Sir,

SUB: Establishment - Elementary school - revision
of scale of pay- council's resolution.

REF:- Petitions of higher elementary grade teachers.

As per orders contained in G.O.No.5096 L & M dated 7-12-1933, the Municipal Council adopted the scales of pay fixed for teachers in the Madras Educational service for the teachers employed in the elementary schools under the control of the Municipality. In the year 1940, the Municipal Council in its resolution No. 707 dated 27-1-40 resolved to adopt the scale of pay recommended by the Director of Public Instruction subject to approval by Government. The Government in G.O.No. Ms. 1041 Edn., dated 7-6-1940 were pleased to permit the adoption of the Director's scale of pay for teachers employed after the date of the council's resolution ie., 27-1-1940. The teachers who were in service prior to 27-1-40 were allowed to continue in the Government scale of pay which they were drawing. As per the above orders, teachers of elementary schools who were entertained in service after 27-1-40 were being allowed only the lower scales of pay specified in G.O.No.5096 L & M dated 7-12-1933. Out of total number of 85 teachers employed in all the Municipal elementary schools, 55 teachers are on date drawing the higher scale of pay and 30 the lower scale of pay.

On the petitions dated 21-5-46 of such of those higher elementary grade teachers who are drawing the lower scale of pay of Rs.20-1/2-24-2/2-30 for allowing them the higher scale of pay, the Municipal Council in its resolution No. 166 dated 28-6-46 has resolved that these teachers may be allowed the scale of Rs.23-2/2-45 with the approval of the Government. If the higher scale of pay is adopted for higher elementary grade teachers, then in all fairness it has to be allowed for the lower elementary grade as well as Secondary grade teachers also employed in the Municipal elementary schools.

The additional cost that will have to be incurred during the current year on account of the adoption of the higher scales of pay will be Rs.750/- approximately. Even though no specific provision has been made in the budget estimate for 1946-47 this amount can be easily met from the savings of Rs.4800/-, consequent on the conversion of the Municipal Higher elementary school for girls, Pollachi into a Middle school for girls from 1-8-46 as permitted by the Director of Public Instruction in his proceedings No. 1067-G - 46 dated 11-7-46. I therefore request that sanction may kindly be accorded for adopting from 1-7-46 the higher scales of pay specified in G.O.No. 5096 L & M dated 7-12-1933 for all the teachers employed in the Municipal Elementary schools, Pollachi.

(adoption)

adapting the higher scale of pay for secondary grade teachers and lower elementary grade teachers

If necessary specific sanction of the council for adopting the higher scale of pay for secondary grade teachers and lower elementary grade teachers will be obtained and submitted.

A copy of the council's resolution on the subject is enclosed for favour of information.
