Copy of letter from V. Kalyanaraman B.E., c/o The Dean School of Graduate Studies, Universities of Toronto, Toronto (CANADA) dated 11/9/46 to the Principal, College of Engineering, Guindy.

I beg to report that I reached Toronto on 2nd September 1946 and I have been provisionally registered to the School of Graduate studies. The Colleges reopen only on 25th of September.

I was relieved in the Engineering College, Guindy, on 8th of July and I left for Calcutta on 8th evening itself reaching Calcutta on 10th. I embarked on board 'S.S. Marine Lynx' from Calcutta to San Francisco only on 28th of July due to delay in the arrival of the ship. While at Calcutta from 10th July to 28th July I was put to a considerable expenditure owing to Calcutta being a very costly place. Under the circumstances, I request halting allowance at the same rate as that, being granted to officers from the Development department of the Madras Government may also be kindly caused to be granted to me for my 18 days halt at Calcutta.
