Mosquito nets - Procurement and supply to Government servants -
Ref: G.O.No.223 Finance dated 12-3-46 and Memorandum No.33655 B.III-2, dated 4th July 1946.

With reference to the G.O. quoted above Heads of Departments have been requested to furnish this Department with the probable quantity of mosquito nets required for the Government servants including menial servants working in the offices of malarial tracts under their control. As suggested by the Director of Public Health, Madras, the Military Disposals Directorate, New Delhi was addressed to intimate to this Department the quantity of mosquito nets available for supply, the sizes of the nets available for disposal and the price of each net. I have not heard from the Military Disposals Directorate so far on the subject. The Inspector General of Police has requested the Director, Textiles Directorate, Directorate General of supply, New Delhi, to transfer to this Department, the quantity of 486 mosquito nets claimed in his indent, in view of the G.O., under reference and the supply is awaited. I have requested the Director of Textiles Directorate, New Delhi, to expedite a reply to my letter regarding the availability of mosquito nets in bulk and the price of each available size of net.

2. I am receiving enquiries regarding the price of a mosquito net from some of the offices to enable them to intimate to this Department the number of nets required by them, and certain other officers have intimated their requirements of nets of various sizes.

3. As without the information regarding the price of a net, I am unable to reply to certain references and as mosquito nets of the required sizes cannot be supplied to certain other indenting officers without the stock of such nets with me, I request that the Director of Textiles, may kindly be addressed to arrange for furnishing the information regarding the price and number of nets under each size available for supply in bulk, so that I may keep a sufficient stock before the supply commences. In this connection, I request that the sizes of the nets may be standardized as single cot size and double cot size to stock and supply a limited variety.

4. As it is anticipated that the supply cannot be completed before 1-10-46 in view of the circumstances explained above, I request that the time limit imposed in the Finance Department, Memorandum dated 4/7/46 may be extended.

No.B.5.405/46 dated 4-9-46.

Sir,

Mosquito nets - Procurement and supply to Government servants.

Ref: G.O.No.223 Fin. dated 12-3-46 -

Memo.No.33655 E.III.2 dated 4-7-46

and this office letter B.5.405-46 dated 6-8-46.

In continuation of my letter dated 6-8-46, I have to state that I have addressed the Provincial Textile Commissioner, Madras regarding the source from which mosquito nets of single cot size and double cot size can be obtained or whether the Provincial Textile Commissioner, Madras can himself arrange for their supply.

As per Provincial Textile Commissioner's Order No.Rc.4532/DC/46 dated 20-8-46, one bale containing 23 bundles of varying lengths of round mesh mosquito netting have been received in this office. The price of the round mesh mosquito netting has not been intimated by the Provincial Textile Commissioner, Madras to this department. The Inspector-General of Police, Madras, has requested the Director, The Textiles Directorate-General of Supply, Department of Industries and Supply, New Delhi, to arrange for the supply of 486 mosquito nets, originally ordered for the District Superintendent of Police, Malabar, direct to this department and the supply is awaited. Eight Mosquito nets in serviceable condition have been received in this office from the District Superintendent of Police, Nellore.

Indents have been received for mosquito nets without mentioning the sizes required, from certain District Judges of the Judicial Department, several indenting officers require information regarding the price of a mosquito net to enable them to intimate the number of nets required within the

maximum advance of Rs.50/- fixed by Government. Some officers have intimated their requirements of mosquito nets of various sizes.

In the circumstances, I request orders as to whether I may call for quotations from tailoring contractors to stitch and supply single cot and double cot sizes mosquito nets ~~by~~ this department to comply with the indents from several offices. To secure uniformity in the sizes of net I suggest that only two sizes viz., single cot size and double cot size may be standardized and orders communicated to all indenting officers for their purchase. The Provincial Textile Commissioner, Madras, may be requested to intimate to this Department the price per yard of the round mesh mosquito netting recently arranged for supply by him to determine the price of a mosquito net of each of the two sizes including the material and tailoring charges required for a madeup mosquito net.

Orders may kindly be communicated through the Education and Public Health Department.

STATIONERY DEPARTMENT

No.B.5.2856/46.

Stationery Office, Guindy.
Dated 22nd October 1946.

8-0 OCT 1946

CIRCULAR

Sir,

Clothing - Mosquito nets - Procurement for supply to Government servants stationed in malarial tracts.

Ref: G.O.No.223 Fin., dated 12-3-1946 and
G.O.No.1960 Edn., dated 14-10-1946.

It has been proposed that Government should stock and supply mosquito nets to Government servants and that this department should consolidate the demands of Heads of Departments, purchase the nets and distribute them. In the G.O. dated 14-10-'46, two sizes, viz., single cot size 6' x 3' x 4' and double cot size 6' x 5' x 4' dimensions mentioned in the order, have been standardized and the supply has been ordered to be made only in the above two sizes.

2. You are therefore requested to obtain, from the officers in the several districts under your control, a forecast of requirements in each of the 2 sizes and forward the list to me, to fix the quantity of materials required. As soon as the nets are ready for issue, intimations will be sent to you. The subordinate officers may be instructed to send their indents thereafter.

3. An early compliance is requested.
