CL. No. 59/46, Dated the 2nd October, 1946.

Sir,

Subject:- Madras Educational Service - Vacancies in
the posts of Lecturers in Mathematics -
Proposals for filling - Submitted.

I have the honour to state that the post of Lecturer in Mathematics, Government Muhammadan College, Madras, will fall vacant shortly as the present incumbent of the post, Sri P. Bhaktavatsal Patnaik, is proceeding to the United Kingdom for prosecuting advanced studies. I propose to fill the vacancy by transferring Sri V.R. Srinivasaraghavan from the College of Engineering, Cocanada. The resultant vacancy in the post of Lecturer in Mathematics, College of Engineering, Cocanada, has to be filled. In G.O. No. Ms. 1801 Education, dated 18th September 1946, Government have sanctioned the conversion of the post of Assistant Lecturer in Mathematics in the Arthur Hope College, of Technology, Coimbatore into a Lecturer's post in the Madras Educational Service and this post also has to be filled.

2. In regard to the filling of the post of Lecturer in Mathematics, College of Engineering, Cocanada, I recommend that Sri Ch. Subrahmanyam, Assistant Lecturer in Mathematics, Government Training College, Rajahmundry, may be appointed to officiate in it under rule 9(a)(i) of the General Rules for the Madras Provincial and Subordinate Services, pending regularisation of the appointment later on. In this connection I may state that in my letter R.CL. No. 10/46, dated 4th April 1946 addressed to the Madras Public Service Commission,

2.

Commission, I have recommended the selection of Sri V.R. Srinivasaraghavan and Ch. Subrahmanyam for appointment to the Mathematics Unit of the Madras Educational Service. In G.O. No. Ms. 1432 Education, dated 23rd July 1946, Sri V.R. Srinivasaraghavan has already been appointed to the Madras Educational Service under rule 9(a)(i) of the General Rules for the Provincial & Subordinate Services.

3. The Officer next in rank to Sri Ch. Subrahmanyam in the Mathematics Unit of the Subordinate Educational Service (Collegiate Branch) awaiting promotion to the Madras Educational Service is Sri K. Ramanujacharya, Assistant Professor of Mathematics, Presidency College, Madras. I have the honour to recommend that the Government may be pleased to appoint Sri K. Ramanujacharya to officiate as Lecturer in Mathematics, Arthur Hope College of Technology, under rule 9(a)(i) of the General Rules for the Madras Provincial and Subordinate Services, pending regularisation of the appointment later on in consultation with the Commission.

4. I solicit the favour of early orders.

I have the honour to be,
Sir,

Pl. say whether you have issued orders transferring Sri V.R.Srinivasaraghavan, Lecturer in Math., from the Engg.College, Cocanada, to the Mmdn.College, Madras, and whether he has joined duty in the latter college.

In the letter cited, ^{It has been} proposed to appt. Sri K.Ramanucharya, ^{Asst Prof.} ~~now in the Presy.College,~~ as Lecturer, ~~in the~~ A.H. College of Tech., C'batore. If Sri Srinivasaraghavan has not handed over charge at Cocanada and has not joined duty at Madras, kindly report why - instead of making that transfer and appointing Sri Ch.Subrahmanyam (at

Rajahmundry) to the consequential vacancy - Sri Srinivasa-
 shd. not
 raghavan ~~cannot~~ be ~~continued~~ allowed to continue at
 Cocanada itself and Sri Ramanucharya, Presy. College, apptd.
 to the Mndn. College vacancy and Sri Subrahmanyam (R'mundry)
 to the Coimbatore vacancy. The recommendations in the letter
 would amount to three "moves", whereas the above suggestion
 would involve ~~only~~ two - rather ^{only} one, from the point of view
 of "shifts" from one station to another. If you see no objn. to this sugges-
 tion, orders of transfer of Sri Srinivasaraghavan, if any, already issued,

Sir,

Sub:- Madras Educational Service - Vacancies in the
 posts of Lecturers in Mathematics - Proposals.

I have the honour to invite your attention to my letter
 R.Cl. No. 59/46, dated 2-10-1946 and to state that as both the
 Lecturer and the Assistant Lecturer in the Mathematics Department
 of the Government Muslim College, Madras, have been relieved to
 enable them to proceed overseas, the work in this Department of the
 College is reported to be very much handicapped. I have therefore,
 issued orders transferring Sri V.R. Srinivasa Raghavan from the
 College of Engineering, Cocanada to the Government Muslim College
 as already proposed, pending appointment of a substitute at the
 College of Engineering, Cocanada I solicit the early orders of
 Government on my letter cited above.

OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS, DATED 24TH OCT., 1946.

Telephonic Reply (By Post), Dated 24-10-1946.

From

The Director of Public Instruction, Madras.

To

The Secretary to Government,
Education & Public Health Department.

Reference: Your Post Copy of Telephonic Message dated 19th October 1946 regarding postings of Lecturers in Mathematics.

I have already issued orders transferring Sri V.R. Srinivasaraghavan to the Government Muhammadan College, in the circumstances explained in my letter to Government R.CL. No. 59/46, dated 20th October 1946.

2. It is true that the number of 'moves' can be restricted to two if Sri Ch. Subrahmanyam is posted direct to the Coimbatore College. I may state that before submitting my proposals in Cl. No. 59/46, dated 2nd October 1946 I had fully considered all the aspects of the question. What may seem minimising the number of 'moves' just at present will not probably be so in the circumstances explained below.

3. Sri Ch. Subrahmanyam is an Andhra and Sri V.R. Srinivasaraghavan is a Tamilian. The position by which an Andhra Officer is made to serve

serve in a Tamil district and a Tamilian made to serve in an Andhra area against his convenience even when it is possible to avoid it, will have indirect repercussions on the efficiency of his services. In the interests of efficiency and with a view to avoiding further transfers it is advantageous to the Department if the Officers are posted to their proper places immediately so that further transfers in this Unit may be avoided during the rest of the academic year and the Officers may be allowed to devote themselves to their work undeterred at every stage by private inconveniences and anxieties. Moreover, Sri V.R. Srinivasaraghavan has considerable experience of B.Sc. Mathematics work and would be more suitable in the Muhammadan College which has been without a Lecturer or even an Assistant Lecturer for some time. I may also add that the Principal has made a special request for the posting of this Officer in the interests of the College.

4. In the above circumstances, looking ahead, what is one more move than may seem necessary at present, is a 'move' which in fact will avoid a number of further 'moves' during the rest of the current academic year in the Mathematics Unit. I, therefore, request that my proposal may be kindly approved by Government and early orders passed.

M.E.S. - Collegiate Section - Mathematics Unit -
Appointments.

The post of Lecturer in Math. in the A.H.College of Tech., Coimbatore, is vacant. There is at present no candidate in the 'approved list' for appt. to the Math. Unit. The M.P.S.C., on requisition to select ~~two~~ ^{has} persons for appt. by transfer, ~~have~~ ^{has} proposed separately the inclusion in the list of the names of Sri V.R.Srinivasaraghavan and Sri Ch.Subrahmanyam, Asst.Lecturers, and the file containing ~~that~~ ^{has} recommendation ~~xxx~~ is in circn. to H.E.M. and H.E. Sri Srinivasaraghavan has already been holding the post of Lecturer in the Cocanada Engg. College, under the emergency provns., pending ~~the~~ approval of the Commission's recommendation. It is therefore the turn of Sri Ch.Subrahmanyam to be apptd. now, ^{temporarily, pending approval of the inclusion of his name in the list.}

2. But, the Math. Lecturership in the Govt.Muham-
madan College, Madras, too, is anticipated to fall vacant shortly. In his letter in the C.F., the Dir. states that he intends to transfer to ~~the Madn. College~~ ^{his post} Sri Srinivasaraghavan and thus 'shift' the vacancy to the Cocanada Engg. College. He accordingly recommends that, under the emergency provns., Sri Ch.Subrah-
manyam may be apptd. to the Cocanada College vacancy and another Asst.Lecturer, Sri K.~~R.~~Ramanujacharya, (whose name it has not been proposed ~~before~~ ^{before} for being put on the list), to the College of Tech., Coimbatore; he also recommends that the Commn. may be addressed, in due course, to approve the name of Sri Ramanuja-
charya. The recommendations ~~may~~ ^{may} can be accepted ~~but for the~~ ^{subject to} point mentioned in the following paragraph.

3. Under M.E.S.Special rule 3(b), if a qualified and suitable candidate of the Muslim community is available, the vacancy in the Muhammadan College should be filled only from that community. In June last, when the post in the Madn.College was first created and had to be filled, the Dir. stated that P.V.Abdurahiman Sahib, who was an apptd. probationer in the category of Asst.Lecturers, was qualified for the Lecturership, but that the Unty. might not agree to his being made the Head of

a Dept. of study, he being a very junior officer, and considered that he wd. be suitable for ~~the~~ Lecturership after some more expce. It may be pointed out that this Asst. Lecturer has been selected for higher studies in Engg. Mathematics overseas and that he will be sailing for U.K. shortly. For appt. to the Mmdn. College vacancy on this occasion, the Dir. has not mentioned the claims of Abdurahiman Sahib at all. Presumably, he remains of the/expressed before. But, if, in consultation with the Commn., the candidate's name is put on the appd. list for appt. to the Mmdn. College, a "paper appointment" can be given to him during the period of his studies overseas - w.r.t. rule 8(b) of the General rules - and the Unty.'s objection anticipated previously would not arise, since he will not be in actual charge of the headship of the Dept. of Math. in the college ~~his return from~~ abroad.

In the circumstances, it is for orders whether a refce. on this point may be issued to the Dir. ~~and he may be requested to submit proposals for the inclusion of the name of Abdurahiman in his list. also may be accepted and the claims of Abdurahiman Sahib left to be considered on his return from overseas after his studies.~~ ~~He may be appointed as lecturer in the Muhammadan College on paper. Mean time, the temporary appointment as proposed by the Director may be approved.~~

This image shows a vertical strip of aged, textured paper, likely a book cover or endpaper. The paper is dark brown/grey and has a rough, fibrous texture. It shows significant wear, including creases, wrinkles, and several small holes and tears, particularly along the left edge. A faint circular stamp or mark is visible near the top right corner. The paper is set against a light background.
