Sir,

Sub : * F E E S - School fees - Secondary Education, Municipal high school, Gudiyattam - Levy of tenth instalment - Sanction.

ENCLOSURES.....

SPARE COPIES.....

The Headmaster, Municipal high school, Gudiyattam submitted proposals for the abolition of the 4th class and to open one more additional section in each of the Forms I to III and class V and to absorb the 4 Secondary grade teachers of the 4th class in the vacancies that may arise due to the opening of additional sections in other classes and forms. This proposal was approved by the council in its resolution No. 726 dated 27-3-1946 after the results of the school examination was announced, the headmaster reported that according to the strength on rolls then, in case 4th class is to be abolished one additional section in each of the forms I to IV and in class 5 would be required and as an alternative, if the 4th class was not abolished, one additional section in each of the forms II and IV would be required. (Copy of the report dated 24-5-1946 of the headmaster enclosed). This proposal was placed before the council together with note dated 27-5-1946 of the Commissioner (Copy enclosed) at its meeting held on 12-6-1946. On the oral representation made by the members of the rate payers' association of Gudiyattam, the council decided in its resolution No. 134 (Copy enclosed) to allow the 4th class ~~can~~ to continue and sanctioned the additional teaching staff required for the alternative proposal submitted by the Headmaster and approved the Commissioner's note. The approval of the District Educational Officer was applied for opening additional sections and obtained. The additional sections have been opened. As regards the levy of 10th instalment of fees to meet the extra expenditure involved in the opening of additional sections, as resolved by the council, the District Educational Officer stated that Government sanction should be obtained. The net cost to the council on the maintenance of the Municipal high school for the year 1945-46 was Rs 7181-13-3. This will further be increased during the current year. The Deputy Inspector of Municipal Councils and Local Boards, Central Range, Vellore, after examination, the high school receipts and expenditure has suggested in his last inspection notes that the levy

levy of tenth instalment of fees in the Municipal high school might be considered.

I, therefore, request that the Government may be pleased to sanction the levy of tenth instalment of fees in the Municipal high school from the current school year, ie. 1946-47. I solicit early orders.

A. CLASSES. 4th class rooms. An estimate for Rs 2,850/- has been prepared and the sheds will be put up after obtaining sanction of the competent authorities.

Additional capital expenditure Rs 2,850/-.

B. TEACHERS.

If the class 4 is allowed to continue, one additional section in each of forms II and IV have to be opened. For this, one Secondary grade teacher and one Science L.T. are required by the headmaster. When passing the budget estimate the council has resolved to make provision for appointment of two Secondary grade Urdu knowing teachers. The headmaster has further requested for an appointment of an additional drawing master. The total expenditure for these appointments for the year comes to Rs 2040/-.

C. EQUIPMENT. The headmaster has requested 120 Duel desks, 12 black boards with stands, 12 tables and 20 chairs and 12 screens. Steps are being taken to purchase about 40 desks, 12 black boards, 3 office racks and provision of screens. For providing the balance of articles a sum of Rs 4515/- is required.

For these items there is no provision in the sanctioned Budget. The expenditure required for the appointment of two Secondary grade Urdu knowing teachers will be met from the diversion of hospital savings as resolved by the council if sanctioned by Government. The suggestion of the Deputy Inspector of Municipal Councils to levy the 10th instalment of school fee may be considered by the council to meet the other recurring expenditure. As per the capital expenditure, the sheds and the furniture already sanctioned alone may be provided this year. There is no fund to provide for the entire articles required

required by the headmaster. Specific sanction may be given for the creation of the additional posts.
