Cl. No. 54/46 dated 11-9-1946

Sir,

Madras Educational Service -- Post of Lecturer in
Natural science, Teachers' college, Saidapet -- Vacancy --
Filling of -- Proposal submitted.

Ref: Govt. E & P.H. Ednt. No. 14188 A-23 Education, dated
5.9.1946

With reference to the Endorsement cited above, Sri C.
Bhashyakarla Rao, Lecturer in Natural Science, Teachers'
college, Saidapet was relieved from his post on the afternoon
of 9.9.46 to enable him to embark for the U.K. from Bombay on
17th September 1946.

2. In regard to the filling of the resultant vacancy,
I have the honour to state that in my letter Cl.No.10/46 dated
4.4.46, I have recommended that Sri R.V.Narayanaswami, Assis-
tant Professor of Botany, Presidency College, Madras, may be
selected for promotion to the Botany Unit of the M.E.S. Sri
R.V. Narayanaswami has already officiated as Professor of

Botany in the Madras Educational Service under emergency provisions for about 5 months during 1942-43. The other candidate who can be considered suitable for appointment to the present vacancy is Mr. John P. Sundara Rao. In G.O. No. Ms. 1331 Education dated 1.9.1945 Mr. John P. Sundara Rao has been considered fit for appointment to the Zoology Unit of the M.E.S. He is also a candidate selected for advanced studies overseas during this year and he is awaiting passage facilities. Between Sri R.V. Narayanaswami and Mr. John P. Sundara Rao, the former is senior to the latter in the S.E.S. and is also a Tamilian. I have, therefore, the honour to request that the Government may be pleased to appoint Sri R.V. Narayanaswami to officiate as Lecturer in Natural Science Teachers' college, Saidapet, under rule 9 (a)(i) of the General Rules relating to the Madras Provincial & Subordinate Services, pending regularisation of the appointment in due course after the Government include his name in the list of officers considered suitable for appointment to the M.E.S. by transfer.

3. The personal files of the two officers are now with the Government.

I have the honour to be,
Sir,
Your most obedient servant,

R.CL. No. 54/46, Dated 21st September 1946.

Subject:- Madras Educational Service - Appointment to the
post of Lecturer in Natural Science, Teachers'
College, Saidapet.

Reference: Telephonic Message (By Post), dated 16th September 1946 from Government Education and Public Health Department.

I have the honour to answer the queries raised in the
above Telephonic Message as follows:-

(1) "Natural Science" may be treated as a separate Unit
in the Collegiate Section of the Madras Educational Service, as
distinguished from 'Botany', 'Zoology' and 'Geology' Units.

(2) There is no approved candidate at present for appointment
as Lecturer in Natural Science by transfer from the Madras
Educational Subordinate Service nor has any person been proposed
to be put on the approved list for this Unit. It is necessary
to have an Officer selected specifically for this unit for making
a regular appointment.

2. In this connection, I may state that among the Assistant
Lecturers in Botany, Zoology and Geology who are eligible
for recruitment to the post of Lecturer in Natural Science in
the Madras Educational Service by transfer, Sri R.V. Narayanaswami,
Assistant Professor of Botany, Presidency College, Madras, is the
senior-most. As already submitted in my Cl. No. 54/46, dated

11th September 1946 his name has been

1. Sri R.V. Narayanaswami:
Asst. Professor of Botany.
2. John P. Sundara Rao:
Asst. Lecturer in Zoology.
3. N. Venkatasubrahmanyam.
Asst. Lecturer in Botany.
4. K.C. Ramaswami Ayyar.
Asst. Lecturer in Zoology.
5. H. Enoch:
Asst. Lecturer in Zoology.
6. K.I. Verghese.
Asst. Lecturer in Zoology.
7. K.P. Kochukutta Menon.
Asst. Lecturer in Zoology.
8. K.S. Venkateswaran:
Asst. Lecturer in Botany.

recommended to be included in the
Approved List for promotion to the
'Botany' Unit of the Madras Educational Service. He possesses a
degree in teaching. I request that
he may be appointed to officiate as
Lecturer in Natural Science, Teachers'
College, Saidapet, in the first instance,
under emergency provisions. I also
recommend that his appointment as
Lecturer in Natural Science may be
regularised in consultation with the
Madras Public Service Commission,
by including his name in the Approved
List for appointment to the 'Natural
Science' Unit of the Madras Educational
Service in addition to the 'Botany' Unit.

3. I solicit the favour of early orders.

I have the honour to be, Sir,
Your most obedient servant,

D.O.

Office of the Director of Public Instruction,
Madras, Dated 30th Septr. 1946.

My dear Subrahmanyam,

Please see my Confidential letters R.Cl.No.54/46 dated 11th and 21st September 1946 recommending the appointment of Sri R.V. Marayanaswami as Officiating Lecturer in Natural Science in the Teachers' College, Saidapet.

I understand that the relationship between Sri M.S. Matesa Ayyar, Professor of Botany and Sri T.N. Venkatanathachari, Additional Professor of Botany in the Presidency College, has not been what it should be and of late the friction has become too serious to be ignored. I, therefore, propose to transfer Sri M.S. Matesa Ayyar, whose mother-tongue is Tamil, to the Teachers' College, Saidapet, and post Sri T.N. Venkatanathachari as Professor of Botany. The resultant vacancy in the post of Additional Professor of Botany, Presidency College, Madras may be filled by Government by the appointment of Sri R.V. Narayanaswami, whose name, I believe, the Public Service Commission would have selected.

selected for inclusion in the Approved List for
-appointment to the Botany Unit of the Madras Educa-
tional Service this year.

Yours sincerely,

(2) the subject in wh. he was offg.
as Lecturer in the Teachers' College, in 1942-3;

(3) if answer to (1) above is "Botany",
and that to (2) "Natural Science", how could that posi-
tion conform to the practice that 'Nat. Science', 'Botany',
'Geology' and 'Zoology' are treated as separate units

(4) if answer to (1) is 'Nat. Science', how was his 'shift' to the Botany unit (from the post of Lecturer, Teachers' College, to the post of Prof., Presy. College) ordered.

TELEPHONIC MESSAGE (BY POST) DATED 17-10-1946.

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education & Public Health Department,
Madras.

pp. 8-9 ante

REF:- Telephonic Message by post dated 7th October 1946 from the Assistant Secretary to Government, Education and Public Health Department to the Deputy Director of Public Instruction (Personnel).

The information required in the above Telephonic Message is submitted below seriatim:

(1) Sri M.S. Natesa Ayyar (Botany) was first appointed to officiate as Lecturer in Natural Science, Teachers' College, Saidapet in the Madras Educational Service under emergency provisions.--- Vide G.O. Ms. No. 1134 Edn., dated 10th August 1942. In G.O. No. Ms. 1812 Edn., dated 21st December 1942 he was deemed to have been regularly appointed to the post with effect from 17th August 1942 A.N. So, Sri M.S. Natesa Ayyar was originally selected for appointment to the 'Natural Science' Unit.

(2) Sri M.S. Natesa Ayyar officiated as Lecturer in Natural Science in the Teachers' College, Saidapet, during 1942-43.

Regarding

Regarding the 3rd and the 4th points raised in the Government Telephonic Message it may be stated that though Sri M.S. Natesa Ayyar was considered to have been selected for 'Natural Science' Unit, yet as his subject was 'Botany' and as he was suitable for appointment to any post in the 'Botany Unit' of the M.E.S. also, the late Sir Meverel Statham the then Director, ordered his transfer as Officiating Professor of Botany, Presidency College, Madras, when the vacancy in the post of Lecturer in Natural Science ceased on Sri C. Bashyakarla Rao's return from L.T. training. In view of Sri Natesa Ayyar's original selection to the Natural Science Unit of the M.E.S. there can be no objection for reposting him to that Unit now.

As the vacancy is expected to last for 2 years, i.e., till the permanent incumbent, Sri Bhashyakarla Rao, returns from U.K. after studies, it is necy. that a regular appt. is made. After that file is recd., the M.P.S.C. may be addressed, as a special case, on the question as to whether it agrees with the Dir.'s views about Sri Narayanaswami's suitability for regular appt. by transfer.

From the D.P.I., D.O.cl.54/46, dated 30-9-46.

The draft order overleaf, appd. in circn., has been withheld from issue since the D.P.I. has sent in the revised recommendations at pp.6-7 C.F. He proposes to transfer, under the powers vested in him, Sri M.S.Natesa Ayyar (the present Prof. of Botany, Presy. College) as Lecturer in Nat.Science, Teachers' College, Saidapet, and post Sri T.N.Venkatanathachari, Addl.Prof. of Botany, Presy. College, as Prof. He therefore recommends that Govt. may promote Sri R.V.^{Narayanaswami} as Addl.Prof of Botany in the Presy.College, itself, temporarily.

The proposal in this file is to fill up the vacancy in the post of Natural Science, in the M.E.S., in the Teachers' College, Saidapet, which has ~~resulted~~ consequent on the deputation of Sri C.Bhashyakarla Rao for overseas studies. A person who is qualified either in Botany, Zoology or Geology can be apptd. to this vacancy. The names of the follg. persons are to be considered:

- (1) Sri R.V.Narayanaswami Ayyar, Asst.Prof. of Botany.
B.A.(Hons.)-Bot.Main and Geology Subs.-II Class;
L.T.
- (2) Sri John P.Sundara Rao, Asst.Lecturer in ^{Zoology} Biology
B.A.(Hons.)-Zoology Main and Bot.Subs.-III Class.
M.Sc.

Though Sri Narayanaswami Ayyar is senior in the establishment list, his name has not been included in the approved list of candidates for promotion to the M.E.S. The D.P.I. and the M.P.S.C. have recommended his name for inclusion in the list for appt. to the Botany unit and the file is now in circn. But Sri John Sundara Rao's name is already in the appd. list for appt. as Prof. of Zoology, having been included in it in 1945. ~~XXXXXXXXXXXXXXXXXXXX~~ It has therefore to be considered that Sri Sundara Rao is senior to Sri Narayanaswami Ayyar for purposes of promotion to the M.E.S. in a unit which can be filled in either by a person qualified in Botany or ~~one in~~ Zoology or ~~one in~~ Geology. But his appt. was not ^{originally} recommended by the Dir. and ~~was not approved~~ ^{considered} by Govt. apparently for the following reasons:

- (1) That he was a candidate selected for advanced studies overseas during the ~~last~~ ^{current} year and that he is awaiting passage facilities;
- (2) that his language ~~was~~ Telugu, whereas a candidate with Tamil as his mother-tongue has to be posted to the Teachers' College where the medium of instruction is Tamil.

¹²
Now ^{the} Dir. proposes to transfer Sri M.S.Natesa Ayyar, Prof. of Botany, as Lecturer in Nat.Science. It has to be considered whether the original recommendations of the Dir. which should not now be reviewed. If it is considered that Sri Sundara Rao is senior for purposes of promotion to the M.E.S. to Sri Narayanaswami Ayyar, w.r.t. "A" on previous page, the point for consideration is whether any of the Profs. in the Zoology Unit of the Presy.College shd. not be transferred as Lecturer to the Teachers' College and Sri Sundara Rao promoted in his place. There are in the Presy. College the following Professors in Zoology ~~and then~~ ^{noted time is Tamil.}

- (1) Dr.S.G.Manavalaramunajam, Prof. (Tamil)
- (2) Sri M.Varada Ayyar, Addl.Prof. -do-

No.(2), Sri Varada Ayyar, is a permanent Asst.Lecturer in Nat.Science, Govt. Victoria College, Palghat, and is offg. as Addl.Prof. of Zoology in the Presy.College ~~He is~~ ^{previously} been offg. as Lecturer in Nat.Science in the Teachers' College ~~during 1941~~. Since the appt. of Sri Varada Ayyar to the M.E.S. Zoology unit, no other promotion to that unit has been made whereas the Botany unit has ^{direct} been strengthened by the recruitment of ~~xxxx~~ two candidates, Sri T.N.Venkatanathachari and Sri C.Bhashyakarla Rao.

(1)
In the circs., it is for orders/whether the Dir. may be asked to transfer Sri M.Varada Ayyar to the Teachers' College/and/whether ^{may} the consequential vacancy/be filled by the appt. of Sri John P.Sundara Rao, A candidate in the approved list for appt. to the Zoology Unit, or (2) whether the Dir.'s recommendation may be accepted.

The personal file of Sri John Sundara Rao is kept below.

25.X.46

'A' on p 2 anti.

Seniority of a ~~particular~~ person in a particular service (or category) does not depend on the inclusion of his name in the approved list for appt. to a higher service. It is decided with refce. to the date of his first appt. to that service (or category). According to this criterion, Sri Narayanaswami is senior to Sri John Sundara Rao in the category of Asst.Profs. and Asst.

Lecturers; Sri Narayanaswami's name has also been recommended both by the inclusion in the appd. list for D.P.I. and the M.P.S.C. for/appt. to the Botany unit and this recommendation has been proposed to be accepted; formal orders have not yet issued since the file is in circn. to H.E.

2. The vacancy now in question is in the Natural Science Unit. ^{now} The D.P.I. proposes to 'shift' it to the Botany Unit for administrative reasons. Sri Narayanaswami is qualified for appt. to the Botany Unit. The suggestion at "P" on p.3 ante would not solve the administrative difficulty pointed out in the Dir.'s D.O. at C.F.6. Further, Sri M.S.Natesa Ayyar, now Prof. of Botany, was originally selected for appt. to the Natural Science unit and his transfer back to that unit is desirable. Even if the Dir.'s proposal to 'shift' the vacancy is not conceded, and if the vacancy is ^{to be filled as it is - i.e.,} ~~allowed~~ deemed to have occurred in the 'Nat. Science' unit, it would be Sri Narayanaswami's turn ^{among those} ~~for/appt.~~ ^{empty.} for/appt., for he is the seniormost Asst.Lecturer/qualified in Botany, Zoology and Geology ^{units} as a whole. In view of these, the Dir.'s recommendation to appoint Sri Narayanaswami as Addl.Prof. of Botany, Presy.College, may be accepted.

3. If, however, "P" is to be done, the Dir. should first be consulted.
