ENCLOSURES.....

SPARE COPIES.....

In the course of inspection of the subordinate Magistrates courts I find that for want of space in the docket sheet, docket entries have been made in loose sheets of paper. The sheets were not also arranged chronologically.

Considerable time is wasted in scrutinizing the entries in the docket sheets with a view to check unnecessary adjournments. Now that the war is over and conditions are returning to normal, I request that the use of the Foolscap size docket sheet may be permitted and the Superintendent, Government Press, Madras, instructed to supply the forms urgently as a special case.
