Extract of letter, from the Secretary, All India Federation of Ministerial Services Associations, Nagpur to the Chief Secretaries to Governments of all Provinces, dated the 22nd February 1946.

I am directed to forward herewith a copy of the resolutions passed at the Convention of the All-India Federation of Ministerial Services Associations held at Benares on the 25th and 26th of December 1945 and to request Government to pay early attention to them.

(Sd.) M.S. Manian,
Secretary.

Extract from the enclosure to letter, dated the 22nd February 1946, from the Secretary, All-India Federation of Ministerial Services Associations, Nagpur.

1. Magna Charta of the Federation of the All-India Ministerial Services Association.

This Convention of the All-India Federation of The Ministerial Services Associations has reviewed the general conditions of service under which the ministerial staff in this country has been groaning since the long past, and is convinced that they are not only inconsistent with the dignity and status of the class from which this staff is drawn, but are also incommensurate with the utility of this Service. These conditions which have caused untold misery and sufferings to the countless ministerial servants, and have, by virtue of their continued existence, created a sense of complete frustration and utter helplessness in their minds, cry aloud for immediate revision so as to secure for them and their dependants that what is now popularly called freedom from want and fear. In fact the proposed revision of these conditions will go a long way to strengthen the efforts of the staff to contribute their best to the efficiency of administration.

To that end in view, this Convention formulates the following fundamental demands, and fervently hopes that the Govt. of India and the respective Provl. Govts. will give these human rights their earnest attention and concede them, as soon as possible, in order to give contentment to their employees which is the sacred duty of every employer to do.

(4) That the existing restrictions on the promotion of ministerial servants to non-technical posts in the Provl. Services should be relaxed. Similarly the present restrictions on these servants to apply for the non-ministerial posts in the gazetted or non-gazetted service for which they possess the prescribed qualifications should be removed, in order that they may have a

2. A statement showing the posts in the Madras Educational Service and the Madras Educational Service, to which promotion is admissible from the posts in the Madras Ministerial Service, is given below:

POSTS IN THE MADRAS MINISTERIAL SERVICE:

- A. 1. Readers, Office of the Registrar of Books, Madras.
2. Upper Division Clerks and Head Clerks in offices under the control of the Director.
3. Clerks, Upper and Lower Divisions Office of the Director.
- B. Clerks, Lower Dn. in other offices under the control of the Director.
- C. Superintendents, Office of the Director of Public Instruction, Madras.

TO POSTS IN THE MADRAS EDUCATIONAL SUB. SERVICE AND THE MADRAS EDL. SERVICE.

- School Assistants and Headmasters, II Grade
- Deputy Inspectors of Schools (Senior Scale), II Grade.
- Assistant Professors and Assistant Lecturers (Men's Branch.)
- Dy. Inspector of Schools (Junior Scale)
- Dy. Madras Edl. Service (Administrative Section)

P.T.O

It will be seen therefrom that in so far as this (Education) Department is concerned, qualified and suitable members of the Madras Ministerial Service are promoted to non-ministerial posts both in the subordinate and Provincial services.

3. I feel that the lower division clerks in the Madras Ministerial Service are very poorly paid. Their scales of pay are Rs.30-55 in 'C' class offices and Rs.37-70 in 'A' Class Offices. Generally, they have to work very hard. I consider, therefore, that any educational concessions that may be extended to their children will be well-deserved. In the circumstances, I recommend that Rule 92 of the Madras Educational Rules may be made applicable, mutatis mutandis to children to the lower Dn. Clerks, irrespective of their caste, creed or community.

Public Services. Convention of All-India Federation of Ministerial Service Associations - 1945 - Resolutions - Promotion of ministerial servants to non-ministerial posts in the subordinate + Provincial services, Provision of educational facilities to dependants of ministerial servants

From the Secretary, All India Federation of Ministerial Service Associations Nagpur 22.2.46

From the D.P.S. R.C. no 1383.C/46 20.5.46

Please see resolutions (4) + (7) of the resolutions passed at the Convention of All-India Federation of Ministerial Service Associations held in 1945 and the remarks of the D.P.S. thereon on p. 4.

2. With reference to resolution (4), the D.P.S. says that so far as the Education Dept. is concerned qualified and suitable members of the Madras Ministerial Service are promoted to non-ministerial posts both in the subordinate + Provincial Services

so no action seems called for

3. In regard to resolution (7), the D.P.S. recommends that Rule 92 of the M.E.R. may be made applicable, mutatis mutandis to the children of the lower division clerks irrespective of their caste, creed or community. Under rule 92 (b) of the M.E.R. fees should be levied from girls, Muhammadan boys and boys belonging to the backward classes reading in any class at one half of the rates actually in force in that institution provided that the annual income of the parents or guardians of the pupil does not exceed Rs 600 in the case of secondary schools and Rs 900 in the case of colleges. ~~subject to the same conditions~~ the fee should be levied Muhammadan girls + girls belonging

clases in Form III and below and from students belonging to the scheduled classes in Arts & Professional colleges. In the case of aided secondary schools & colleges, in addition to the teaching grant payable to them under the provisions of the Grant-in-Aid Code, the managements are paid a grant equal to the loss in fee income on account of the award of fee concessions under rule 92 of the M.E.R. No such compensation is paid to local bodies. If the children of lower division classes are admitted to these concessions, it will be difficult to deny the concession to the children of other Govt servants similarly placed. Further the difficulty of educating children is not peculiar to lower division classes alone and ministerial servants in higher grades also will press for the grant of the concession. It seems there fore objectionable in principle to allow this concession to the lower division classes as proposed by the D.P.D. The proper course would seem to be to raise their scales of pay suitably. to keep them above want. The resolution does not seem acceptable.

The question raised is one of policy. No special remarks therefore seem called for in this Dept. If the concession is to be allowed it should be for the children of all Non-Govt. servants similarly placed.

Resolution (4) on P.H. and

2. Para 2 of E & P.H. as on page 1 above:- E & P.H. con-

sider that so far as Education Department is concerned no action is necessary. As regards other Departmental it is presumed that no action is also called for as qualified and suitable members of the Ministerial Service are promoted to non-ministerial posts both in the Subordinate and Provincial Services. Public Services have not also made any remarks in respect of this and presumably they hold the view at A above.

Resolution (1) on P.3 C.F. and

3. Para 3 of E & P.H. note on pages 1-2 above:- The

question raised is one of policy as pointed out by Public (Ser- vices). It may however be noted, as regards medical relief, that according to G.O.No. 1757 P.H. dated 2-7-45, families of Govern- ment servants shall be entitled, free of charge, to medical attendance and treatment at hospitals/as defined in the Madras Medical Attendance Rules on the scale and conditions allowed to the Government Servant himself in each case. The Govt. Servant is not to be treated as a member of the family of officers who are entitled for medical treatment at their position in view of this, it does not seem that any further

concession as regards free medical treatment to the dependants of a Ministerial servant need be provided for.

4. The case may be returned to E & P.H. through Public Services regarding B above.
