From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education & Public Health Department, Madras.

Sir,

Sub: Children of Govt. Servants who die while in service - applicability of fee concessions allowed in G.O.No.845, Education, dated 8-5-30.
Ref: G.O.No.845, Education, dated 8-5-30.

In their order quoted above Government allowed certain concessions in the matter of the levy of term fees from the children of Govt. servants transferred on public grounds from one station to another in the middle of a school term. As the orders stand at present the concession is not applicable to children of Govt. Servants who die while in service and who have consequently to change their school in the middle of a term.

2. I recommend that the concessions allowed in G.O.No. 845, Education, dated 8-5-30 may be made applicable to children of Govt. servants who die while in service. I may point out in this connection that members of the family of a Government servant who dies while in service are allowed to claim travelling allowance for journey to their home or to any other place where they may wish to reside either from the deceased Govt. Servants headquarters or from the place of his death (vide Rule 100-A, Part II of the Manual of Special Pay and Allowances). On the same analogy the concession allowed in G.O.No.845, Education, dated 8-5-30 to children of Government servants transferred on public grounds may be extended to children of Government Servants who die while in service.

Note: The recommendation of the D.P.I.
may be accepted. As cases in which the concession will have to be
applied will be few it does not appear to be necessary
to make any separate provision for any additional

grant that may have to be paid to aided secondary
schools towards net cost in view of the new concession.
The draft order may be sent to L.A. & Fin for
