Enclosures: No. Tdr.46/47 dated 16th January 1946.

Sir,

Sub: Government Press, Madras - supply of stores etc. -
 invitation of tenders 1946-47 - suspension -
 Orders requested.

I have the honour to invite a reference to G.O.No.Ms.1865/
 dated 12-12-44 in which my proposal for dispensing with the
 usual procedure of getting supplies of store articles on
 annual tender system with the execution of agreements during
 1945-46 was approved. The rates of various articles are still
 fluctuating and the situation has not improved. Most of the
 articles, which are of recurring nature for the working of
 the Press are not easily procurable in the market to effect
 purchases immediately.

2. Under the circumstances and for reasons already
 explained in my letter No.Tdr.43-44 dated 9-12-42, I request
 that orders may be issued to continue the purchase of articles
 at the existing market rates as and when required and for
 suspending the usual procedure of getting supplies on tender
 system for the next official year 1946-47 also. In
 accordance with the present practice notices inviting tenders
 will however, be issued to the available concerns in respect
 of purchase of large items of store articles once in three
 months during 1946-47, also, and the successful tenderer will
 be asked to furnish the security deposit for the faithful
 performance of the supply of articles accepted.
