Director of Public Instruction, Madras.

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

R.C.No. 514-K2/46 dated 16th August, 1946.

Sir,

College of Engineering, Guindy--Employment of an additional
attender for the Library.

I have the honour to request that Government may be
pleased to sanction the employment of an additional attender for
the library in the scale of Rs. 19-30 in the college of Engineering,
Guindy, with effect from 1st July 1947.

2. The existing staff for the library consists of a Librarian,
an Assistant Librarian and an attender. The Principal, College
of Engineering, has reported that the above staff find it
difficult to cope up with the heavy work in the library. The
library is growing in numbers every year and there are about
9000 books and over 75 journals in it. It is reported that on an
average 200 books are being issued daily to the students and in
addition a large number of books and journals are issued to the
students and staff in the hall itself. ~~As~~ The books and journals
issued to the students and staff have to be accounted for and the
Principal feels that the existing staff are unable to cope up
with the work. Considering the strength of the college and the
volume of work of the library, I am of opinion that an additional
attender is essential. As the need for an additional attender is
keenly felt in the current year itself, I have, in exercise of
the powers delegated to me sanctioned a temporary post for a
period of one year.

3. The cost of the proposal will be as follows:-

Cost in 1947-48:

Pay at Rs. 19/- per mensem for 8 months ..	Rs.	152/-
Presidency allowance at Rs. 2-8-0 for 8 months		20/-
		172/- or

Rs. 200/-.

Ultimate Cost: 15-30 25

Average pay at Rs. 20/- per mensem. ..	300	240/-
Presidency Allowance at Rs. 2-8-0 per mensem. ..	30	30/-
	192	
	5-22	270/- or
	Rs. 300/-	in round figures.

4. I am including the necessary provision in Part II of my
Budget Estimate for 1947-48.
