No. 674-F/45 dated 27th December 1945.

Sir,

Travelling Allowance—Conveyance allowance—Junior Deputy
 Inspector of Schools, Madras South Range—grant of.

In G.O. No. 587—Education dated 9.3.1938, Government
 have sanctioned a cycle allowance of Rs. 3/- (now raised to Rs. 4/-)
 per mensem to the Junior Deputy Inspector of Schools, Madras
 South Range, the present incumbent of the post who has been worki-
 ing in the post since 17.9.1945, reports that he does not
 possess a cycle and that he has been travelling in public
 conveyance in connection with the inspection of schools. He
 also reports his inability to buy a cycle in view of the
 present difficulty of getting good cycles and their high price.
 He therefore requests that a conveyance allowance of Rs. 4/-
 per mensem to cover the actual conveyance charges incurred by
 him may be granted in the place of cycle allowance. I consider
 that the request of the Junior Deputy Inspector is reasonable.

P.T.O.

I am myself competent to sanction the allowance to the Junior Deputy Inspector under Rule 44(b) of the Madras Travelling Allowance Rules. But, since Government have specifically sanctioned a cycle allowance to the Junior Deputy Inspector, I have the honour to request that in the circumstances Government may be pleased to permit me to sanction to the Junior Deputy Inspector a conveyance allowance not exceeding Rs. 4/- per mensem, limited to the actual expense.

I have the honour to be,
Sir,
Your most obedient servant,

M. R. S. S. S.
For Director of Public Instruction

E.P.H. Dept (C)

In the circumstances stated by the D.P.I. a conveyance allowance not exceeding Rs. 4/- per mensem may be sanctioned to the Junior Deputy Inspector of Schools, Madras South Range.

The file may be sent to Finance v.c. for remarks.

Please see the D.P.I.'s letter on pp. 1-2 above.

The D.P.I. has proposed that in view of the difficulty of getting good cycles, and ^{their} high prices the Junior Inspector of Schools, Madras South Range, may be sanctioned ~~th~~ a conveyance allowance not exceeding Rs 4 p.m. in ^{lieu} of the cycle allowance of Rs 4 attached to the post. The D.P.I. has also stated that he could, under M.T.A. Rule 44 (b), sanction ~~the~~ the conveyance allowance himself, but ^{that} as the Govt. have specifically sanctioned a cycle allowance to the post in question, he may be permitted to sanction ^{in its stead} a conveyance allowance. E.P.H. have supported the proposal.

2/ Under Rule 21 of the ^(Part I) Manual of Govt. servant should actually maintain the conveyance for which an allowance is drawn and should certify ~~that~~ in his monthly pay bills that the conveyance is kept in good order and used by him during the month. In G.O. 2865, Home, dated 3-11-43, this rule was relaxed in favour of certain non-gazetted officers of the Special Branch, Police, C.I.D., for the reason that the nature of their work requires that they should use such conveyance as occasion demands, for instance, in 'shadowing'. No such special reasons have been adduced in the present case. The reasons adduced, viz., that it is difficult to get good cycles and that their cost is high, do not justify the relaxation of the rule. Further, with the cessation of hostilities good bicycles, at controlled rates, will soon become available and the Junior

Rc. No. 4277 F1/46.

Office of the Director of Public

Dated 8.2.47.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,

The Secretary to Government,
Education and Public Health Department,
MADRAS.

Sir,

In G.O. No. Ms. 218 Edn. dated 1.2.1946, Government sanctioned a conveyance allowance of Rs. 4/- p.m. to the Junior Deputy Inspector of Schools, South Madras Range, in lieu of the Cycle allowance of Rs. 4/- p.m., as the Junior Deputy Inspector of Schools does not maintain a cycle towards his actual expenditure on conveyance charges in connection with his journeys for institution of Elementary Schools, in the City. The Junior Deputy Inspector of Schools, has drawn this allowance from the date of his taking charge of the post. i.e. from 17-9-1945 instead of from 1.2.1946, the date of Government order sanctioning the conveyance allowance. The Accountant General, Madras, has objected to the drawal of this claim, and is of opinion that the Junior Deputy Inspector of Schools is eligible for the claim only from 1.2.1946.

As the Junior Deputy Inspector of Schools has actually incurred the expenditure from 17.9.1945 to 31.1.1946 on conveyance charges in connection with his journeys in inspecting schools in the city, it is not fair to ask him to refund the allowance he has already drawn. I therefore request that Government may be pleased to give effect to the G.O. sanctioning the conveyance allowance from the date of the Junior Deputy Inspector of Schools took charge of his post i.e. on 17.9.1945, so that the Accountant General may drop the objection raised.

The junior Dy inspectors had no business
to draw the amount from 17.9.45. The usual practice
is to give effect to an order from its date. Further it was

stated in the L.O. that the allowance should be limited
it is not possible to find out now whether he actually spent Rs. 4.00 or not
to the actual expense. The request may be negatived / W A
