It has been decided in consultation that if no regular candidate can be appointed to the post in time Mr. Siddique, Asst. Supt. with reference to D.S. remarks on page 4 ante, presumably D.S. refers to the letter from the S.S. P in the linked file for the annual examination of the State and Printing Spt. No D.O. has been received on the subject. The Board of Revenue has to be consulted regarding the annual examination of the State and Printing Spt and the financial and other implications have also to be examined. This may take time and cannot be finished by 1-11-1946. As Mr. Duncan has to be released on 1/11/46 for leave the arrangement proposed in para 2 of the letter on page 4 ante may be approved.

Copy of letter from the Secretary, Madras Public Service Commission, Madras, No. 710-H-1/47-5 to the Secretary to the Government of Madras, Education and Public Health Department, dated 15th October 1947.

Subject: War- War Service Personnel- Recruitment- Madras Stationery and Printing Service - Assistant Superintendent of Stationery and Stamps and Assistant Superintendent, Government Press.

I am to say that 41 candidates with war service for recruitment to the post of Assistant Superintendent of Stationery and Stamps and 25 candidates for recruitment to the post of Assistant Superintendent Government Press were subjected to the competitive examination in October 1946 and July-August 1947 and that none of them obtained qualifying marks at the examination for selection for appointment to either of the posts.
