SECRETARIAT OF THE MADRAS LEGISLATURE,

Please see ^{stated} the question in the cf. It is
somewhat vague. Teachers in aided schools can be
generally brought under two categories: elementary
and secondary; the grievances of the two kinds of
teachers are different though some of them may be
common. Aided elementary school teachers have
always been making representations to Govt. on
some subject or other. But anyhow the ^{subject matter} ~~representations~~
which the majority of the representations may be
brought under the following heads: -

- (1) increase in salaries
- (2) grant of dearness at Govt. rates
- (3) payment of monthly grant

(1) above

The question of increasing the salaries
of teachers in all kinds of schools is under
consideration as a part of a scheme
(*) Aided elementary school teachers were

first. Granted a dearness allowance of Rs 2/- p.m. This was subsequently raised to Rs 3, 4, 5 and ~~recently~~ it was raised to Rs 16/- p.m. Recently the Secy, Mappila Centre Teachers Assn, Tellicherry requested that aided sch. School Teachers may be allowed dearness allowance at Rs 16 p.m with retrospective effect from 1.7.44 on the analogy of the allowance sanctioned to Govt. servants. The Govt. did not accept the proposal.

(3) above

~~Grants~~ to aided elementary schools are now paid quarterly. Some time ago the question of introducing the monthly grant ^{system} was examined and ~~it was~~ dropped on account of certain difficulties pointed out by the D.P.S. H. H. (Edn) wanted that the question should be re-examined and it has been referred to the D.P.S. for remarks.

~~Grant is not~~
Teacher Manager's Hon. Secy. has presented a memorandum to D.P.S. dated 15/6/66 and this has been sent to D.P.S. for remarks.

The expenditure incurred by managements of educational institutions (other than elementary) aided under the Grant-in-aid Code on payment of dearness or war allowances to members of their staff at rates not exceeding those admissible to Govt. servant are now taken into account in assessing teaching grants payable to them under the provisions of the Code and only those institutions which worked at a deficit are eligible for the grant. It has been brought to the notice of Govt. by the South Indian Teachers Union that the managements of aided Secondary Schools really have not taken advantage of the concession and are not paying to the staff dearness or war allowances at Govt. rates as they are not in a position to meet their portion of the expenditure. It has been suggested that Govt. should undertake to meet

good the entire deficit + thereby force the managements
to pay dearness or war allowance at full govt rates
The matter is under separate consideration. The D.P.D.
has been asked to report the extra expenditure involved
in the grant of the Concession.
