Recruitment of I.A.F. pilots through Indian Air Training Corps.

Dear Brown,

Will you please refer to this Department letters No. 4454-O/W.4(b), of 20th December 1944 and No. 01651/7/ORG/AF, of 13th December 1944?

G.O. 2229 17-11-43
Remanded Public

2. As you are already aware the situation in respect of the recruitment of pilots to the Indian Air Force is serious. One of the measures taken by the Government of India to restore the situation is the extension of the I.A.T.C. scheme to all universities throughout India and action is now in hand to implement this decision. It has, however, been represented that it is desirable that each I.A.T.C. should have accommodation for its instructional aircraft, aero engines and equipment together with suitable lecture rooms, an office and a common room. In short, that it should have a home of its own. The Government of India are in sympathy with this desire and are prepared to give every help and encouragement in its fulfilment. They, however, appreciate that the problem of providing suitable accommodation will differ at each university. They also consider that it is important that the development of each I.A.T.C. should be backed by local enthusiasm and emphasis laid on the principle of self help.

They are, therefore, prepared to consider each case on its merits and, where contributions from university or other local sources prove that there is a real desire to provide the I.A.T.C. with the essential accommodations mentioned above, to make a grant-in-aid from the Defence Services Estimates of up to Rs. 10,000/-. This amount may in exceptional cases, be exceeded.

X

3. I am to say that the Government of India would be grateful if the Provincial Government and its local officers would give all possible assistance in the development of I.A.T.Cs, and also assist in the provision of suitable accommodation for them by contributions from any appropriate local sources. There is no objection to the communication to the University authorities of the fact that the Government of India will be prepared to afford assistance in the provision of funds for essential accommodation but the grant of such assistance would depend upon the degree of self help indicated in the application to the Government of India for a grant-in-aid.

A

Yours sincerely,

(C.M. Trivedi)

D. O. No. 8022 C4 dated 13.3.45 3

Dear Sir Lakshmanaswami Mudaliar,
Dear Mr. Ruthnaswami,
Dear Sir Ramalinga,

I.A.T.C. units at Universities.

With a view to securing the much-needed improvement in respect of the recruitment and training of pilots to the Indian Air Force, I.A.T.C. schemes are in operation in all the Indian Universities. The Govt. of India consider it desirable that each I.A.T.C. should have accommodation for its instructional aircraft, aero-engines and equipment together with suitable lecture rooms, an office room and a common room - that, in short, it should have a home of its own. While the Govt. of India are prepared to give every help and encouragement in the fulfilment of this objective, they also consider it important that the development of each I.A.T.C. should be backed by local enthusiasm and emphasis laid on the principle of self-help. I am ~~(accordingly) directed~~ to ask what additional help in the various directions will be required to secure the object in view beyond what the University itself and local resources have provided or can provide.

Yours sincerely,

6·3·45

Dewan Bahadur Dr.
Sir A.Lakshmanaswami Mudr.,

EDUCATION AND PUBLIC HEALTH DEPT.

19th March 1945.

Dear Mr.Subramaniam,

I am in receipt of your D.O.No.8[illegible]-C-1 dated the 13th March 1945. I regret I could not [illegible] your letter earlier, as I was away at Delhi.

I have looked into the matter carefully, and I have had another talk with F/Lt. Sastri, the Officer in charge of the I.A.T.C. The position at present is that the University has placed all the necessary accommodation demanded by the Air Force Officer at the disposal of the training class, namely suitable lecture rooms, office room, common room etc. The only other thing about which there has been some delay is with regard to accommodation for the aircraft, aero-engines and equipment. This subject was discussed with a representative of the Air Force on more than one occasion, namely Squadron Leader Whitehead. The University has promised to place at the disposal of the Air Force a plot of ground in the same compound and has requested the Air Force authorities to erect the necessary shed for locating the Aircraft, aero-engines and equipment. I am sorry it will not be possible for the University to defray the expenses needed for the erection of such a shed. I was assured that this matter would be taken up by the Air Force people. I would therefore request that the additional help required, namely the erection of a suitable shed for the accommodation of the aircraft, aero-engines and equipment, may be taken up in consultation with the Air Force Headquarters.

Yours sincerely,

A L Mudaliar

Dear Sir,

In reply to your D.O. No. 8022-C-1 dated 13th March, 1945 I have to say that in view of the requirements of the Government of India this University may be given a capital grant for the provision of an air field, 2 lecture rooms, one common room, one office room - a home of its own - as the Government of India puts it. A capital grant of Rupees One lakh would serve the purpose.

2. Your D.O. reminder No. 8022-C-1 dated 21-5-45 addressed to the Vice-Chancellor. p 16 ante

----

With reference to the correspondence mentioned above addressed to the Vice-Chancellor on the subject of I.A.T.C., I have the honour by direction to inform you that the I.A.T.C., Andhra University, Guntur was started on the 1st May 1945 in two buildings - The Non-Gazetted Officers Association Building and the Old Sub-Jail, placed by the Revenue Department at the disposal of the University. These two buildings accommodate the Office of the Officer-in-charge and the two Aero-Engines while the class rooms are provided in the University Colleges for the present, as they are closed for the Summer Vacation.

2. Accommodation is still necessary for housing the Hurricane Air craft which is proposed to be lent to us by the Air Headquarters and no suitable accommodation for this is available. The University therefore requests the Government to construct a building for us to accommodate the Air Craft, the Officer-in-charge, the two Aero-Engines, classes etc.

3. In this connection, the University represents that there is a prospect of the University returning to Waltair by July 1946 if not earlier, and that it would be a matter of considerable expense to provide the building for the I.A.T.C. of the Andhra University at Guntur. The University therefore feels it necessary to approach the Government with a request to provide the necessary funds and construct the building ~~necessary~~ for the accommodation of the I.A.T.C. of the Andhra University at Waltair in the University Campus. If the Government kindly undertakes the construction now, the building would be ready by the time the University returns to Waltair in July 1946 or even earlier.

4. If the above proposal is agreeable to the Government, the University will take immediate steps to place the necessary ground space in the University campus at Waltair at the disposal of the Government to proceed with the construction of the building to accommodate the Officer-in-Charge, the Aero-Engines, the Air Craft, the classes etc.

5. The favour of an early reply is solicited.

S. Bhagavantam
In-charge Registrar.

p. Board

With reference to correspondence ending with your letter No. 8022-C/45-11-Edn. dated the 6th October 1945, I have the honour to forward an application to Air Headquarters for the grant of financial assistance to the extent of Rs.20,000/- for the construction of suitable accommodation for the Indian Air Training Corps attached to this University, and also to request the Local Government to be so good as to meet the extra cost involved in its construction.

In forwarding this application, I have to mention that this University was one among the few Universities originally selected by the Government of India for starting the Indian Air Training Corps to attract the better type of University students into the Indian Air Force, and though the Hostilities have ceased, it is the hope of the University that the Indian Air Training Corps will be one of the permanent features of this University on much the same lines as the University Officers Training Corps. But unlike the U.O.T.C., which is distributed among the various Colleges, the Indian Air Training Corps has to be centralised as the type of training and nature of instruction varies considerably, and a large part of the instruction relates to aero-engines, their mechanism, theory of flight etc. Suitable permanent Head-quarters are therefore essential for the Indian Air Training Corps.

The Indian Air Training Corps was first started in August 1943, some temporary accommodation being provided in the Engineering College; and was later shifted to the University Buildings where by rearrangement of the accommodation of the Research departments, temporary accommodation has been provided in the University Buildings on the Marina. But it must be pointed out that this accommodation is only a temporary measure, as the type of accommodation required for the aero-engines, airframes, etc., is entirely different from the lecture hall or class-room accommodation needed for other departments. So on the suggestion of the Air Headquarters that the Government of India would afford financial assistance in providing accommodation for the Indian Air Training Corps, the University got into touch with the Chief Engineer, P.W.D., Buildings and Defence and the Consulting Architect to Government, who have now drawn up plans and a rough estimate of cost for the proposed hangar. The plans enclosed are an improvement on the rough accommodation suggested by the Government of India, and have met with the approval of the Officer-in-Charge of the Indian Air Training Corps, of this University, and the representative of the Air Headquarters who was also present during the course of the discussion about the plans. But it will be noticed from the rough estimate attached that the cost of the hangar, comes roughly to about Rs.37,000/- based on sq.foot calculation. It is not possible to reduce the accommodation needed in any manner to bring down the cost.

placed below

P.T.O.

I have therefore to request that the Local Government may be pleased to recommend the request of the University for a grant of Rs.20,000/- from the Central Government towards the cost of its construction, and also to make a grant of the balance of amount required from Provincial funds. The University, with its existing commitments, will unlikely be able to find any money out of its funds for this construction. The favour of very early orders is requested.

I have the honour to be,
Sir,
Your most obedient servant,

W. McQ
REGISTRAR.

tas/13.10. Letter Ref. No
amt

To
The Secretary to the Govt. of India.
War Department, New Delhi. (with enclosures)

Sir,

Subject: Recruitment of I.A.F. pilots thro' I.A.T.C.
Reference correspondence resting with Mr. Kidwai D.O. letter to Mr. Trivedi, No 8022C/45-4 Edn of 22.4.45.

I am directed to forward the application of the Registrar, Madras University, for a grant-in-aid, from the Defence Services Estimates, of ~~a sum of~~ Rs. 20,000, for the provision of suitable accommodation for the I.A.T.C. attached to the University. According to a rough estimate based on square foot calculation, the total cost of the scheme comes to Rs. 37,000/- and it has not been possible to reduce the accommodation provided, in any manner, to bring down the cost. This Govt. are already paying large grants to the University for various purposes and are prepared to bear a portion of the cost, not exceeding Rs. 17,000/-. I am to request that the application of the University for a grant-in-aid of Rs. 20,000/- may be favourably considered and the grant sanctioned as a special case.

2. The applications of the Annamalai and Andhra Universities for grants-in-aid, will be forwarded, on their receipt.

Copy of letter No.R.42900 dated 18th October 1945 from the Registrar, University of Madras to the Air Commodore, Air Officer Commanding, India Command, Air Headquarters, India thro' the Secretary to Govt. Education and P.H. Dept.

...

Madras University I.A.T.C. - Accommodation.

With reference to the correspondence ending with your letter Ref.No.AHQ(I)/06043/5/PET dated the 29th May 1945, and your representative's conversation with me early in August about the proposed accommodation for the IATC and the draft tracings prepared for the purpose, I have the honour to forward herewith a copy each of the blue print-drawings C.A.Nos.256 and 382/45 together with an estimate of probable cost for the proposed hangar amounting to Rs.37,000/-

In this connection, I have to point out that the accommodation proposed for the I.A.T.C. is definitely an improvement on the accommodation suggested in your stencil sketch, and cannot be said in any way to be excessive for the numbers that are now being taken for training under the I.A.T.C. scheme. It was felt that the minimum accommodation for the I.A.T.C. should conform to the requirements set out in the blue print plans enclosed, and this has met with the approval both of the Officer-in-charge of the I.A.T.C. in this University and your representative who was present here when the plans were discussed. As the I.A.T.C. is expected to be a permanent feature of University life, the accommodation to be provided should be such as would meet the essential requirements of the Corps.

It will be noticed from the estimate that the cost is likely to be in the neighbourhood of about Rs.37,000/- while in the letter of the Government of India, War Department, dated 19th Februrary 1945 addressed to the Chief Secretaries to Provincial Governments a copy of which was furnished with your letter of May 3rd, 1945, the promise has been made of financial assistance from the Defence Services Estimate upto Rs.10,000/-. It was explained to Air Headquarters representative that it would be impossible to proceed with a scheme of construction like this with such a small grant as Rs.10,000/-, and that the cost is likely to be between 3 to 4 times the grant, but he suggested our going ahead with the preparation of blue print plans and estimates, and that the University might apply for an enhancement of the grant and also approach the local Government.

Accordingly, I have now to approach the Central Government for a grant of not less than Rs.20,000/- towards the construction. I may state also that an application for the grant of the balance of expenditure in the construction of hangar has been made to the Local Government, and unless both the grants are forthcoming, it will not be possible to find funds from the University for this construction with its various other commitments.

The favour of very early orders are requested.

...

p 9 cf

I am directed to forward an application from the Regr. University of Madras, for a grant of Rs.20,000/- from the Defence Services Estimates for providing accommodation for the I.A.T.C. attached to the University. The work is estimated to cost about Rs.37,000/- The Registrar says that the University is not in a position to meet any portion of the cost from its own funds and has applied to this Government for a grant of Rs.17,000/- to meet the balance of the cost. In Mr. Trivedi's D.O.No.2111.W.4(b), dated 19-2-45, it was stated that a grant up to Rs.10,000/- would be sancd.,

P65 ante

Sir,

orgl letter on pp 45-46 cf

I am directed to refer to the correspondence resting with your letter No. 8033-B-1/46-12-Edn., dated the 11th April 1946, and to say that all the Universities / Colleges to whom the grants have so far been made, have taken a fair share of expenses in their I.A.T.C. units and some have also raised the funds locally to meet their requirements. The inability of Madras University in making any contribution is, therefore, not very encouraging.

2. In order, however, to help the University authorities to meet the cost of the buildings which is estimated at Rs. 37,000/-, the Government of India are prepared to consider a grant of Rs.15,000/-, as a special case, on the condition that a portion of the cost amounting at least to Rs. 5,000/- is met by the University or a further contribution in addition to the aid of Rs. 17,000/- already promised is made by the Provincial Government.

I am, Sir,
Your most obedient servant,

Patwardhan

(P.N.PATWARDHAN) Sqr/Ldr.,
Under Secretary to the Government of India.

p67 ante

I have the honour to inform you that the Syndicate considered the copy of letter from the Government of India (forwarded by you) stating that they are prepared to make a grant of Rs.15,000/- "on condition that a portion of the cost amounting to at least Rs.5,000/- is met by the University or a further contribution in addition to the aid of Rs.17,000/- already promised is made by the Provincial Government", and resolved that it be a recommendation to the Senate that a sum of Rs.5,000/- be contributed from the University Funds towards the cost of construction. It is presumed that the Senate will sanction the expenditure.

I have the honour, therefore, to request you to be so good as to address the Government of India to sanction their share of the grant (viz., Rs.15,000/-) for the purpose. It is noted that the Local Government has promised a grant of Rs.17,000/- for the purpose. I am to request that the grant of Rs.17,000/- promised by the Local Government may also be sanctioned, so as to enable the University to proceed with the construction of the Hangar for the I.A.T.C., for which the University, as stated above, is setting apart a sum of Rs.5,000/- from out of its own funds.

C. No. 45937. From the Regr, Andhra University No: C-2-5596/45-8 11.10.45 | p 35 cf

C. No. 46468. ~~From~~ the Regr, University of Madras No: A. 4289 & 13.10.45 | p 37 cf 28559

The Regr, Madras University, has subd a blue print plan and an estimate of cost of providing accommodation for the I.A.T.C. The estimated cost of the work comes to Rs 37,000/-. The Regr has subd an application to the Air Headquarters for a grant of Rs 20,000/- and requests that the application may be forwarded with this Govt's recommendation. The Regr ~~also requests~~ says that the University is not able to find any money out of its funds for the work & requests that the balance of the amount required ~~for~~ ~~[illegible]~~ viz Rs 17,000/- may be contributed by this Govt. | p 39 cf | p 41 cf | p 38 cf

x place below

2. Attention is invited to the D.O. from the Govt. of India on page 1 ~~ante~~ cf. ~~The~~ Govt. of India have stated that they will be prepared to sanction grants ~~exceeding~~ Rs 10,000 in exceptional cases. If this Govt. agree~~s~~ to ~~[illegible]~~ pay any contribution to the Madras University for the purpose ~~[illegible]~~ similar contribution will have to be paid to the Andhra ~~[illegible]~~ and Annamalai Universities. The latter has already stated that it requires a grant of Rs 1 lakh for the purpose. Perhaps the Madras University's application may be forwarded to the Govt of India with the remark that this Govt. are already paying large grants to the Madras University for various purposes and that the balance amount required for the present purpose viz Rs 37,000 ~~[illegible]~~ may be paid as grant-in-aid from the Defence Services Estimates. For orders. Public (War) and Finance may see for remarks.

p 1 cf

X

19/10/45

20/10/45

The element of 'self help' emphasised at p. 1 cf. is absent in the proposal as far as the Univ. is concerned. The G. of I. may have to stretch a point (besides the limit of 10,000) in giving a grant of Rs. 20,000. If the Prov. Govt. also refuse a grant the chances of the proposal going through become more slender. What also can be reckoned as one of the 'local sources' relied on for 'self-help' ~~[illegible]~~ referred to at p. 1 cf. I therefore consider that we may offer to give a grant of Rs. 17000/-. This will imply that similar help will have to be given, similarly, to the other Universities also if & when they apply.

Finance (Accts.A)

With reference to the Government of India's letter on page 1 c.f. the Registrars of the three Universities in this Province were required to state what additional help will be required to provide the necessary accommodation for the Indian Air Training Corps.

x Madras
Annamalai &
Andhra.

∞ pp 3-4 C F

The Registrar, Madras University, states that the estimated cost of the works comes to Rs.37,000. - For details vide page 39 c.f.

pp 37-39 CF

The Annamalai University has intimated that a sum of Rs.1 lakh will be required. Details of the estimate have been called for. The Andhra University has not sent a final reply as yet.

p 7 C F
p. 9 C F
pp 25-26 CF

(1) The Registrar, Madras University, requests that: ~~his~~ (1) his application to the Air Headquarters of the Central Government for a grant of Rs.20,000 may be forwarded with this Government's recommendation, and

✓ P 38 CF +
x pp 41-42 CF

(2) The balance of Rs.17,000 may be paid from Provincial Funds as the University is not able to find any money out of its funds for the work.

The E.& P.H. Secretary supports the proposals.

p 5 above

Item (1) above.

In their letter on page 1 c.f, the Government of India have stated that it is important that the development of each Indian Air Training Corps should be backed by local enthusiasm and emphasis laid on the principle of self help and that they would be prepared to make a grant from the Defence Service Estimates ~~of~~ up to Rs.10,000, the amount being exceeded in exceptional cases.

~~It does not seem that the principles of local enthusiasm~~ ~~for~~ ~~and~~ ~~self help have been fully explored by the University. It is unlikely that Government of India will agree to a grant of Rs.20,000?~~ This is a matter for the Government of India. This Department may agree to the application being forwarded with this Government's recommendation ~~- see~~ below.

Item (2) page 6 above.

p 1 C.F.

From the letter in the c.f. it does not seem that the Government of India contemplate that a grant should also be given from the Provincial Funds. They have only stated that the local Government and its officers should give all possible assistance in the development of Indian Air Training Corps and also assist in the provision of suitable accommodation for them by contributions from any appropriate local sources. As observed by E & P.H., the Provincial Government are already paying large grants to the Universities for various purposes and ~~that~~ there does not seem to be any need to incur ~~any~~ additional liability in this regard. If a grant is agreed to in the case of the Madras University, it may commit Government to give similar grants to the other two Universities also.

x p 5 above

According to the 7th schedule to the Government of India Act 1935, "Aircraft and Air Navigation", the provision of aerodromes regulation and organisation of air traffic and of aerodromes is a federal subject and the expenditure on the development of Indian Air Training Corps would seem to be a legitimate expenditure to be borne by the Central Government. Even when Indian Air Training Corps were originally formed, the expenditure was wholly met out of Defence Service Estimates. In the circumstances it would seem that this Government may, when forwarding the application to the Air Headquarters, ~~the Govt of India~~ recommend ~~to~~ that the entire expenditure (viz. Rs.37,000) required by the University may be granted as grant-in-aid from the Defence Service Estimates. For orders.

Item 2 on p.301 of the Act (Not put up) Book No.1.

p. 1 of G.o.al (J)

cf p 39 C F

If, however, it is decided to sanction a grant from Provl revenues, the 'new service' procedure should be followed.

4.1.46

5/1/46

Letter No 8022 C/45-19 Edn d 5.1.46 — p60 c.f.

C No 6568/46. From the Registrar, Annamalai University No 8462 dated 1.2.46 — p62 c.f.

From the Govt of India War Dept (Regr. no 1195 W4(b)) No. 1079/16/Org 1/A.F. dated 29.1.46 — p63 c.f.

The Registrar Annamalai University has submitted plans & estimates for Rs 59,000 towards the I.A.T.C buildings & He states that the University is not in a position to make any contribution towards this object in view of its slender resources. If the scheme is to be proceeded with, it will be necessary to make a grant from Provincial funds towards the cost of the scheme as in the case of the Madras University, ~~over and above~~ what the Govt. of India may sanction. — p62 c.f. (S)

2. Attention is solicited to the letter from the Govt of India, War Dept (Air Branch) on p63 c.f. wherein they have stated that in view of the cessation of hostilities, the future of the I.A.T.C is under consideration and a further communication regarding the provision of accommodation at Madras University will be made as soon as possible. A ~~The question of making a grant towards the construction of an I.A.T.C. building at Annamalai University may be considered after~~ Pending the receipt of the further communication from the Govt of India referred to at A above ~~is received~~ it is not necessary to forward the Univ. appln. to India or to consider the

8.3.46

11

(50)

question of a grant to the Annamalai University.

7/3/46 S

I think it better that the G of I should be made aware meanwhile of this further proposal also (please see last para in p. 46 cf too). I consider that this proposal deserves to be dealt with on the same lines as that relating to the Madras University, and that accordingly we may bear half the cost if the Govt of India agrees to bear the other half & recommend the case to the Govt of India on that footing.

ASST. SECRETARY TO GOVERNMENT
21 MAR 1946
FINANCE DEPARTMENT

2. The Annamalai University has submitted plans and estimates amounting to Rs.59,000 for the construction of one I.A.T.C. building. Though the Government of India have stated, after receiving the estimates ~~regarding~~ relating to the Madras University, that in view of the cessation of hostilities, the future of I.A.T.C. units is under consideration and that a further communication regarding accommodation at Madras University will be made as early as possible, E& P.H propose to recommend the case of the ~~Andhra~~ Annamalai University to the Government of India stating that half the cost would be borne by the Provincial Government if the Government of India agree to bear the other half.

p62CF and estimates at (S) — 15587 AA

p.63CF

of this Govt's letter on pp.45-46CF

X p.63CF

E&PH Secy's note on p.11 above

3. The estimates of Rs.59,000 submitted by the ~~Andhra~~ Annamalai University are very high when compared with the estimates of the Madras University and ~~it~~ will involve Government in an ~~additional~~ ~~an~~ expenditure of Rs.29,500. It seems therefore that, if ultimately the Government of India decide to continue the I.A.T.C. units, the ~~Andhra~~ Annamalai University will have to be asked to revise the estimates, in order to bring down the cost to a considerable extent.

X Rs 37,000 and this Govt's commitment was Rs 17,000 — cf pp 45-46 CF

$\frac{1}{2} \times 59000 = 29500$ as proposed by EPH.

4. In the meantime, this Department may suggest that the estimates may be forwarded to the Government of India with the remark that a ~~further~~ communication regarding the financial aspect will be sent to them on receipt of the further ~~views of the Government of India in the matter~~ letter promised by them - cf page 63 c.f.

ASST. SECRETARY TO GOVT.
2 AUG 1946
FINANCE DEPARTMENT

The file deals with the proposals for the construction of buildings for accommodating the Indian Air Training Corps in the three Universities of Madras, Andhra and Annamalai in this Province. The estimates for the construction of buildings furnished by the 3 Universities are as shown below:-

		Rs	
(1)	Madras University ..	37,000	p.39 C.F.
(2)	Andhra " ..	44,000	p 64 C.F. plans at (C)
(3)	Annamalai " ..	59,000	p 62 C.F. of plans at (S)

Item (1) above.- Madras University. On p.8 above, it has been ordered in circulation that the Provincial Govt. may sanction a grant of Rs 17,000 and that the application of the University for a grant of the balance of Rs 20,000 might be forwarded to the Govt. of India. The Govt. of India were accordingly addressed in this Government's letter at pp.45-46C.F. In their reply at p.67 C.F. the Govt. of India have agreed to sanction a grant of Rs 15,000 to the Madras University, as a special case on the condition that a portion of the cost amounting at least to Rs 5,000 is met by the University or a further contribution in addition to the aid of Rs 17,000 already ~~provided~~ promised, is made by the Provincial Govt.

p 8 above

p 67 C.F.

The Registrar, University of Madras who has been requested to state whether the University is willing to contribute Rs 5,000 towards the expenditure on the construction of buildings for the I.A.T.C. at the University, has replied that the Syndicate has recommended to the Senate that the sum of Rs 5,000 may be contributed from the University funds towards the cost of construction of the buildings in question, and that it is presumed that the Senate will sanction the expenditure. The Registrar has, therefore, requested that the Govt. of India might be addressed to sanction their share of the cost of the scheme. E & P.H. propose to address the Govt. of India accordingly. As regards the grant promised by this Govt., they propose that it may be sanctioned after the orders of the Govt. of India are received. This department may agree.

p 68 C.F.

p 69 C.F.

53

2. Items (2) and (3) above - Annamalai and Andhra Universities. In their letter at p.63 C.F. the Govt. of India have stated that, in view of the cessation of hostilities, the future of the I.A.T.C. was under their consideration. In view of this, the E & P.H. Department have not forwarded the application submitted by these two Universities for the construction of the I.A.T.C. buildings. E & P.H. now propose to enquire whether it has been decided to continue the I.A.T.C. units at the Universities, and if so, whether the proposals of the two Universities referred to above may be sent to the Govt. of India for approval.
