No. B. 3-11580/41.

From the Director of Public Instruction, dated 17th October 1941, No. 1624-G/41.

From the Examiner of Local Fund Accounts, dated 17th November 1941, No. 6587.

Order—No. 1912, Education, dated 9th December 1941.

Under article 147 of the Madras Local Boards Manual and article 192 of the Municipal Account Code, receipts for fees due from pupils in educational institutions under local bodies have to be prepared in advance for every term. It has been represented to Government that fees are ordinarily paid in monthly instalments and that the preparation of receipts at the beginning of a term for all the instalments of the term results in waste of labour in some cases, e.g., when students leave school in the course of a term, and that there are practical difficulties in following the present procedure.

In the circumstances, the Government consider that it will be sufficient if fee receipts are prepared in advance every month instead of every term. The Madras Local Boards Manual and the Municipal Account Code will be amended accordingly.

Secretary to Government.
