The Vivekananda College.

In order to meet the steadily growing demand for Collegiate education, especially in the Science subjects it was resolved in October 1945 by a group of donors to start in Madras a College to be named the Vivekananda College and to entrust its management to the RamaKrishna Mission who have agreed to house the College temporarily in three buildings in the Students Home Compound, Mylapore.

On 31-10-45 an application was made to the University of Madras to grant recognition for the "Vivekananda College" in the following courses.

Intermediate	Part I	English.
	Part II	Sanskrit, Tamil, Telegu & Malayalam.
	Part III	Mathematics, Physics, Chemistry, Natural Science Logic, Geography & Commerce.
B.A.	Part I	English
	Part II	Sanskrit, Tamil, Telegu & Malayalam.
	Part III	(iv) B. Economics. (viii) Geography.
B.Sc.	Part I	English.
	Part. II	Chemistry Main with Physics as Subsidiary. Mathematics Main with Physics and Chemistry as subsidiaries.
B.Com.	Part I	English.
	Part II.	Tamil, Telugu, and Hindi.
	Optionals.	Insurance and Transport.

The Board of Management of the College has been constituted as follows:-

President:- The President Swamiji of the Local branch of the Ramakrishna Mission (Ex-Officio)

Vice-President.: Sir. N. Gopalaswami Ayyangar.

Secretary & Treasurer. M. Subbaraya Aiyar.

Asst. Secretary. The Principal of the College (Ex.Officio)

Members.
Sir V.T.Krishnamachariyar.
The Hon'ble Mr. Justice N.Chandrasekara Iyer
The Hon'ble Mr. Justice P.V.Rajamannar.
Mr. V.L. Ethiraj.
Rao Bahadur C.Ramanujachariar.

On 11-12-1945, the Vice Chancellor of the University of Madras visited the proposed temporary buildings for the college and discussed the details of its requirements and their procurement in time.

Lists have been prepared of the books required for the Library, of the apparatus and chemicals required for the various laboratories and of the furniture for the office, Library, class-rooms and laboratories. Quotations have been obtained from the respective firms and the following is the probable expenditure that has to be incurred immediately:

Library books.	Rs.	20,000	0	0
Apparatus and Chemicals for the Chemistry Dept.		56,542	3	9
Apparatus and chemicals for the Physics Dept.		72,892	4	0
For the Geography Dept.		8,052	0	0
For the Natural Science Dept.		8,303	0	0
Furniture.		73,765	0	0
Gas Plant.		11,500	0	0
Installation of Gas and Water for the Laboratory.		11,500	0	0
	Total.	2,66,054	13	9

The present buildings have to be slightly modified in order to make them suitable for the College. The cost of this is estimated to be Rs. 25,000/-. The University requires a permanent endowment of Rs. Five Lakhs (Rs.5,00,000/-) to be set apart for the college, the income from which is to be utilized to meet the deficit, if any, in the funning expenses of the College. The Aggregate amount that is therefore immediately required and necessary for the College to start functioning is about Rupees Eight Lakhs. A sum of Rs. Five and a half lakhs has been collected already and further subscriptions are being collected.

The Inspection Committee appointed by the University to visit the College and grant the Regognition, is expected by about the middle of March 1946. Before that tim

---

Before that time the greater part, if not the whole of the furniture, Laboratory Equipment and Library books is required to be obtained and kept ready for inspection by the Commission.

Further a permanent building has to be put up for the College in about 3 or 4 years. About 40 Acres of land will be required for the College, the Hostel and the play-grounds. It is quite essential that the site chosen should be within the City or in its immediate vicinity so as to be within easy reach of its students. The room space to be provided in the new building works out to about 40,000 sq. ft. Another 20,000 sq.ft of floor space will be necessary for verandahs, corridors, sanitary conveniences etc. It is estimated that the building will cost about Rs. seven lakhs. The Hostel building is estimated to cost another Two lakhs of Rupees.

A programme of steady expansion is envisaged for the College. The ultimate aim is to start Honours and M.Sc. courses in the various subjects and to provide for fundamental reasearch in those subjects. It is generally felt that the expansion of the College should be in the direction of increasing scientific and technological studies. The present proposals made to the University and indicated above will form the nucleus for this more comprehensive programme. All the preliminary steps have been taken so as to start the College in June-July 1946.

No private agency unaided by the State will be in a position to finance the scheme and it is therefore earnestly expected that the Government will show a generous and sympathetic attitude towards the aims and programme of the Vivekananda College and will e tend help to it in all ways. The Government has helped handsomely in the past and the other sister institution in the City and outside, especially the Christian College and the Pachiappas College. We have applied through the Director of Public Instruction for a grant-in-aid in respect of the furniture, Laboratory equipment and Library books. In addition we pray for further help from the Government for the Vivekananda

A

B

College in the shape of suitable Government owned land of sufficient acreage either free or at a nominal price. If a ~~xx~~ suitable site cannot be placed at our disposal out of land at ~~x~~ the disposal of Government, it is requested that the Government be good enough to help the College with a generous grant to meet the cost of acquiring such land from private owners. In addition, we request that the Government be pleased to sanction a building grant also to meet at least half the cost of the buildings to be constructed for the College.

B

Memo.

The application for grant for furniture,Laboratory and Library made to the Director of Public Instruction on 14-12-45 and is likely to be with the Government for necessary sanction.

~~xx~~ The application to the University for recognition was made on 31-10-1945 and hence the application for grant was made after that date.

But normally such applications are to reach the Government by 1st October each year.

It is requested that the above application may be treated as a special case and scheme admitted and grant directed to be disbursed early in April 1946 from the Budget of 1946-47.

There are vacant lands very well suited for the location of the College with facilities for playground hostel and future development which accords with the requirements laid down by the Madras University. The lands lie between Pugh's Road Greenaways Road, Adyar on the west, the Buckingham Canal on the east, and on the North by plots of land abutting St.Mary's road and covered by Survey Nos. 3968, 3952, 3950 and 3948/1 measuring 21.86 acres owned by Kapalaswarar Temple, Mylapore, Survey No. 3951 owned by T.G.Pillai and Survey No. 3953 owned by Kesava Perumal Temple, Mylapore measuring about 10 acres-- in all about 32 acres. These lands are barren and unyielding and lie inwards surrounded on three sides by Bungalows belonging to private owners on the St. Mary's Road, Pugh's Road and Greenaway's Road, Adyar. These are covered by Town planning Scheme and two broad Roads under the Scheme intersect these lands and hence will be easily accessible in the course of two or three years. The market value of the lands in St. Mary's Road evidenced by a purchase effected in January 1946 is Rs. 1000/- per ground. But as the above lands are circumscribed by bungalows all round and bounded on the east by the Buckingham Canal, the market value can fairly be taken to be Rs. 500/-. The cost of acquisition would be about Rs. 3 Lakhs.

Necessary application for acquisition of the above lands will be submitted by the Management through the proper channel if the Government agrees to our request.

GOVERNMENT OF MADRAS

Dear Sir Thomas Austin,

Sir N. Gopalaswami Iyengar and myself would like to meet you for a few minutes on some day in connection with the "Vivekananda College" to be started next academic year (i.e. about June). It is on a begging mission, of course!

I shall be grateful if you can let me know when it would be convenient for you to see us. Office hours will probably suit you best, but then I shall have to be in the High Court. I assure you we won't take more than 10 to 15 minutes.

Wishing you a happy, bright &

PIPS

prosperous New Year,

I am, Yours sincerely
N Chandrasekhara Aiyar

My dear Brown,

I remember, when I was talking to you at the Secretariat today about the Vivekananda College, you asked me whether Austin had committed himself to anything definite as regards our request for a grant. I forgot to mention to you at the time that, in connection

A with my request for a grant for land and buildings, he referred to some policy which had been laid down by Government and which he said was against grants for purely arts institutions. I mentioned this to Strathie

B. in my talk with him today and explained that, though we were starting only arts courses at the commencement, our programme contemplated rapid development on comprehensive lines of a science and technological side to the institution. Strathie told me that though that policy had

C once been laid down in the interests of finding all the money that was necessary for promoting elementary education, Government had not rigidly adhered to it and that as a matter of fact grants had been or were being sanctioned to other arts institutions both in the city and outside.

I consider that it is only right that I should inform you of what happened between me on the one side and Austin and Strathie on the other in connection with this point.

Yours sincerely,
N. Gopalaswami

THE VIVEKANANDA COLLEGE.

In order to meet the steadily growing demand for Collegiate education, especially in the Science subjects, it was resolved in October 1945 by a group of donors to start in Madras a College to be named the Vivekananda College and to entrust its management to the Ramakrishna Mission who have agreed to house the College temporarily in three buildings in the Students' Home Compound, Mylapore.

2889

On 31-10-1945 an application was made to the University of Madras to grant recognition for the "VIVEKANANDA COLLEGE" in the following courses of study:

Intermediate:	Part I.	English
	Part II.	Sanskrit, Tamil, Telegu and Malayalam.
	Part III.	Mathematics, Physics, Chemistry, Natural Science, Logic, Geography and Commerce.
B.A.	Part I.	English.
	Part II.	Sanskrit, Tamil, Telugu and Malayalam.
	Part III.	(iv)B. Economics. (viii) Geography.
B.Sc.	Part I.	English.
	Part II.	Chemistry Main with Physics as subsidiary. Mathematics Main with Physics and Chemistry as subsidiaries.
B.Com.	Part I.	English.
	Part II.	Tamil, Telugu and Hindi.
	Optionals.	Insurance and Transport.

21

The Board of Management of the College has been constituted as follows:--

President: The President Swamiji of the local branch of the Ramakrishna Mission (Ex-Officio)

Vice-President: Sir N.Gopalaswami Aiyangar.

Secretary and Treasurer. -	M.Subbaraya Aiyar.
Asst.Secretary.	The Principal of the College (Ex-Officio)
Members:-	Sir V.T.Krishnamachariyar.
	The Hon'ble Mr.Justice N.Chandrasekhara Aiyar.
	The Hon'ble Mr.Justice P.V.Rajamannar.
	Mr.V.L.Ethiraj.
	Rao Bahadur C.Ragjanujachariar.

On 11-12-1945, the Vice-Chancellor of the University of Madras visited the proposed temporary buildings for the College and discussed the details of its requirements and their procurement in time.

Lists have been prepared of the books required for the Library, of the apparatus and chemicals required for the various laboratories and of the furniture for the office, Library, classrooms and laboratories. Quotations have been obtained from the respective firms and the following is the probable expenditure that has to be incurred immediately:

Library Books.	Rs.	20,000	0	0
Apparatus and Chemicals for the Chemistry Dept.		56,542	3	9
Apparatus and Chemicals for the Physics Dept.		72,892	4	0
For the Geography Dept.		8,052	0	0
For the Natural Science Dept.		8,303	0	0
Furniture. ...		73,765	0	0
Gas Plant. ...		11,500	0	0
Installation of Gas and Water for the laboratory.		15,000	0	0
Total.		2,66,054	13	9

The present buildings have to be slightly modified in order to make them suitable for the College. The cost of this isestimated to be Rs.25,000/-. The University requires a permanent endowment of Rupees Five Lakhs (Rs.5,00,000/-) to be set apart for the College, the income from which is to be utilised to meet the deficit, if any, in the running expenses of the College. The aggregate amount that is therefore immediately required and necessary for the College to start functioning is about Rupees Eight Lakhs. A sum of Rupees Five and a half lakhs has been collected already and further subscriptions are being collected.

The Inspection Committee appointed by the University to visit the College and grant the Recognition, is expected by about the middle of March 1946. Before that time the greater part, if not the whole, of the furniture, Laboratory Equipment and library books is required to be obtained and kept ready for inspection by the Commission.

Further a permanent building has to be put up for the College in about 3 or 4 years. About 40 acreas of land will be required for the College, the Hostel and the Play-Grounds. It is quite essential that the site chosen should be within the City or in its immediate vicinity so as to be within easy reach of its students. The room space to be provided in the new building works out to about 40,000 sq.ft. Another 20,000 sq.ft of floor space will be necessary for verandahs, corridors, sanitary conveniences etc. It is estimated that the building will cost about Rupees Seven Lakhs. The Hostel building is estimated to cost another Two lakhs of rupees.

A programme of steady expansion is envisaged for the College. The ultimate aim is to start Honours and M.Sc. Courses in the various subjects and to provide for fundamental research in those subjects. It is generrally felt that the expansion of the College should be in the direction of increasing scientific and technological studies. The present proposals made to the University and indicated above will form the nucleus for this more comprehensive programme. All the preliminary steps have been taken so as to start the College in June-July 1946.

No private agency unaided by the State will be in a position to finance the scheme and it is therefore earnestly expected that the Government will show a generous and sympathetic attitude towards the aims and programme of the Vivekananda College and will expend help to it in all ways. The Government has helped handsomely in the past the other sister institutions in the City and outside, expecially the Christian College and the Pachiappas College. We have applied through the Director of Public Instruction for a grant-in-aid in respect of the Furniture, Laboratory equipment and library books. In addition we pray for further help from the Government for the Vivekananda College in the shape of suitable Government owned land of sufficient acreage either free or at a nominal price. If a suitable site cannot be placed at our disposal out of land at the disposal of Government, it is requested that the Government be good enough to help the College with a generous grant to meet the cost of acquiring such land from private owners. In addition, we request that the Government be pleased to sanction a building grant also to meet atleast half the cost of the buildings to be constructed for the College.

The Secretary to the Government of Madras, Education and Public Health Department, Fort St. George, Madras.

ST. GEORGE TO GOVERNMENT
12 JUL 1946
EDUCATION AND PUBLIC HEALTH DEPT.

Enclosures:

R. C. No. 189-K/46. dated 8th July 1946.

Sir,

Subject:-Colleges--Acquisition or alienation of land--Vivekananda College.

p21 ante

With reference to Government reminder dated 8.6.1946 on Government Memo. No. 2889-B1/46-5 dated 22.4.1946, I have the honour to invite your attention to my letter R.C.No. 75-D/46 dated 15.4.1946, submitting a copy of L.Dis.961/46 dated 5.4.1946 from the Collector of Madras and request that the management may be asked to select a suitable site and send in proposals for alienation or acquisition.

College -Private- Vivekananda College, Mylapore - Alienation of a suitable site for the construction of buildings

----

N 4 f

From the Vice-President Board of Management Vivekananda College
Madras dated 15-1-46

P 27 f

From the D.P.I. R.C.No 75 D/46 dated 15-4-46 and R.C.No 189 k/46 dated 8-7-46

Memo No. 2889-B1/46-6 Bond. 2/8/46.

Dr
2/8/46

The Collector of Madras has reported that no suitable Govt. or private land measuring 40 acres is available in the City for the construction of buildings and hostel for the Vivekananda College. If the management of the College selects a suitable site and submits proposals for its alienation or

30

acquisition, they will be duly considered.

Grant - Building - Vivekananda College, Madras -

--

P7 CF

C.No.3919/46. From Mr. Justice N.Chandra Sekhara Ayyar, dated 23-1-1946.

---

b6/-3 CF

In his letter dated 15-1-46, Sir N.Gopalaswami Ayyangar, the Correspondent of the Vivekananda College, proposed to be started from the next academic year has explained the proposal and has requested the Govt. to help the management in securing a suitable site for the location of the college and also to make a grant for the construction of buildings. It is proposed to locate the college temporarily in three buildings in the Sri Ramakrishna Students' Home, Mylapore, as they would be sufficent to accommodate the Intermediate classes to be opened first. The application has been forwarded to the D.P.I. for remarks and a copy of the letter has been called for. It is understood that the letter has been sent to the Director in camp. ~~D.P.I. whose~~ He has gone to Mysore to attend the Educational Conference.

(C)
A

2. The policy of the Government in regard to college education is as stated in para 3 of the Press Communique No.16, dated 13-7-1945 ~~is~~ not to give special encouragement to the starting of institutions for University education (other than professional or technical [illegible]) except where special circumstances like the interests of backward areas or backward communities exist. No such circumstances exist in the present case. ~~except that~~ The management of the Vivekananda College has however proposed to develop the institution into a technological college. The Govt. recently negatived the proposal of the Madras Corporation to open an Arts College. It would ~~be~~ seem therefore that no promise of a grant can be held out at this stage.

(Papers put up in another file - grant to [illegible] rel college.) B.

USN
25.1.46

[illegible]
25/1/46 S

In view of A, & particularly also in view of B, there would not, I think,

2

the justification for continuing this institution and giving it any grants if it is to be started merely as an Arts College (i.e. not a professional or technical college). It will not make any difference to the position that it is proposed later on to develop it into a Technological institution. If and when it so develops the question of giving help can be considered and it can be given only to the extent that it develops as a Technological institution.

Another point must, I think, be referred to. This is the outcome, apparently, of the efforts which have been publicised for some time past to start an institution where admissions would be only 'by merit'. These efforts came in for considerable criticism from Non-Brahmin circles as being designed, under cover of that formula, for the particular benefit of the Brahmin community. The question would arise, whether in view of that criticism, the Govt. should take up the position that ~~as a question of expediency~~ the institution though ostensibly proposing to make admissions by merit is designed for the particular benefit of one community, and that, as a question of expediency it should therefore get no Govt. help. But personally I do not think Govt. need take up that position.

On the considerations set out in paragraph 1 of my note above, I think the request for help, however, will have to be turned down if the grant will have to be started only as an Arts College. [illegible] A2

institution

O 25/1

Special Secretary. [illegible] 25/1

3

I explained the policy of Govt. & said that, in my opinion, it was correct. They pleaded for the non-recurring grant. It is the idea to embark later on technical courses but the College will start as an Arts College.

O for orders, on receipt of D.P.I.'s report.

10/1/46

26 JAN 1946

With reference to A1's minute on p10 cf. it is submitted that the DPI's report on the application for a grant for the acquisition of site & construction of buildings ~~have~~ not yet been received. He may be reminded. A draft memo is submitted below for approval. A letter since received from Sir N. Gopalaswami Ayyangar has been added to the file.

U.O.C. w/ 19-2-46

p14 CF

20/2/46 S

As this is relevant for the discussions in the top-file (relating to grant for equipment) which is being circulated for orders, I have noted on it here too.

23/2/46.

O Orders issued in G.O. No 595 Edn 15.3.46

(J)

A4. (C) A1.

So long as the policy explained in para 3 of A4 stands, Govt. aid should not be given to this new Arts College. If & when it starts a Technology Dept. the question of aid for this Dept. can be considered.

23/2/46

I agree.

23/2/46

27 FEB 1946

p7 ~~para~~ of ~~in top file~~

O G.O. No. 595 15.3.46

In view of the reply given to Sir N. Gopalaswami Ayyangar in the top file relating to equipment grant, it seems

(J)

unnecessary to remind the D.P.I. The draft memo already approved may be withheld and the papers may be recorded

13.3.46

Formal orders, as in the other case, will have to be passed in this case also after D.P.I.'s report is received; call it quickly.

18/3/46

14/3/46.

[Memo No. 2889 B1/46-3 Edn. d 16 3/46) p 15 CF
E&PH(BI) Dept.

C No 37601/46. From the D.P.I. Rc. No 189 K/46 d 8.7.46 pp27-28 CF

The D.P.I. says that inview of the restrictions imposed in G.O. No 1915 Edn, dated 9-12-41, there is no case for sanctioning a building grant to the Vivekananda College and that the management may apply for a grant for playground following the usual procedure. The restrictions imposed in the above G.O. do not apply to the provision of playgrounds but according to the policy of Govt towards collegiate education set out in para 3 of the Press communique No 16, dated 13-7-45, it is for consideration whether an exception should be made inregard to the provision of playgrounds for Arts colleges newly opened. In the file relating to the application of the Ellore Municipal Council for a subsidy towards the maintenance of the college H.M. (Edn) has suggested a reexamination of the Govt policy so that grants may be given to new colleges which are being started in the Presidency. It is for consideration whether orders on the request of the management of the Vivekananda College for a half grant towards the cost of construction of buildings may be passed after a decision is reached inregard to the revision of the policy.

A This can be examined as part of the general policy.
2.8.46

B This may lie over till the question of revision of policy is decided.
2.8.46

2. Inregard to the request for alienation of a suitable site the management may be asked to select a suitable site and submit proposals as suggested by the D.P.I.

2.8.46

A draft memo is submitted with reference to para 2 above.

Orders are requested on 'A' and 'B' above

31-7-46

1/8/46

5

In the file referred to at 'Z' on page 4 ante H M (Edn) has noted that the ~~[illegible]~~ matter of re-opening the question of giving non-recurring grants for capital expre: to private colleges, ~~[illegible]~~ may lie over for the present. Attention is also invited to the note on pp9-10 of file ~~Z~~. For orders whether the correspondent of the Vivekananda College may be informed that the application for building grant cannot be considered at present.

'B', p4 CF
May be done.

15/10/46

16/10/46

17/10/46

In view of the Govt. policy, I am afraid this request cannot be considered at present.

20-10-46

Please see the minutes of HM (Edn) on page 5 ante
