From

P.T.Raman Nayar Esq.,
Registrar, High Court, Madras.

To

The Deputy Secretary to Government,
Education and Public Health department (with an enclosure).

Dated 15-10-46

Sir,

Subject: Printing of High Court records- Entrustment to private presses.

The sanction accorded in G.O.No.134 Education dated 18-1-1946 and continued by G.O.No.740 Education dated 5-4-1946 for the printing of part of the High Court Records at private presses at enhanced rates expires by the end of this month. I am to state that since July 1946 the quantity of printed matter received from the press has so far proved adequate, though it has not been found possible to build up any reserve for the future. At present the current requirement of the High Court is about 4,300 printed pages per week, and as far as can be foreseen, the same quantity will be necessary in future also. It will not be possible to provide the Honourable Judges with sufficient work unless this outturn is kept up. The Superintendent, Government Press reports- (Vide copy of his letter No.C 69 dated 11-10-1946 enclosed) - that his press will not by itself be able to supply more than 2,000 pages per week for some time and that if the present supply of 4,300 pages a week is to be maintained the assistance of the private presses will be necessary for a further period of 3 months from 1-11-1946. In the

circumstances I am to request that the sanction accorded in the above G.Os. may be continued for as long a period as may be found necessary by the Superintendent, Government Press. As the present sanction expires at the end of this month I request that early orders may be passed by the Government in the matter.

Copy of letter No.C 69 dated 11th October 1946 from the Superintendent, Government Press, Madras to the Registrar, High Court of Judicature

Ref:- G.O.Ms.No.740 Edn., dated 5-4-1946 - regarding printing of High Court records at private presses at enhanced rates and your letter R.O.C.No.5619 Bl/46.

With reference to the above, the Press is still working under very heavy pressure and I shall not be able to supply more than 2000 pages per week for the present. If the High Court requires me to maintain the present supply of 4300 pages per week, I will require the assistance of the private presses for a further period of three months from 1st November 1946 for which I would request you to obtain sanction of Government. When the Electoral rolls are finished and the arrears of work caused by them are cleared, I anticipate that I shall be able to considerably increase my output.
