Equipment grant--Loyola College, Madras--Purchase
of furniture, apparatus, chemicals and books for
the opening of B.Sc.(Hons.) Course--Recommended.

I have the honour to submit herewith the application

for Equipment grant of the Correspondent, Loyola College,

Madras. The sum of Rs. 2,58,124-6-0 involved in the scheme covers the purchase of furniture, apparatus, chemicals and books for the new B.Sc.(Hons.) course in Chemistry. I have after scrutiny disallowed an amount of Rs. 17,511-14-0 relating to the cost of certain unsuitable items. The materials are necessary for the efficient maintenance of the course. As the Correspondent has stated that it will not be possible to secure all the materials within a year but that it will be possible to get at least half the material in the course of the present Academic year, I recommend that the scheme may kindly be included in the approved list for the year 1947-48 at an estimated cost of Rs. 2,40,612/- and that sanction may be accorded for the purchase of the entire articles in the course of two years making provision for half grant on the whole, to be paid equally in the course of two years.

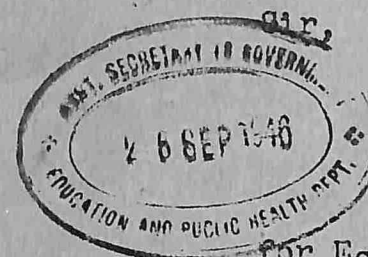

I have the honour to be,
Sir,
Your most obedient servant,

The Govt. sanction the inclusion in the approved list maintained in pursuance of Go no 388 Law (Edu) 2/14.3.1924 of the application from the Correspondent, Loyola College, Madras, for a grant-in-aid towards the purchase of furniture, apparatus, chemicals and books for the new B.Sc. (Hons) Course in Chemistry at an estimated cost of Rs. 24,061.2. (Rupees two lakhs forty thousand six hundred and twelve only). While this approval does not convey any guarantee of grant, it will render the

institution eligible for a grant of one-half of the cost not exceeding Rs 1,20,306. (Rupees one lakh twenty thousand three hundred and six only). if and when funds become available provided that all the conditions prescribed in the Grant-in-aid code are duly complied with

2. The Govt accept the recommendation of the D.P.I that the Management of the Loyola College may be permitted to purchase the entire equipment in the course of two years and that ^(maximum amount of) the grant to be paid in a year may be limited to one-half of the total grant contemplated

Grant - Equipment - Loyola College, Madras - Purchase of
furniture, apparatus, chemicals and books for the B.Sc. (Hons)
course - Application - Inclusion in the approved list

C.No. 56511/46 - From the D.P.I. R.O.S. No. 2550-F2/46 dated
23-9-1946.

The Correspondent, Loyola College, Madras, has applied
for a grant towards the purchase of furniture, apparatus,
chemicals and books required for the new B.Sc. (Hons) courses
in Chemistry at an estimated cost of Rs. 2,58,124-6-0. The
D.P.I. has disallowed certain articles of equipment costing
Rs. 17,511-14-0. He considers that the remaining items are
necessary and recommends that the scheme estimated to cost
Rs. 2,40,612/- may be included in the approved list for 1947-48
and that the management may be permitted to purchase the articles
in the course of two years and claim the grant equally in the
course of the next two years.

2. According to the policy of Govt. towards Collegiate
education set out in their Press Communique No. 4 dated 13-7-45
no financial assistance should be given for the purpose as
the equipment is required for new courses of study but the
Govt. have already recognised that the opening of B.Sc. (Hons)
courses in Chemistry in the College is necessary with a view
to producing more qualified chemists whose services would be
required for carrying out the post-war schemes under 'Industries
and Industrial' training and have sanctioned a half-grant not
exceeding Rs. 2 lakhs towards the cost of construction of
buildings for the Chemistry laboratory. In the circumstances,
the Director's recommendation that the application for equipment
grant may be included in the approved list may be accepted.
The maximum half-grant that will have to be paid will be
Rs. 1,20,306/- and the expenditure will be spread over the next
two years.

The remarks of Finance may be invited u.o.

Please see the notes on p. 1 above.
The proposal to sanction a half grant will have to be ^{ordinarily} considered as a Part II scheme. This dept. need not however object to its application for grant being included in the list / Subject to the Management being given to understand that the inclusion in the approved list will not commit any guarantee of grant.

DR 12.8.46. It does not seem necessary to commit the Govt. ^{now} to the payment of a grant in the two years to come. It would seem sufficient if the amount required during 1947-8 alone is considered now. The D.P.D. may be asked to revise the application on P. 5 CF + to make out a list of items required to be purchased urgently in 1947-8 and to include the necessary amount in the approved list subject to A above.

The question of giving a similar grant during 1948-9 may be considered along with other schemes, during next year.

See below

objed. to inclusion in the approved list of the scheme recommended by the D.P.D. E.P.H. will no doubt include in the 1947-8 provision for half of the total grant. Fin. need not
