Enclosures : Re. No. 714 P/45 dated 7th January 1946. 194

Sir,

Sub: Travelling Allowance - Personal effects -
 Transport of by rail - Permission - Requested.

I have the honour to state that in June 1945, Sri A.G. Narasimham, Officiating Lecturer in Physics, Government College, Kumbakonam, was transferred as Officiating Lecturer in Physics, Government Training College, Rajahmundry in a leave vacancy. Sri A.G. Narasimham was not certain as to how long he will continue to officiate as Lecturer in Government Training College, Rajahmundry as the leave granted to the incumbent of the post in which he was acting, was at first only for a short time. So he did not bring his personal effects with him from Kumbakonam. However, the Lecturer states that from the time he joined duty at Rajahmundry he was trying to secure a house but could not get one. On 11-11-1945 when the Lecturer on leave returned to duty, Sri A.G. Narasimham was transferred as Assistant Professor of Physics, Presidency College, Madras, in the Madras Educational Subordinate Service. Thus at the time of his transfer to Madras all his personal effects were at Kumbakonam.

P.t.o.

: 2 :

No. Sri A.G. Narasimham requests that he may be permitted to take his personal effects now from Kumbakonam to Madras. Since Sri A.G. Narasimham was transferred from Kumbakonam to Rajahmundry and again from Rajahmundry to Madras in the interest of Public Service and as his difficulty in securing a house at Rajahmundry was real, and as the cost of shifting his personal effects from Kumbakonam to Madras will be much less than the cost involved if he had shifted them from Kumbakonam to Rajahmundry and again from Rajahmundry to Madras, I recommend that his request to shift his personal effects from Kumbakonam to Madras within 3 months from the date of his joining duty at Madras may be permitted for purposes of claiming Travelling Allowance for the same.

ALLOWANCES - Travelling - Sri A.G. Narasimham, Lecturer - Claim for transport ~~of~~ charges of personal effects from station not immediately transferred from - Allowed. (3)

Read:- From the D.P.I., Rc.No. 714-F/45, d/- 7-1-46.

G. O. (MS.) No. 201

Edn., dated 29.1.46

Under section 241(5) of the G. of I. Act, 1935, H.E. the Governor of Madras directs that the provisions of the ^{last} Note under rule 68(1) of the M.T.A. Rules be relaxed in favour of Sri A.G. Narasimham, Asst. Professor, Presidency College, Madras, and that he ^{be} permitted to claim either the actual cost of transporting his personal effects ^{subject to the scale prescribed in rule 68(1) of the Rules} from Kumbakonam to Madras within 3 months after the date of his joining duty at Madras or the cost that would have been incurred had they been ^{transported} brought from Rajahmundry to Madras, whichever is less. The ^{personal} effects should be transported from Kumbakonam to Madras within 3 months from 23.11.45, the date of the officer's joining duty at Madras.

NOTE:-

The D.P.I. has reported that as Sri Narasimham could not secure a house at Rajahmundry during his stay there, he did not ^{take} his personal effects from Kumbakonam. On his transfer to Madras, he is eligible to claim the cost of transport of his personal effects only from Rajahmundry to Madras (old and new stations resply.) - ^{last} Note under M.T.A. Rule 68(1). Please see in this connection rule 71, under which, when members of a Govt. servant's family travel to the new station from a place other than ^{the} old station, the actual fare for ^{such} the journeys ~~and~~ or the fare admissible for journeys from the old to the new station, whichever is less, may be drawn. ~~Can the analogy of this rule~~ ~~allowing the principle underlying that rule.~~ it does not seem unreasonable to grant Sri Narasimham's request, which is supported by the D.P.I., that he may ^{be permitted to} transport his personal effects from Kumbakonam to Madras.
