My dear Viswanatha Ayyar,

With reference to the Conferences which the Hon'ble Minister proposes to hold next month with the Departmental Officers and with the members of the public, you mentioned at our last meeting that Government would be prepared to sanction any additional staff that might be required in connection with the work of the conferences. Before I write to you officially regarding the additional staff that might be required, I would like to consider the following points:-

The Hon'ble Minister mentioned that the questionnaire would be published in the newspapers. If this is to invite written public opinion, the work involved in tabulating the opinions of thousands of persons would be too unwieldy and I would say that it would serve no useful purpose as there will be too much of repetitions of the same opinions. If the publication of the questionnaire is merely for the information of the public so that those who are interested might express their opinions through the press or convey it to any representative who will be called for the conference, I feel that we would achieve the object which the Hon'ble Minister has in view. I personally feel that there is no necessity to call for written opinions on the questionnaire from the public.

I presume that the Hon'ble Minister will invite not more than about 100 representatives to attend the general conference which he proposes to hold. Here again, I feel that it is not necessary to call for their written opinions to the questionnaire. If the representatives study the questionnaire and come to the conference, the opinions which they will express at the conference will be sufficient for all purposes. In this case, the Secretary to the conference would take down what is important from the views expressed at the conference and repetitions of the same views will automatically be left out. Thus, the scriptory work will be greatly reduced.

I understand that when Mr. Varkey held the conference

in regard to the secondary education, no written opinions were called for at the agenda, but only the views expressed at the conference were recorded. The Secretary for that conference did not require any additional clerical aid to carry on the duties as Secretary. If the same procedure is adopted at this conference, I feel that the Secretary will be able to carry on the work with the help of a clerk and a Stenographer. If, on the other hand, the Hon'ble Minister decides that written opinions should be received from any member of the public who is interested in the topics included in the questionnaire and if written opinions should also be received in advance from all the representatives who will be invited to the conference, then I feel that without a Special Officer and a separate staff attached to him, it will be impossible to deal with the voluminous work involved in reading through the opinions and tabulating them according to the topics included for the conference. I would, therefore, request you to be good enough to inform me definitely what the intentions of the Hon'ble Minister are in regard to the points I have raised above. On hearing from you I will take up the question in regard to the additional staff that might be required in connection with the proposed conference.

Yours sincerely,

S. R. U. Savor

The Secretary to Government,

Sir,

Sub: Appointment of a Special Officer in the Office of the Director of Public Instruction for the work of compilation of answers to the Questionnaire issued by the Hon'ble the Minister for Education.

Ref: Govt. Memo.No.32662-A4, Education, dated 21-9-46.

I have the honour to state that my recommendations for the appointment of a Woman Officer in my office are being submitted separately.

2. In connection with the reorganisation of Education in the Presidency about which Government have recently issued a questionnaire, I consider that a separate Special Officer is essential in my office to examine the various aspects and submit concrete proposals to Government. We have already begun to get a considerable number of letters about the questionnaire which was published in the newspapers. If we are to get such letters from all kinds of persons we may have as many as 5000 letters to be dealt with. I recommend that a M.E.S. Officer in the scale of 200-700 be appointed for this purpose with the following staff:-

1. Two officers in the combined cadre of School Assistants and Deputy Inspectors - Rs.70-200
2. One Stenographer
3. One Upper Division Clerk
4. Two Typists
5. Two peons.

3. I recommend that this officer be designated as "Special Officer for work dealing with the questionnaire on Educational reorganisation" and be granted a special pay of Rs.75/- per mensem besides a motor car allowance of Rs.50/- per mensem and that each of these two assistants be granted a special pay of Rs.25/-. The officer entrusted with this work will have to go about very often and his duties will be onerous.

4. The two peons sanctioned to the Additional Personal Assistant in G.O.No.818, Education, dated 16-4-46 may on the abolition of this post be allotted to the Woman Officer appointed for the Officer.

5. I request the favour of early orders.

I have the honour to state that for the work connected with the Questionnaire on Educational Reorganisation a special staff has been asked in this office R. C.No.7855 Fl/46, dated 29-9-46. Copies of the answers to the questionnaire received from the various people and organizations have to be typed with a view to tabulating them under the various heads and this will involve very heavy typing work. Three typewriters will be required for the two Typists and one Steno-typist who are proposed to be employed in connection with the above-mentioned work. Recently the Superintendent of Stationery reported that new typewriters were not available and the loan machines which were available were found to be very unsatisfactory and not capable of doing heavy work. As the work connected with the questionnaire will have to be done expeditiously I request you will be so good as to instruct the Superintendent of Stationery to supply at least 2 new machines, or machines in good working order, immediately.

2 There are now 2 Personal Assts. to the D.P.I. -
one P.A. (permanent), and one Addl. P.A. (tempy.) - both in the
Men's Branch. When the question of revival of the post of
Dy.Directress of Public Instruction was considered recently,
it was proposed that that post might be abolished but that, in
place of the tempy. post of Addl. ~~PA~~ Personal Asst., a woman
officer might be appointed with the designation "Inspectress at

shortly to move Govt. officially to implement the proposal.
3 The special work relating to the questionnaire on
Edn. will not be much in the initial stages and it can be
attended to by the present Addl. P.A. As opinions from various
individuals and bodies begin to pour in, will the real work
commence. It is expected that by that time orders on "M" above
would have been issued. H.M.'s orders on p.2 ante, viz.,
that a Second ~~AR~~ Personal Asst. with the necy. staff may be

The proposal will mean the creation of an addl post

The extra cost of the proposal is ~~£1,100~~ for 3 months. There

AS the orders of Govt. re: the appt. of a woman officer in the D.P.I.'s office have been commd. to the Dir. in the memo at p.8 of L.F., draft S.O. has been slightly revised; and fair copy of the S.O., as revised, is subd. for signature.

From the D.P.I., Rec.No. 7855-1/46, dated 29-9-46.

The draft S.O. has not been issued as the D.P.I. has since sent in official proposals for the employment of adl. staff for the work connected with the questionnaire. As against the expectation that the work would not be much in the early part of the year (p.1 ante) the Dir. reports that his office has already got a no. of letters about the questionnaire and that the

number not specified.

the no. of such letters might reach 5,000. Therefore, a Special Officer with the necy. staff has to be apptd. immediately, giving up the suggestion made on p.1 ante, to continue the Addl. P.A., even after the woman officer (Inspectress) proposed to be apptd. in the Dir.'s office, takes charge.

2. Officer: The sanction for the Special Officer, on the ordy. M.E.S. scale of pay of Rs.200-700, may be for three months in the first instance.

3. Staff: Last year, to work out proposals to implement the first-five-year post-war edl. reconstruction plan, a Spl. Officer was apptd. in the Dir.'s office, with the follg. staff:

- 1 Jr. Sup't. (Rs.100-150)
- 1 Stenographer
- 2 peons
- 1 U.D. clerk
- 1 L.D. clerk from the 4th month

The Dir. now asks for the staff mentioned in col.1 of the table below. Taking that the volume and extent of work in the present connection would not be very much more than the special post-war work, the necessity for the posts mentioned in col.2 below may be accepted and all of them sanctd. for 3 months from the date of appt., as against the posts in col.1 asked for by the Dir.:-

Dir.'s proposals.

Posts recommended.

- 2 officers in the combined Cadre of School-Assts. and Dy. Inspr. - Rs.70-200
- 1 Stenographer
- 2 peons
- 1 U.D. clerk
- 2 typists

- 1 Jr. Sup't. on Rs.100-150
- 1 Officer in the combined cadre of School-Assts. & Dy. Inspr. - Rs.70-200
- Same as Dir.'s proposal
- 1 typist (in the same scale of pay as L.D. clerks)

4. Special conveyance allowance: The Dir.

recommends that the S.O. may be granted a spl. pay of Rs.50 and also a motor car allow. of Rs.50 and each of the 2 Subordinate Service officers (proposed by him) a spl. pay of Rs.25, p.m. Except the Dir.'s statement that the officer's work will be onerous, no other ground seems to exist to justify the grant of a spl. pay. Officers employed for special work in the Dir.'s Office, in the past - e.g., in 1942, for the preparation of the Quinquennial

Report on Public Instruction and, last year, for drawing up proposals to implement the post-war plan - were not allowed spl. pay - cf. the notes and minutes on pp.3-4 N.F. of "X". For orders whether this Dept. may hold the view that neither the ~~Special Officer~~ nor the proposed Supdt. need be granted ~~the~~ special pay.

There does not exist a case for a motor car allow. to the S.O., either. As was allowed to the officer employed for post-war work, actual conveyance charges for special trips, if any, made within the City, may perhaps be admitted.

Sir,

REF: G.O. No. 2154 Education dated 11-11-1945.

In submitting herewith the representation dated
6-1-47 from Sri R. Venkataramana Rao, Assistant to the
Special Officer (Questionnaire) whose appointment was
sanctioned in the G.O. referred to above, I have the
honour to state as follows:-

Sri R. Venkataramana Rao is an approved probationer
in the category of Deputy Inspectors of Schools and was
drawing Rs. 90/- plus Rs. 25/- (Conveyance allowance) as Deputy
Inspector of Schools, Madras South Range. While addressing
Government for the sanction of special staff to the office
for work of compilation of answers to the questionnaire
issued by the Hon'ble Minister for Education, recommended the
appointment of two assistants in the cadre of Deputy

p.t.o.

Inspectors to the Special Officer with a special pay of Rs.25/- p.m. to each of them, but Government were pleased to sanction the appointment of only one assistant and have not allowed the special pay. Sri R.Venkataramana Rao has therefore suffered financially.

In the circumstances represented by him, I recommend the request of Sri R.Venkataramana Rao for the Special consideration of Government and propose that a special pay of Rs.25/- at least may be sanctioned to Sri R.Venkataramana Rao.

From Sri.R.Venkataramana Rao, B.A.,L.T.,
Special Assistant to the Special Officer (Questionnaire),
Office of the Director of Public Instruction, Madras.

To
The Director of Public Instruction,
Madras.

Sir,

I beg to bring to your kind notice that my emoluments in the present post are equal neither to those that I was drawing while in the previous post (namely Deputy Inspector of Schools, South Madras Range) nor to those drawn by the Superintendents in the Office.

It would appear that it is the intention of Government that a mere Office Superintendent should not be appointed to this special post but that only an Officer in the Combined cadre of School Assistants and Senior Deputy Inspectors with an academic, administrative and executive background should be put in charge of the work. While expressing my gratitude for recognising my humble services and for the honour done to me by selecting me of all Deputy Inspectors for this special task I feel ~~also~~ that it is also my duty to submit that I have been made to lose financially by the special favour that has been shown to me.

The special establishment was originally sanctioned for a period of three months in the first instance, but shortly after my joining I have been informed that the work should be completed well under two months. The clerical establishment placed at my disposal was also subsequently strengthened with this end in view, adding not a little to my duties and responsibilities. It has throughout been a race against time and I am confident that I will be completing the task assigned to me within the stipulated time.

In view of the special and arduous nature of the task in charge of which I have been placed I request that you will be good enough to recommend to Government for the sanction of a fixed pay, for the special post I am holding, equivalent to that drawn by the Junior Superintendents in the Senior scale. I may submit in this connection that Personal Assistants to District Educational Officers appointed in the years 1943--1945 were sanctioned such fixed salaries.

I have the honour to be,
Sir,
Your most obedient servant,

R Venkataramana Rao

Submitted to D.O.

In the circumstances stated above, it is
but fair that he should be made to suffer financially.

argument that Sri. R. Venkataramana Rao has
suffered financially by being posted under the
