Sir,

I have the honour to submit the following proposals for the introduction of compulsory elementary education in the Nilgiris District.

2. The following 4 centres have been selected in the Nilgiris District for the introduction of compulsory elementary education. A copy of the resolution of the District Board approving the same is enclosed. It is reported by the President that a special meeting was convened for the purpose and that the resolution was supported by all the 28 members who attended the meeting.

yet to be brought under instruction is 760; while the number fixed in the Government Memorandum No. 50062-B2/45-6 Education dated 11.3.1946 is 700. The introduction of the scheme in all the 4 centres is recommended for the acceptance of the Government.

4. The District Board also requests to include the following villages in the scheme of compulsion - Gudalur, Yedapally and Kannad villages. The introduction of compulsion in these villages cannot be taken up for consideration since the number of children to be newly brought under instruction should not exceed 700 fixed for the District; and the number of children in the 4 centres already selected exceed the number fixed for the district by 60. The President, District Board may be informed that the question of introducing compulsion in these villages may be considered during 1947-48.

5. The villages recommended for introduction of the scheme of compulsion are all reported to be revenue villages and figures of the children yet to be brought under instruction given above relate to the revenue villages only. It is also reported that every one of the 4 villages is having a separate panchayat Board.
