Teaching grants to Managements of aided elementary schools.

The following is an extract from the proceedings of the Cabinet Meeting held on 26-7-46 to consider the draft speech of the Hon'ble the Prime Minister on the revised budget for 1946-7:

xx
 "(b) In modification of the decision taken at the last Cabinet meeting it is decided that the Government grant on account of each teacher in the aided elementary schools shall be increased by Rs 2 per mensem from 1st August 1946. This will cost about Rs 7½ lakhs in the current year and Rs 13 lakhs in a full year. Funds have not been provided in the budget for this. H.M. Education undertakes to find the amount required by reappropriation as a result of economies under other heads within the Education grant."

2. The additional grant of Rs 2 per mensem per teacher in the aided primary schools constitutes a 'new service' and Education & Public Health Department will have to take steps in due course in the current year to obtain a token supplementary grant in respect of it, though the cost in the current year is to be met by reappropriation.

3. This may be sent to Education & Public Health

Department for necessary action.

K. Ramunni Nayar,
Senior Assistant Secretary to Govt.

To the Education & Public Health Department.

Forwarded/By order/

Superintendent.

Edu and P.H. Dept

Teaching grants to aided elementary schools
are now calculated at the following rates: -

	Rate per year		No. of teachers	Amount	Total
	Untrained teachers	Trained teachers			
Lower ely. grade teacher	60	[3446] 108	5	9	
Higher ely. grade teacher	108	[41819] 168	9	14	
Secondary grade teacher	144	[5076] 216	12	18	
Collegiate grade teacher	212	[109] 276	1720	23	

The decision at the cabinet meeting was

"that the Government grant on account of each teacher in the aided elementary schools shall be increased by Rs. 2/- per mensem from 1st August 1946".

In connection with the revision of salaries of teachers, H.M.(Edn.) has recorded the view that it would be sufficient if the pay of higher elementary and secondary grade trained teachers is increased. The estimate of cost given in the note on p 1 ante seems to have been worked out on the basis of teachers of all grades, both trained and untrained. Specific orders of H.M.(Edn.) may be taken as to (i) whether the increase of grant should be given only to higher elementary, secondary and collegiate trained teachers, or (ii) whether teachers of all grades including lower elementary grade, both trained and untrained, may be given the benefit of the increase in grant.

It may also be noted that teachers in Panchayat schools receive grants* from Provincial funds like teachers in aided elementary schools. There are 1840 teachers in Panchayat schools of the secondary and higher elementary grade. If the increase in pay is to be allowed to these teachers also the extra cost will be Rs. 44,000/- per annum.

The file may be sent to Finance Department for remarks before circulation.

Finance (EXP. B).

This Department may agree to specific orders of H.M.(Edn.) being taken by E.P.H. regarding A, B and C above. They may also circulate the case to H.P.M.

2. After orders are passed, E.P.H. may obtain an estimate of the additional expenditure involved in the proposals from the D.P.I. and then take steps in due course in the current year to obtain a token supplementary grant - cf. para 2 on p.1 above.

REF: G.O.No.MS.2061 Education dated 29-10-1945.

With reference to para 2 of the above G.O. I have the
honour to state that the additional expenditure involved consequent
on the increased rate for this year would be about Rs. one lakh over
and above the allotment for this year and it may not be possible to
meet this amount by reappropriation under "37 Education". Necessary
additional funds will be applied for while submitting the statement
of grants and expenditure for 1946-47.

Rate of grants - increased by Rs.2/-.
Ref. O.No.2061 Edn., dated 29-10-1946. @/5

The additional expenditure involved is Rs.29,476/-.
It is expected that there will be some savings from the
allotment placed at the disposal of the Inspector for the
year 1946-47 towards payment of teaching grant and dearness
allowance and the additional expenditure consequent on the
increase of teaching grant of Rs.2/- each per mensem for
panchayat school teachers can be met from the anticipated
savings. So no additional allotment is necessary on this
account.
