C.No. 56837A From the D.P.I.No. 2495K2/46, dated 22nd September 1946.

The D.P.I. recommends that the pay of the Junior Workshop Instructors in Engineering Colleges may be raised from Rs. 150 to Rs. 155. These subordinates are now allowed only a fixed pay of Rs. 150. For the reasons stated by the Director, their pay may be increased by Rs. 5. The concession, if allowed, may be given retrospective effect from the date of G.O.No. 1368 Education dated 11. 7. 1946, it being in force until 31.12.1946. The D.P.I. may also be asked to submit proposals for reappropriation of funds to meet the additional expenditure along with those called for in the G.O. cited above.

The file may be sent to P.W.D. and Finance for remarks before circulation.

Please see the reference from the Director of Public Instruction in the CF and the note of E+P.H. above. It is proposed to raise the pay of Junior Workshop Instructors in Engineering Colleges from Rs 150 to Rs 155 by extending the Concession in G.O 1348 Edn. dated 11.7. 46 to these officers.

2. Junior Workshop Instructors, Assistant Instructors

and Laboratory Assistants belong to the same class in Education Subordinate Service. The posts of Junior Workshop Instructors are intermediate to those of Assistant Instructors and Laboratory Assistants ~~in respect of promotion~~. The scale of pay of these class of Subordinates is as follows:--

Laboratory Assistants 100-10/2-110-10/2-200

Asst. Instructors 100-10/2-200

These start on 155 or 150 plus 5 ^{personal} pay.

Junior workshop instructors now draw ^{a fixed pay of} Rs. 150. - 2 or 2 1/2

Laboratory Assitants, and Assistant Instructor ^{with BE qualification} have already been allowed a higher starting pay of Rs. 155; it ~~seems~~ appears reasonable that Junior Workshop Instructors ^{who are also required to possess a BE degree} may for the reason at X above be allowed the same concession. In fact, while working out the

extra cost involved in the proposal in G.O. 1348 Edn. dated 11-7-46

the Director of Public Instruction took into account the Junior workshop

Instructors' post in the Engineering College, Guindy, but he left

out this in his original proposals. In the circumstances, this

department may agree to the higher ~~starting~~ pay of Rs. 155 being

allowed to Junior Workshop Instructors in Engineering Colleges (who

now draw a fixed pay of Rs. 150) with effect from 11-7-46, the date

from which the concession is allowed to Laboratory Assistants and

Assistant Instructors of the same service. The extra cost may

not be large. ^{Extra} ~~Cost~~ ^{for 4 posts in 4 engineering colleges under} ~~on 240 PA~~

The case may be returned to E & P.H.

Rs. 12.
