READ—the following papers :—

G.O. No. 770, Education, dated 9th April 1946.

From the Director of Public Instruction, dated 24th September 1946, R.C. No. 3062-J-3/46.

Order—No. 2015, Education, dated 21st October 1946.

The Government sanction the distribution of a sum of Rs. 34,740 in the current year as grants for the public libraries mentioned in the annexure to these proceedings. The grants will be paid on the post-payment system and will be subject to following conditions :—

(i) The grants should be spent on equipment, especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public and should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased should receive the prior approval of the Deputy Registrar of Co-operative Societies in the case of co-operative societies libraries and that of the District Educational Officer or the Inspectress of Girls' Schools in the case of other libraries.

(v) A register of books should be maintained in each library. In addition a register of members should be maintained by the libraries under private associations. These registers should be available for inspection during inspecting officers' visit to the library which they may do at any time.

(vi) The library should be subject to annual inspection by the inspecting officers.

(vii) The management should make a contribution from its own funds equal to the grant sanctioned by Government. While expenditure on the purchase of periodicals, binding books and printing catalogues after sanction of grant will be taken as part of this contribution, the expenditure on establishment, purchase of newspapers and maintenance of library buildings shall not be so treated.

(viii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to half the actual expenditure up to the maximum of the sanctioned grants.

(ix) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor ; and if the grant has been already disbursed, the grant or such portion thereof as the Director in his discretion thinks fit may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(x) The grant should be claimed before the end of the current year. Grants for public libraries under the control of private associations should be claimed and disbursed by the inspecting officers of the Education department, District Educational Officers or the Inspectress of Girls' Schools as the case may be.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned or the Registrar of Co-operative Societies or the inspecting officers of the Education department, as the case may be on the production of the necessary vouchers.

LETTERS TO THE EDITOR

GRANTS TO PUBLIC LIBRARIES

Sir,—I find that the Government of Madras have granted Rs. 53,205 to Panchayat libraries and Rs. 34,740 to other libraries. The budget contained a provision of Rs. 55,000 and Rs. 45,000 respectively for these two categories of libraries. Why cuts have been made in these amounts, is not clear. Whereas the Government should have a very much larger provision for the education of the people through the library effort, it is highly disappointing that they should have thought of not fulfilling the entire promise in the budget, though it was itself meagre. The Government will do well to reconsider the position and issue supplemental orders making further grants to the full extent of the provision made in the budget.

A provision of Rs.1 lakh (Rs.45,000 for libraries under District Boards and Municipal Councils and Rs.55,000 for libraries under Panchayats) has been made in the annual estimate of expenditure for 1946 - 47 for grant to Public Libraries maintained by the District Boards, Municipal Councils and Panchayats. Proposals were called for and on scrutinising them 232 libraries under District Boards, and Municipal Councils and Private Associations were admitted for aid, the grant sanctioned being Rs.34,740. 602 libraries under the management of Panchayat Boards were also admitted for grant and the total amount sanctioned for distribution was Rs.53,205. Additional libraries were not admitted to the aid as they did not satisfy the usual conditions, i.e., accessibility, maintenance of register, willingness of managements for an equivalent Govt. contribution etc.
