Please see the E. & P.H. department's notes from the middle of page 5 ante. The post of Telephone Operator ^{in the Govt. Press} was first ^{sanctioned} issued in G.O.No.1408, Education, dated 22-6-1939 and has been in existence ^{low} since then. E. & P.H. may be requested to say whether any ad hoc rules ^{have been} ~~were~~ issued for the post.

Telephone Operators in offices other than ^{the} Secretariat and those belonging to the Judicial department are included in the M.M.S. (Category 16 of the M.M.S. Rules). E. & P.H. may be requested to consider whether the post of Telephone Operator in the Government Press may not be included in the M.M.S. If this is done, the post will continue to be outside the the purview of the Commission, (see

paragraph 2 of G.O.No.106, Public (Services), dated 11-1-45) and it will be open to the S.G.P. to fill the post either by direct recruitment or for special reasons by transfer from any other service. proposal of the S.G.P.

(Previous notes of this department are at pages 7, 8 and 9 ante)

The employment of a telephone operator in the Government Press, Madras, was sanctioned on a temporary basis in G.O. No. 1408, Edn., dated 22-6-1939. The post was continued year after year and finally made permanent in G.O. No. 1643, Edn., dated 3-11-1944. When the post was made permanent the Superintendent, Government Press, suggested that it should be included in the Government Press Subordinate Service and declared a selection post and that S.S.L.C. with eligibility for college course of study should be prescribed as a qualification for it.

2. At the instance of this department it was suggested to the S.G.P. whether it should not be included in the Madras Ministerial Service as telephone operators in certain other departments are included in that service and women should ordinarily be appointed to it. The S.G.P. is not in favour of this proposal. He considers it undesirable to employ women telephone operators in the Government Press, which is a purely labour organisation consisting of nearly 2,000 labourers. In the circumstances, this department may agree:--

- (i) to the inclusion of the post of telephone operator in the Government Press Subordinate Service;
- (ii) to make it a selection post; and
- (iii) also to prescribing S.S.L.C. with eligibility for college course of study as a qualification for it.

3. With these remarks the file may be returned to the
