No. S.B.C. _____, dated 18th Octr. 1946.

Sir,

* Sub: Government Press - Despatch of Publicity matter - Temporary staff - further retention requested.
Ref: G.O.Nos. Ms.1522 Edn., dated 26-9-45 and G.O.No. Ms.1894 Edn., dated 13-11-45.

I have the honour to state, with reference to the sanction for the continuance of the establishments noted below* accorded in the G.Os quoted above, that the work in this special as well as in other sections of the Government Press have expanded abnormally in all directions. I have been considering as to how and to what extent they are to be reorganised to cope with the ever increasing printing and despatch of work in the matter of Civil Supplies, Food Control and Publicity and Rationing, both statutory and informal.

2. As the investigation is not completed and it will take some more time for me to arrive at a final decision for putting up consolidated proposals to Government, I request that Government may meanwhile be pleased to accord sanction for the continuance of the staff for a further period of 6 months from 1-10-1946.

3. On account of very heavy pressure of work in the administrative section of the Press with inexperienced hands there has been delay in this case which is regretted.
