SUBJECT.

Examinations - Teachers' Certificate in Physical Education for Men and Women - Remuneration to Examiners in First Aid. ②

10 APR 1946

R.C.No.29-c/46

Station, Madras, Dated the 7th April 1946.

19677

From (Name) Dr. S. R. U. Savoor, M.A., D.Sc., I.E.S.,
(Designation) Commissioner for Government Examinations

To

The Secretary to the Government of Madras,
Education and Public Health Department,
FORT ST. GEORGE.

Sir,

P4-8 (E)

(a)

1 I have the honour to state that Government in their order Nos. Ms. 21, dated the 5th January 1937 and 1103 Edn., dated 17th August 1943, approved the proposals of the Director of Public Instruction, Madras, regarding the reorganisation of the examination for the award of Teachers' certificates in Physical Education for Men and Women. Under this scheme, First Aid - Theory and Practice - is one of the subjects for the public examination.

2 The Adviser to Government on Physical Education, Madras, states that the pupils used to take the First Aid Test conducted by the St. John's Ambulance Association and candidates who used to fail in St. John's Ambulance Test were given a separate oral and practical test by the Y.M.C.A. College Doctor. But in 1944 these candidates (failed candidates) were required to take a written test also, as it was considered that the standard of achievement of the students was much below the standard. The candidates were, therefore, tested by two agencies, viz. (1) The St. John's Ambulance Association and (2) Y.M.C.A. College Doctor in respect of those who failed in St. John's Ambulance Association Test. In 1945, 35 candidates failed in the First Aid Examination conducted by the St. John's Ambulance Association and all of them had to be tested again by the Y.M.C.A. College Doctor according to the previous practice. It is, therefore, considered desirable to conduct a regular examination in First Aid, both Theoretical and Practical, from the examination of 1946 by one agency on the same lines of the examination conducted by the St. John's Ambulance Association, so as to maintain an uniform standard. Appearance at the test conducted by the St. John's Ambulance Association will be dispensed with in future.

A

3 The Adviser to Government on Physical Education recommends that the following remuneration may be given to the examiners for conducting the First Aid Examination:-

Z

Theory - Setting a question paper of 2 hours - Rs.30/- correcting answer papers - Re. 0-8-0 per paper.
Practical (Annas eight per candidate).

4 To maintain an uniform and suitable standard of the examination, I agree with the Adviser in instituting a separate common test in First Aid for all the candidates and payment of remuneration for setting and valuing the papers. Hitherto, no remuneration was paid for this test, as all the ~~majority of~~ candidates appeared for the St. John's Ambulance test.

Pl.1-2 of (J)
Pl.5-6 of of (J)

5 It was already stated in my letter R.C.No.504-c/44, dated 16th November 1944 disposed of in G.O. Ms. No.1853 Edn., dated 9th December 1944 that the examination can hardly be expected to be self supporting. But all the examinations under my control put together leave a large surplus.

I

~~Then Alice told her that because Alice~~ Lady clare

And said that ~~the~~ once the old Earl's daughter died at her breast, when she took her therefore in old Earl's bed instead of her own dead child she put Lady-clare her own daughter and the imaginary daughter of old Earl's. ~~I~~ She ~~cried a~~ wept as if her own

T. daughter died. That was the truth spoke by Alice.

Then Lady clare wanted to take her ornaments because she was the real daughter of a poor woman

Then she ~~said~~ asked her not to take those such things

Jai from her neck, and to keep the ~~sec~~ secret within her mind. But Lady clare disobeyed her request as he

9 wants to know how much faith there is in men. She dressed ~~then~~ in a reddish-brown gown and when her ~~neight~~ cousin came she told him ~~the~~ her real story. And said that ~~he~~ she wants to go by the valley side, and ~~to~~ wants to work in open heigh land. ~~For~~

But Lord Ronald who was really and truly Sh loving Lady clare, asked her to remain there ~~At~~ And asked ~~to~~ her if she was ~~the~~ a poor woman's daughter, ~~A~~ rich man named Lord Ronald ~~was~~ fallen in love with her and wants to marry her. Then did not that daughter do agree ~~wi~~ for the marriage. Then he said that he would marry her the next day morning

Memo. No. 19677-B1/46-1 Edn., d./- 2-7-1946.

2/7/46

The Commissioner for Govt.Examinations is requested to furnish a statement showing clearly

(1) the number of candidates (Men and Women) who appeared for the examination for the Teachers' Certificate in Physical Education conducted this year. 95 (58+37)

(2) the income derived from fees for admission to the examination Rs 858/-

(3) the expenditure incurred on payment of remuneration to Examiners for both theoretical and practical tests and the additional expenditure that will have to be incurred on payment of remuneration to the examiners for the First Aid test as proposed. Rs 1247/- 185/-

He is ~~xxx~~ also requested to report

(1) Whether the scale of remuneration should be ~~same for both the lower and higher~~ grade examinations and whether separate scales cannot be fixed.

(2) Whether the rate of remuneration cannot be reduced with reference to the rates recently fixed for VIII Standard Public Examination in G.O.No.533 Edn., dated 11.3.1946, and

(3) Whether the fee for admission to the Examination cannot be raised to cover the additional expenditure involved.

Examinations - Teachers' Certificate in Physical Education for Men and Women - Remuneration to examiner in First Aid.

R.O.C. No. 29-C/46.

5 - SEP 1946

Station: Madras. Dated 31st August 1946.

From
(Name) Dr. S.R.U. Savoor, M.A., D.Sc., I.E.S.,
(Designation) Commissioner for Government Examinations, Madras.

To

The Secretary to Government of Madras,
Education & Public Health Department,
Fort St. George, Madras.

5 1462

Sir,

P6 ante With reference to Government Memorandum No. 19677-B.1/46-1, Education, dated the 2nd July 1946, I have the honour to state that for the examination for the award of teachers' certificates in Physical education for men and women held in April 1946, 95 candidates, (58 men and 37 women) appeared. The fee income derived was Rs. 858. The expenditure incurred, by way of remuneration to the examiners for setting question papers and valuing answer papers of the theoretical and practical tests amounts to Rs. 1247/- while the additional expenditure that will have to be incurred on payment of remuneration to the examiners for the First Aid test as proposed will be Rs. 185/-.

P6 ante
PP8-12 infra
PP5-6 of (K)
PP5-6 of (J)

2. Regarding the particulars called for in items (1) to (3) of paragraph 2 of the Government Memorandum, I am to send you herewith a copy of the letter R.O.C. No. 355/46, dated 16th August 1946, from the Chief Inspector of Physical Education, Madras. I generally agree with what is stated in that letter and recommend that the proposals contained therein may be accepted by Government. The remuneration for setting the question papers and valuing the answer papers sanctioned for the VIII Standard Public Examination in G.O. No. 533 Education, dated 11th March 1946, cannot be made applicable to the Physical Education certificate examinations, as the latter is a technical or professional examination and the successful candidates are appointed as physical training instructors in Secondary schools and colleges. The minimum general educational qualification of candidates selected for physical training course is completed S.S.L. certificate and hence the rates of remuneration for the Secondary and Elementary grade T.S.L.C. examination, which were adopted for this examination in G.O. No. 1853, Education, dated 9th December 1944, may be continued.

P12 infra
PP1-2 ante

3. I also append a statement showing the financial implications of the physical education examinations, as at present, and as proposed by the Chief Inspector of Physical Education, Madras. The details are worked out with reference to the number of candidates for the 3 kinds of tests for 1946 examination. The difference in cost in conducting the examination as at present and as proposed is negligible, viz., Rs. 62/- only. As all the examinations under my control, put together, yield a considerable surplus to Government, the non-self-supporting nature of this examination may be over-looked, and the scheme for the future conduct of the examination may be approved, sanctioning at the same time the payment of remuneration to the examiners for the First Aid test as mentioned in my letter R.C. No. 29-C/46, dated 7th April 1946.

I have the honour to be,
Sir,
Your most obedient servant,

S.K. Ranganayakalu
3.9.46
for COMMISSIONER.

ND 2.9.46.

From
Dr.G.F.Andrews,M.A.,Ph.D(Col),
Chief Inspector of Physical Education,
Madras.

To
The Secretary to the
Commissioner for Government
Examinations, Madras.

Roc.No.355/46, dated 16-8-1946.

Sir,

Sub: Examinations - Teachers' Certificate in Physical Education for men and women.
Ref: Your Roc.No.29 C/46, dated 9-7-1946.

The Woman Specialist in Physical Education, the Principal, YMCA College of Physical Education and the Chief Inspector of Physical Education jointly discussed the subjects referred to in the Government Memorandum No.10077-B-1/46-1, dated 2.7-1946, as well as other points arising out of the subjects referred to by Government.

P. 6 ante

The following is the joint opinion of the Woman Specialist in Physical Education, the Principal, YMCA College of Physical Education and the Chief Inspector of Physical Education on the subject:--

Remind

PPS. 6 of Ⓙ

1. That the fee for the examination for the Lower Grade and Higher grade certificates remain the same as laid down in G.O.No.Ms.1853, Edn., dated 9-12-44 communicated in S.Rc.No.504 c/44 dated 16.12.1944 of the Secretary to the Commissioner for Government Examinations, namely Rs.6/- and Rs.10/- respectively, while the fee for admission to the examination for the Diploma in Physical Education (women) be enhanced to Rs.14/-.

(NOTE:-The present fee for the Diploma Examination is Rs.10/-)

2. That the rate and scale of remuneration for all the three examinations be the same as communicated in your Roc.No. 504 c/44 dated 16.12.1944 referred to above.

(NOTE:- The examinations for the Teachers' certificate in Physical Education for men and women are of a far higher standard than the VIII Standard Public Examination, the main difference being that the candidates for the VIII Standard examination have an educational qualification of III form or VIII standard, while those of the candidates for the Examination for the Teachers' Certificate in Physical Education are S.S.L.C. and above including University degrees, and the Physical Education examination candidates offer far more important and different subjects than the VIII standard candidates - (please see appendix I). The rate and scale of remuneration for the examination in Teachers' Certificate in Physical Education for men should therefore be higher. The present rate is the absolute minimum).

3. That the examination be by external examiners, internal examiners being used as long as the required type of external examiners are not available.

4. That the result of the examinations be based on the year's work of the candidate at the College and on the final Government examination in both theory and practical, the evaluation being as follows:-

(a) Year's work at the College ..	55%	Practical ..	40%
		Theory. ..	15%
(b) Final Government Examination....	45%	Practical ..	10%
		Theory.	35%
		Total.	100%

(NOTE:-Details of marks are given in Appendix II).

5. That a candidate be declared successful in the whole examination in III class on securing 40 to 50% of the aggregate marks of both (a) and (b) in 4 above, with the proviso that he or she secures a separate group minimum of 40% in the aggregate of the marks of both the College and Final Government Examination marks in the Practical and in the Theory subjects; in the II class on securing 50 to 60%; and in the I class on securing over ~~70% and above~~ 60%; distinction in a subject being for securing 70% and above; that those who secure less than 40% in the aggregate be declared having failed in the whole examination, and that there are no part passes or failures in either theory or practical.

6. That the subjects for the three examinations be as in Appendix I.

(signed) G.F.Andrews,
Chief Inspector of Physical Education.

(True Copy).

r.m./2-9-1946.

3-9.46

Examinations - Teacher's certificate in Physical Education for men and women - Remuneration to Examiners in First Aid.

C.No.19677/46 - From the Commissioner for Govt. Examinations, R.C.No.29-C/46 dated 7-4-1946.

vide p1 cf of (J)

Under the re-organised Physical Training Courses, Lower and Higher Grade Examinations for the award of teachers' certificates in physical training for men and women are held once in a year. The examinations are both theoretical and practical. From 1945, the fee for admission to the examination is levied at the rate of Rs.6/- for the lower grade and Rs.10/- for the higher grade from each candidate and remuneration is being paid to the examiners.

p1cf

2. First Aid - Theory and Practice - is one of the subjects for the public examination for the award of the Teachers' certificate in Physical Education. Hitherto, candidates were tested by two agencies, viz. (1) The St.John's Ambulance Association and (2) The Y.M.C.A. College Doctor in respect of those who failed in St.John's Ambulance Association Test. In order to maintain an uniform and suitable standard of the examination, it is proposed to dispense with the test conducted by the St.John Ambulance Association and to institute a separate common test in First Aid and to pay remuneration to the Examiners as shown below:--

Theory -	Setting a question paper of 2 hrs.	- Rs.30/-.
	Correcting answer papers	- Re.0-8-0 per paper
Practical -		- " 0-8-0 per candidate.

The expenditure on the payment of remuneration will be an additional item of expenditure in connection with the examination, as no remuneration was hitherto paid for conducting ~~the~~ this test.

3. The Commissioner for Govt.Examinations has not furnished a clear estimate of the additional expenditure involved in the proposal. The rate of remuneration proposed

The estimate (J) [illegible] extends and [illegible] covers the diploma Course also

for

for setting a question paper in theory and for correcting answer papers is rather high when compared with the rates recently fixed for VIII Standard Public Examination in G.O. No.533 Edn., dated 11.3.1946. Further, it is not clear ~~whxy~~ why the same rate should be allowed for the lower as well as for the higher grade examination. As the examination is already not self-supporting, it will seem necessary to ascertain clearly the financial implications involved in the proposal.

(Memo.No.19677-B1/46-1 Edn., dated 2-7-1946)
(From the Commissioner for Govt.Examinations, R.O.C.No. 29-C/46 dated 31--8--1946)

P6 c f
pp. 7-12 cf

The Commissioner for Govt.Examinations has furnished the information required in the Govt. memo. on p.6 c.f. He considers that the scale of remuneration should be the same for both lower and higher grade examinations and that the rate of remuneration proposed should not be reduced, as the minimum educational qualification of candidates selected for the Physical Training Course is higher ~~thakn~~ than ~~thatof~~ that of candidates appearing for the VIII standard public examination. He is not in favour of an enhancement of fees for admission to the examination so as to cover the additional expenditure involved. The extra expenditure on account of payment of remuneration to examiners for the First Aid test is estimated at Rs.185/- and the additional cost in conducting the examinations as proposed is Rs.62/-. As all the examinations under the control of the Commissioner yield a considerable surplus, ~~xxx~~ he requests

that the scheme for the future conduct of the examination may be approved and sanction may be accorded for the payment of remuneration to the examiners for the First Aid Tests as proposed in his letter dated 7.4.1946. In the circumstances stated, this department may support the proposal of the Commissioner. The file may now be sent to Finance for remarks.

Please see the reference from the Commissioner for Govt. Examinations on page 1 C.F.

para 2 at p1 cf

At present the candidates undergoing physical training are tested first in Safety Education including First Aid and the candidates failed in that test are again tested by the Y.M.C.A. College Doctor. ~~His~~ The Commr's proposal is to conduct in lieu of their double ~~t~~ test, a uniform examination in First Aid both theoretical and practical, by one agency on the same lines of the examination conducted by the St.John's Ambulance Association, so as to maintain a uniform standard. The extra cost involved as worked out on page 12 C.F. is Rs.62. p.a

para 2, p1 C.F

The Commissioner for Government Examinations has indicated the reasons for his proposal in para 2 of his reference on page1 C.F. - viz. the failure of 35 candidates in the St.John Ambulance test all of whom had to be tested again by the Y.M.C.A. doctor.

The Commissioner has not indicated how a change in the agency conducting the test can rectify the low standard in First Aid kno[illegible] The failure of the candidates could not be due to any defect in the test, but only due to the candidates not

4(B)/as2

possessing the requisite knowledgge in First Aid. The proper remedy for this would appear to be to improve the standard of instruction in this subject and not to change the agency conducting the examination.

In view however of the fact that the extra cost on account of the change over is only Rs.62 p.a, Finance need not perhaps object to the proposal. It is stated that the extra cost will be covered by the large surplus left by all the examinations under the control of the Commissioner for Government Examinations.

3.10.46.
3/10/46

The Commr. has originally proposed (a remuneration of) Annas 8/- per candidate for Practical Exam. in First Aid — plan (Sec [illegible] Z) on p. 1 C.F. He has however included a rate of Rs 12/- [illegible] in the Statt. on p. 12 C.F. in arriving at the extra cost of Rs 62/- on account of the proposals. There seems no reason for this increase. As the extra cost in such cases should be cut down as far as possible the existing rate of 8 as. per candidate may be adopted. (The extra cost will then be Rs 38/4/0) The proposal may otherwise be agreed to in Finance.

- - -

In paragraph 2 of this office letter R.O.C.No.29-c/46 dated 31st August 1946 it was specially stated that the Commissioner for Government Examinations, Madras, recommends to Government for sanction the proposals of the Chief Inspector of Physical Education, Madras, contained in his letter R.O.C.No.355/46 dated 16th August 1946. The enhancement from Rs.10/- to Rs.14/- of the examination fees for the Diploma was one of the proposals of the Chief Inspector. Again the statement of Revenue and Expenditure attached to this office letter R.O.C.No.29-C/46 dated 31st August 1946 has also been worked out on the basis of the enhanced rate.

P.7 of (+)
PP. 8-9 of (+)
Mark 8 of (C)

In these circumstances kindly let me know whether it is the intention of Government not to raise the rate of examination fees for the Diploma Examination. A very urgent reply is requested as arrangements have to be made ~~urgently~~ for the conduct of the ensuing Physical Training Examinations.

E+PH (G3)

Teacher's Certificate in Physical Education for Men and Women – Test in First Aid – Reorganisation.

P.C. ✓

C No. 12442/47 – From the Secretary to the C.G.E, TM by post dt 11.2.47.

The Secy to the C.G.E wants to know urgently whether it is the intention of Govt to raise the rate of examination fees for the Diploma Examination in Physical Training from Rs. 10/- to Rs. 14/- ~~from Rs. 10/-~~. In G.O. No MS. 2053 Edn dt 29.10.46, the Govt approved the scheme of reorganisation of the Examination in First Aid. While submitting the proposals ~~for the reorganisation~~ the CGE ~~had~~ did not specifically ask ~~set forth~~ in his letter Roc No. 29-C 46 dt 31.8.46 that the rate of examination fee for the Diploma examination should be raised from Rs. 10/- to Rs. 14/- but he ~~has merely~~ forwarded a copy of the letter from the Chief Inspector of Physical Edn. and stated that he generally agreed with the proposals contained therein & recommended them for acceptance. As this point was not ~~particularly~~ specifically raised by the CGE then, it was not considered by Govt. Now that he requires orders on the same, there appears to be no objection to raise the admission fee for the Diploma Examination from Rs. 10/- to 14/-. Subject to ~~approval~~ orders, a draft memo is [illegible] for approval.
