Subject:- Supply of paper in 1946-47.

Sir,

I have the honour to enclose two lists of certain stocks of Lease/Lend Paper which are available at Bombay for ready supply against deserving Government demands provided they are placed immediately.

2. I would request you to please let this office know the items and quantities which you are prepared to take over immediately as also the purpose for which this supply is required. It is feared that the demands from various claimants may exceed the stock available but as far a distribution as possible will be made. As it may not be possible to meet choice in respect of particular items, all items acceptable may please be specified, arranged, if so desired, in order of preference.

3. In view of the fact that the paper supply position in the country is still far from the normal, it is suggested that every effort should be made to take advantage of these stocks for meeting essential requirements.

4. A definite reply is requested by the 30th September 1946 as the stocks have to be distributed urgently. If no reply is received from you within this period it will be presumed that you are not interested in the paper under reference and they will be disposed of otherwise.

I have the honour to be,
Sir,

I enclose herewith my reply to letter No.156 P&S/46 dated 13-9-46 from the Controller of Printing and Stationery India regarding Lease/Lend paper available at Bombay. On account of the constant handling of these imported papers before they reach Stationery stores, Guindy, a major portion gets damaged thus making them unfit for being printed on machines. Further it is not possible to select substitutes for poster papers and leaflets from the list furnished by the Controller. If necessary, the list may kindly be caused to be sent to the Director of Information and Publicity Fort St. George to select the quality and the quantity required against each item.

Yours sincerely,

The reply to the Govt of India's letter at p 2 cf. E2-H. Dep have already sent a reply - vide p 16 cf. They have stated that the question of selecting some more issues in the

list for publicity purposes of the Govt is under consideration and a further communication will follow soon.

We require invitation art paper and poster paper and they are not found in the list. The Director has raised the question why not keep some white printing and Bond paper. We have already got 24 bales of white printing paper and this seems to meet our requirements. Attention is also invited to the remarks of the Chief of Stationery at p 13 cf. As the stock seems to be old, any paper obtained may not be very useful.

It is for consideration whether E.S.H. may be informed that we do not require the variety of paper mentioned in the list at p 5-10 cf.

In view of para 4, p 2 cf. it is also not likely that our demand, if any, will be considered.

The file may be returned to E.S.H. Dept for sending a suitable reply in continuation of their reply to the Controller on p 16 cf.

Pub (220) do not require any paper from the list on p 5-10 cf. The C.O.S. India, was informed in para 2 of the letter on p 16 cf, that a further communication would follow soon. The idea was to send the further communication by 30.9.46 the date fixed by the C.O.S. India, on or after, if ~~since~~ Pub (220) ~~do~~ require any paper. Since they do not require any paper, no further communication to the C.O.S. India appears necessary solely for intimating that no paper is required.

3. The papers may be recorded.
