Instructor under emergency provisions. The only candidate whose claims for appointment to the post of Professor of Electrical Engineering, Arthur Hope college of Technology, Coimbatore, can be considered is Sri K.N. Ramanathan. He holds the B.E. degree in Mechanical Engineering obtained before 1934, and has obtained an M.Sc. degree of the Madras University in Electrical Engineering. He has besides, considerable experience of teaching electrical engineering subjects to senior B.E. Classes. As the Principal, Arthur Hope college of Technology requires the services of an officer with teaching experience I recommend that the Government may be pleased to appoint Sri K.N. Ramanathan, as Professor of Electrical Engineering, Arthur Hope college of Technology, Coimbatore, under rule 31(a) of the General rules for the Madras Provincial and Subordinate Services. I may state that Sri K.N. Ramanathan has completed the prescribed period of probation of two years in the category of Junior Instructor in the M.E.S. on 17.9.1946. His personal file is enclosed for perusal and return.

I have the honour to be,  
Sir,

Your most obedient servant,

*M. N. Ramanathan*  
for Director of Public Instruction.

Posts of Profs. of Mech. & Elec. Engg.,/College of Tech., Coimbatore - Filling.

The tempy. posts of Profs. of Mech. Engg. and Elec.Engg. in the A.H. College of Tech., Coimbatore, have to be filled.

The methods of recruitment to these posts are direct recruitment or promotion from Instructors. As no proportion has been fixed as between the two methods, w.r.t. Genl.rule 5 and para 2 of G.O.839-P.(S), dated 5-4-46, the posts have to be filled by candidates who have rendered war service - Vide Public's note in the L.F.I. The posts may, therefore, be included in the estimate to be sent to the M.P.S.C. by 1-10-46 - if orders have been passed in time.

2. Pending recruitment of war candidates, they may be filled by promotion under the emergency provisions.

Mech. Engg.: The qualfns. prescribed for the post are those mentioned at p.22 of Bk.113. There are only the follg. two Instructors in the Guindy College, one of whom shd. be promoted:

1. Sri S.Anantakrishnan, Sr.Workshop Instructor
2. " R.Natesan, permanent Asst.Instructor, and offg.Instructor in Mech. Engg.

The D.P.I. states that neither of the officers possess all the qualfns. He, however, recommends, that No.2 - Sri Natesan may be apptd., temporarily, pending detailed examn: of his qualifications for regular appt. He mentions that the post of Sr.Workshop Instructor (the permanent incumbent of which is No.1) is on a lower scale of pay; he also points out that when the post of Instructor in Mech.Engg. was filled in 1942, despite the fact that No.1 was even then in the M.E.S., as Sr.Workshop Instructor, No.2 was apptd., for he was considered more suitable. It is respectfully subd. that these reasons by themselves cannot stand in the way of No.1 being promoted now as Prof. Though Sr.Workshop Instructor's post is on a lower scale of pay, it is also included in the category of Instructors; No.1 is drawing the maximum of that scale of pay (Rs.420) whereas No.2 is drawing only Rs.360 in the scale of pay of Rs.200-700. <sup>also</sup> is invited to in this connection.

the recommendations of the D.P.I. in ~~the~~ L.F. II. In 1942, though the D.P.I. clearly preferred No.2 (then in the Subordinate Service) to No.1 (then in the M.E.S.), the Comm. held that as No.1 was already a full member in the category of Instructors, the qn. of comparing him with No.2 for first appt. to the Mech. Engg. Instructorship did not arise. <sup>It</sup> ~~Entry~~ is for orders whether, however, for the ~~xxx~~ other reasons given by the D.P.I. ("M" on pp. 2-3 C.F.), which seem to be valid, his recommendation to promote <sup>temporarily</sup> Sri Natesan as Prof. may be approved. The personal files of the officers are placed below.

Electrical Engg.: The difficulty of getting a fully qualified officer for promotion is felt in this case also. The

only officer available for tempy. ~~xxxxxx~~ promotion is Sri K.N. Ramanathan, ~~who has completed his probation as Sr. Instructor & who is holding Instructorship temporarily~~ His personal file is placed below. The Dir.'s recommendation to <sup>him</sup> appt. this candidate may be approved.

For orders as to circn. to H.M.(Edn.) and H.E.

A draft order is subd. In the estimate sent to the M.P.S.C. on 1.10.46, the posts were not mentioned as having been reserved for war candidates. The writer qn. whether the existing orders re: reservation of ~~posts~~ vacancies shd. be modified and, if so, in what manner is under separate consideration in Public. Pending decision on that qn., the Dir. may merely be informed <sup>now</sup> that the posts of Asst. in the Coimbatore Engg. College shd. be reserved for war men, <sup>under the present order</sup> Para 3 of the draft provides for this. ~~and the draft~~
