No.B.1.2840-46 Dated: 22/10/'46.

Sir,

Stationery - Madras Essential Articles control and
Requisitioning (Temporary powers) Act 1946 - Essential
articles - notification - G.O.No.1924 Education dated
7-10-46 - modification - requested -

Ref: Letter No.2111-46 dated 16-10-46 from Messrs.
Gestetner (India) Ltd., Madras.

In my letter No.B.4.2615-46 dated 27-9-46, it was requested that
typewriters duplicators and certain other articles may be treated as
essential articles. Accordingly, with the exception of typewriters,
all other articles were declared to be essential articles in G.O.No.1924
Education dated 7-10-46. The requirements of Government chiefly consist
of hand-feed model duplicators - On account of the non-availability of
hand-feed models, 40 self-feeding Gestetner No.26 model duplicators were
ordered for the current year with reference to G.O. No.Ms.1310 Education
dated 4th July 1946. This number will be sufficient for the current year.

The demand for the more costly automatic model duplicators both
electric and non-electric is small and these are available. There is
no need to restrict their sale to the Public and non Government bodies.

I enclose a copy of letter cited above from Messrs. Gestetner India
Ltd., Madras in which they give the assurance that if any more 26 models
are required by Government, they will be prepared to supply them giving
priority to Government requirements.

In the circumstances, it is requested that the Government notification
may kindly be amended so as to restrict the sale only of all hand-feed
model duplicators.

for SUPERINTENDENT OF STATIONERY.

Copy of letter No. Nil Dated: 16th October '46 from Messrs. Gestetner
(India) Ltd., Mount Road, Madras, to the Superintendent of Stationery,
(Madras) at Guindy, Saidapet P.O.

With reference to the notification appearing in the Fort St-George
Gazette dated the 8th instant declaring Duplicators as Essential Articles,
we have to point out that the Government requirements of Duplicators are
mainly Handfeed Models and as we already intimated to you we have stopped
importing the Handfeed Duplicators.

Against your order No.B.1.920/46 dated 27-6-46, we have so far
supplied you with 20 Gestetner Model 26 Duplicators, and we are making
arrangements to supply you with the balance 20 machines during the
course of this month. These machines, we understand, are sufficient
to meet your demands for duplicators for the current official year.
If, however, you require any more of these 26 Models, we shall only be
too pleased to supply them to you, and, for your future requirements also,
we take this opportunity of assuring you that priority will be given to
all orders from you for Duplicators.

As you are aware, all our Duplicators are Automatic Models of
various kinds, both Electric and non-electric which are not generally
in demand at Government offices. In the circumstances, we shall be
obliged if you will kindly take necessary action to amend the Government
notification, restricting the control to the particular type of machine
generally required by you.

Yours faithfully,
GESTETNER (INDIA) LTD.,
