To

The H'ble Minister in charge,
Education Department,
GOVERNMENT OF MADRAS. MADRAS.

Sir,

I was a higher trained mistress and was serving in one of the municipal elementary girls schools of Tiruvannamalai from 22-8-1940 to 13-3-1941 on the later date with a view to offer Sathyagraha for which I was an approved candidate as will be seen from the certificate given by the Secretary, Taluk Congress Committee, copy of which is herein enclosed, I resigned my post and offered Sathyagraha in the year 1941. A true copy of my resignation letter is also submitted herewith for favour of perusal.

I was tried, convicted and sentenced to an imprisonment of 2 months by the Chief Presidency Magistrate, Madras. Again for the second time, I was arrested and after conviction, I underwent an imprisonment of six months.

When I came out, I had no employment as ^aban had been imposed on entertaining such political convicts in the services of local bodies and I was unemployed till very lately.

Subsequently, I came to know that the ban had been lifted and individuals like myself had been ordered to be restored. Consequently, I applied to the Commissioner, Tiruvannamalai Municipality on 6-6-46 requesting that I might be restored to my place in the probationer's list.

He treated me as a new entrant and appointed me temporarily in a vacancy subject to my production of my T.S.L.C. When that was produced, it was found that I had not completed my practical test within the prescribed time and the Commissioner refused to allow me to join duty.

FPT.O.

In these circumstances, I request that the Government may taking into consideration my peculiar circumstances be kindly pleased to issue directions to the Commissioner, Tiruvannamalai Municipality to appoint me forthwith and fix me in the place in which I should have been were it not for my resignation for offering Sathyagraha as ordered by the Congress.

Sir,

Your most obedient servant,

Tiruvannamalai,

pp1-2 CP- Please see herewith a representation from Lakshmikanthammal.
Memo No. 25096B1-Edn at (K) I think according to our G.O., she should be reinstated in her place and the benefit of her old service must be given to her. The necessary directions may be issued to the Municipality.

Submitted that the case of the teacher Lakshmi Kanthammal is slightly different from the cases referred to in the Memo at (K) as explained below.

2. It was the practice with the Education Dept to watch the work of teachers coming out of training schools for some time. Teachers passing out of training schools should put in 18 months' approved service within a period of three years and then complete their certificates. The Inspecting officers

should enquire about the work of ^{the} new teachers and certify as to their fitness for the profession. If the teachers are found fit by the inspecting officers they should make an endorsement to this effect in their Training School leaving Certificates. ^{without this endorsement the certificates are not valid.} If within a period of 3 years an endorsement is not secured ^{completed} the teacher loses the status of a trained teacher.

3. Lakshmi Kanthamahal had put in a Service of only 7 months before she offered Satyagraha. Now she has lost the status of a trained teacher as she did not complete her T.S.C. within a period of 3 years from the date of her passing out of the training school. Had she not offered Satyagraha, she would have completed her Certificate like any other teacher.

u. one

4. The System of Completion of Certificate has since been ^{under} revised in G.O. No 18 Edu. d. 31.1.45. In the revised procedure teachers coming out of the training schools are considered as fully qualified for the profession. The question for consideration is whether the teacher Lakshmi Kanthamahal should be given an extension of time for completing her Certificate or whether she should be deemed to be a trained teacher under the revised procedure. She cannot be appointed straightaway in the service for she is an unqualified teacher.

5. The file may be forwarded to H.H. (C) for first be sent to the S.P.D. U.O. for remarks. He has sent a memo. 12/8/46

A draft memo is submitted.

[Issued as Memo no 41150 B2-1 Edu. d 15.8.46]

W/

Cap. 51961 B2/46 From the D.P.9 No 387 B. 8/46 d 3.9.46.

The D.P.9 holds the view that the case of Lakshmi-Kanthamahal cannot be brought under the case referred to in Govt Memo no. 25096 B1-1 Rdn, d 22.5.46, for the reason that she only resigned her post and was discharged by the management for participation in political movement. He therefore recommends that she may be treated as a new entrant to the Municipal Service and that she may be granted an extension of time for 2 years to complete her Certificate. For orders etc. the D.P.9's view may be accepted. The file may be circulated to H.M. (Rdn) with reference to his minutes on page 1 ante.

2.10.46
The teacher would not have resigned her job. H.M. apparently intends that she should be the teacher. She is brought within the scope of the Memo. The above may be accepted.

Surely, it is not necessary that one should be sent out to get the benefit of the Government order. In this matter, if she resigns for political reasons, she is entitled to get back her old position including the old service. This view may be communicated to the Director.
