No. 88/Mls.

To
The Dy. Secretary to Government,
Education & Public Health Dept.,
Fort St. George.
Dated: 17th Sept. 1946.

Sir,

Sub:- Government Press - temporary staff - sanction requested for additional work involved in the grant of house allowance sanctioned.

Ref:- G.O. No. 1768, Edn., dated 13-9-46.

With reference to the above G.O., I have the honour to state that for purposes of calculating one year's service it is essential to open service rolls for all acting and temporary hands, day-extra and contingencies which may number about 400 to decide the extent of service for purposes of regulating payment of house allowance.

2. Again the work of the establishment section has already been increased out of all proportion in connexion with the claim of Dearness allowances for nearly 2,000 employees which means the working out of eligible claims for each individual involving consideration of absences, and overtime payments. The section is forced to work on almost all Sundays and holidays to just get on with the work. The present sanction of house allowance would entail a similar additional strain which it could not shoulder without additional establishment as will also the claim for interim relief when sanctioned by Government.

3. A monthly concurrent list of those temporary, day-extra and contingent hands who would be eligible for house allowance with reference to one year's limit has to be prepared and approved well in advance for inclusion in the pay bill.

4. These additional duties involve assumption of more responsibilities with financial implications subject to check by test audit. I therefore request that Government may be pleased to sanction temporarily for one year the following staff immediately to cope with the work and to avoid delay in the payment of allowances to the employees.

1 clerk on Rs 70-100 plus M.H.A.
1 clerk on Rs 30-55 plus P.A.

in his letter of 17.9.46 page 1 c. 3 it is for
consideration whether the proposal may be
upheld for a period of six months from
date of order, though the Govt. expects sanction for a period of one year.
The remarks of Finance may be invited in the
first instance.

The proposal in the file is to
sanction one Upper Division clerk on 70-100
and one Lower Division clerk on 30-55 in the
Govt. Press for work connected with the
disbursement of house allowance sanctioned in
G.O. 1543 Bdn. 8.8.46. The work of the
staff is mainly to open service rolls
and to prepare pay bills lists of temporary
day-extra and contingent employees in the Press.

⑤
This work can easily be done by an
experienced lower division clerk. An upper division
clerk on 70-100 (of the status of a section-
head) is obviously extravagant and unnecessary.
In the circumstances this Dept. may
suggest that one lower division clerk
may for the present be appointed. The
extra cost will then be Rs 792 p.a. The
sanction may be for six months in
the first instance.

With the above remarks
the case may be returned to Secy.

Maybe accepted. But considering
the amount involved is about Rs. one lakh
(or Rs. 90,000 p.a.) this to my mind is a
mistake.
