Office of the Director of Public Instruction, Madras, dated 1-10-46

From

DRAS.R.U.Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

The Secretary to Government,
Education and Public Health Department, Madras.

Sub:- Scholarships - payment of by money order - to out of way schools pupils empower the local Deputy Inspector schools to draw bills.

I have the honour to state that it has been represented to me that the Hindu Higher Elementary Schools, Tarlapadu is situated at a distance 30 miles from the nearest Government Treasury and that an extra expenditure of Rs.5/- (Five only) is to be incurred each time a bill is cashed, towards conveyance and other incidental expenses. As scholarship bills are to be drawn monthly and in advance and as it is possible to incur expenditure to the extent stated above every month the Headmaster of the above school has requested the authorities concerned to send the scholarships amount by Money order. This kind of extra expenditure cannot be incurred without the sanction of Government.

2. In Item 40 -(c)(3) to (6) of Appendix 7 of the Madras Financial and Account Code Vol.II, only certain Deputy Inspectress of Schools have been authorised to draw scholarship bills and incur expenditure on money order commission therefor. But Item 40(c)(2) of Appendix 7 of the Madras Financial Code Vol.II authorises me to permit sub-Assistant Inspectresses to draw and disburse the scholarship amount under certain conditions.

3. In the above circumstances, I request that Government may be pleased to empower me to permit Deputy Inspectors of schools also to incur expenditure on money order commission in respect of Elementary Schools for boys situated far way from the Government Treasury so as to avoid going to Government every time when a Deputy Inspector of schools, other than those mentioned in Item 40 (C)(3) to (6), - applies for such permission.

I have the honour to be,
Sir,
Your most obedient servant,
