R.O.C. 2545/46-C3.

From

Registrar, High Court,

Home Department (with enclosures)

Dated 18th September 1946.

SUB: Clothing - warm - scavenger - Sub Court - Ootacamund -  
supply - recommended.

I forward for orders of Government a copy of the letter No. B 117/46 dated 25-6-1946 from the District Judge, Coimbatore on the subject cited above with the report of the Superintendent of Stationery No. B.5.2388/46 dated 6-9-1946. The Honourable the Judges strongly recommend the proposal of the District Judge. Their Lordships consider that the scavenger should be supplied with warm clothing and also an umbrella or in the alternative an overcoat. The scavenger has to go to the court house from his quarters for discharging his duties and in a place like Ootacamund which gets both the monsoons in full force an umbrella or an overcoat is necessary for the scavenger as, without either of them the warm clothing supplied to him would get soaked in rain.

Necessary provisions may therefore be made in the Stationery Manual for the periodical supply of warm clothing and umbrella to this scavenger.

District Judge, Coimbatore.

To

No. B. 117/46, dated 25th June 1946.

Sir,

Sub:- Warm clothing - Supply of - Scavenger, Sub Court, Ootacamund -  
Recommended.

All the peons stationed at Ootacamund including the masalachi are supplied with warm clothing by the Government. Each of them is supplied with a serge suit, an umbrella and a blanket, the prescribed periods of wear for them being 2½ years, 18 months and 2 years respectively. The only menial who is working in the Sub Court, Ootacamund and who is not supplied with any warm clothing is the scavenger. He is a full time Government servant and is paid Rs. 8/- from contingencies besides dearness allowance. He has recently been provided with Government quarters.

2. The Subordinate Judge, Ootacamund represents that it is impossible for any one in the cold climate of Ootacamund to go out without some sort of warm clothing and that it is extremely difficult for a low paid scavenger to

buy warm clothes as woollen goods are not only costly but are scarce and difficult to obtain. He urges that when all other inferior servants are supplied with warm clothing the scavenger who receives lesser pay than the rest should also be supplied with similar clothing along with the rest.

3. I accept the recommendation of the Subordinate Judge and request that the sanction of the Government may be obtained for the supply of one serge suit, one umbrella and one kambli to the scavenger working in the Sub Court, Ootacamund.

Sir,

Clothing - warm - Scavenger - sub Court, Ooty - supply - sanction.

REF: Your letter R.O.C.No.2545/46-C3 dated 3-9-46 communicating a copy of your letter dated 25-6-46 from the District Judge, Coimbatore with a copy of your endorsement dated 16-7-46.

There is no objection to the supply of a serge suit (coat and trousers) once in 1½ years and a cumby once in 2 years, being made to the scavenger by this Department. The supply of an umbrella is considered unnecessary to him as he is not expected to do out door work exposed to rain. Kindly address Government for sanction for the supply of the articles of warm clothing proposed by me. On receipt of orders serge suit made of either blue serge or khaki serge material whichever is available will be supplied.
