It has been brought to the notice of the Government that certain teachers in Board Elementary Schools in the Madura District were punished for having closed the schools on 9-9-1942 in contravention of the orders of the Special Officer that they should be kept open on that day and for participating in subversive activities connected with the August 1942 movement. The Government have perused the records of the case of these teachers and consider that the orders of punishment should be cancelled.

Dr. Board Madras 8.3.46 Edu. P.H. Dept. 62

The current file is a petition from a
teacher, S. Alagarajan under the Dr. Bd. Madras.

It is observed that the teacher was punished with
stoppage of increment for one year for having
closed the Bd. School on 9-9-1942 in pursuance

of the circular from the P.D.B. as a protest against
the action of the British Govt. in having arrested
Mahatma Gandhi in August '42. The Dr. Bd. was

superseceded on 9-9-42 and the collector issued
immediate instructions to the effect that no Bd
School shd. remain closed according to the

P.D.B.'s Circular. The teacher says that the collector's
instructions were recd. on 10-9-42 the day
next to that on which the school was closed. yet
the teacher says that he was punished by the
Special Officer (Collector).

2. The teacher now requests that the
order of the Special Officer shd. be set aside. It
is not known whether there is any other teacher under
who was similarly punished but has not chosen
to make a representation to the Govt.

3. For orders whether any action shd
be taken on this representation.

The matter may be reopened. Orders
may be issued to set aside the order of the

may also be issued. To give relief to
those who may not have appealed.

2. With reference to Secretary's observations in the margin on
page 1 ante against para 1, it is seen from the letter of the Deputy
Inspector of Schools that the Collector's orders regarding the keeping
of the Board Schools open on 9-9-42 were communicated to the head-
master by 10 A.M. on the 9th itself instead of on the 10th as reported
by the teacher.
3. The question for consideration is whether the orders of the
