Roc.No.C3.12570/46, D/11-7-48

Sub:- ESTABLISHMENT - Municipal College, Salem -
Additional post of a Tamil Pandit and the
post of a librarian - creation of - sanc-
tion - requested.

1111

The Principal, Municipal College, Salem has reported that according to the University requirements and the conditions of affiliation of the College to B.A. Degree course the following posts have to be created from 1st July, 1946.

- (1) One post of Tamil Pandit. on Rs.50-5/2-75.
(2) One post of Librarian on Rs.60-10/2-120.

There are at present two Tamil Pandits in the College. The syndicate of the Madras University has recommended that if a language is offered under Part II up to the Degree standard (B.A) in four classes, not less than two members of the staff are required to deal with each language and that where the strength of the college warrants the sub-division of a language class into two or more divisions, additional assistant lecturers or tutors will have to be appointed. It is on the basis of this recommendation the Principal, of the Salem College has requested to sanction the post of a Tamil Pandit in addition to the Two Tamil Pandits (one B.O.L and One Vidwan) employed at present.

The library of the Salem College is now placed in charge of a library attender on Rs.19-2/2-25-1/2-30. The present library attender is an S.S.L.C. candidate who has not undergone the special training for the librarianship. In first grade colleges the librarian is expected to be a graduate with library training. The Salem College has been raised to a first grade college. The Principal of the College, requests to sanction the post of a librarian on Rs.60-10/2-120 so that a graduate with library training may be employed in addition to the library attender. But it was considered that the post of the peon may be retained and the post of attender abolished since the library attender is to be replaced by a librarian with better qualifications and training is to be appointed.

The Municipal Council, Salem has sanctioned the following posts:-

- (1) One post of Tamil Pandit on Rs.50-5/2-75.
- (2) One post of librarian. on Rs.60-10/2-120.
- (3) One post of peon on Rs.12 to 16 in the place of the present library attender on Rs.19 to 20.

The Registrar of the Madras University desires that a report should be sent before the 15th July 1946, regarding the strength of students in each language and the number of members of the staff with their qualifications etc., The additional Tamil Pandits will have to be appointed before making the report.

I request that the Government may be pleased to accord sanction for the creation of the above posts.

Roc.No.C3.15158-46, D/11-7-46

Sub:- ESTABLISHMENT - Municipal College, Salem
opening of the fourth batch in the science
course in the Junior Intermediate class -
Additional staff - sanction - requested.

The Municipal Council, Salem has agreed to admit students to the fourth batch in the science course of the Junior Intermediate class in the Municipal College, Salem. The Principal of the college has informed that the following additional staff will be necessary for opening the fourth batch of students in the science course.

- (1) A Chemistry Demonstrator.
- (2) A Natural Science Demonstrator.
- (3) A Tutor in English.
- (4) A Chemistry attender.

There was no proposal to open the fourth batch in the science section when the budget for 1946-47 was prepared and hence no provision was made in the budget for these posts. Now, owing to the heavy rush of students for admission, the fourth batch has to be opened this year. The fee income to be realised from the fourth batch of students will be about Rs. 5000/- and the additional expenditure to be incurred will be about Rs. 3500/- The additional expenditure to be incurred by the employment of the additional staff will be met from the fee income as stated above and therefore the council will have no difficulty to meet the additional expenditure.

Instead of the post of tutor in English, the Municipal Council has sanctioned at the request of the Council the post of a lecturer in English. A copy of resolution No. 424 dated 29-6-46 of the Municipal Council, Salem sanctioning the additional staff is submitted herewith. I request that the Government may be pleased to sanction the creation of the following posts in addition to the existing staff.

- (1) A Chemistry demonstrator on Rs. 40-5/2-55.
- (2) A Natural Science " 40-5/2-50.
- (3) A lecturer in English. 100-10/2-180.
- (4) A Chemistry laboratory attender 17-1/2-20.

As it will be difficult to manage the classes without the additional staff, I request that the Government may be pleased to issue early orders so that I may appoint the staff early.
