Respected Sir,

Public Services--Madras Stationery

Madras--Appointment.

In continuation of my application dated 24th September 1946, I beg to state that I have since received a communication from the Madras Public Service Commission X.L.Dis dated 10-10-46 (copy enclosed).

2. I beg to state that my object in applying for the post of Asst. Supdt. is that in the existing two permanent vacancies of the post of Asst. Supdts. and hereafter arising future leave vacancies of the same cadre, my claim for the suitability of the post on the analogy of Sri M.R. Srinivasan now acting as Asst. Supdt. will be considered. Under the existing statutory rules Governing the Stationery and Printing Services, appointment may be made by direct recruitment or by transfer. I may be permitted to point out in this connection that Sri S. Appadurai Pillai's appointment as Assistant Supdt., was made by transfer in consultation with the Madras Public Service Commission. I possess all the requisite qualification as an Assistant Superintendent should possess according to the latest G.O. I am a Hindu, Non-Brahmin, aged 29 years.

3. In the circumstances I humbly beg to request that my claim for the post of an Asst. Supdt. for any vacancies may be considered as one on transfer for which act of kindness I shall feel highly grateful.

I beg to remain,
Respected Sir,
Your most obedient servant,

R. Sivanandam.

Refce. Memo No. 63041-1-F.1 Edn. dated 30th October 1946.

With reference to the above Memorandum, I have the honour to forward herewith a letter dated 16-10-1946 from Sri R. Sivanandam addressed to Government together with a communication (in original) received by him from the Madras Public Service Commission and have to state that he has not the same qualifications or training as Sri M.R. Srinivasan. It is true he holds the L.P.T. Degree but his work has all along been that of section despatcher and now acting Junior Foreman which do not fit him for the post of Assistant Superintendent. He tells me that his object in writing this application is to get his name on the waiting list for appointment when vacancies occur. No such waiting list is maintained.

2. Personally I very much doubt his suitability for the post as he has not the right temperament and is arrogant and impetuous but there would be no objection to his taking his chance when the

Govt. Memo. to the S.G.P., No.63041-1-F.1, Edn., dated 30-10-46.
From the S.G.P., No.174-Mis., dated 11th November 1946.

Sri Sivanandam, Junior Foreman, Govt. Press, has applied for
the post of Asst. Superintendent, Govt. Press, by transfer.

Sri Sivanandam applied for the post of Assistant Superintendent
in September last and his application was forwarded to the Madras
Public Service Commission. In that connection the S.G.P., stated
that if Government had no objection, his application might be
forwarded to the Public Service Commission ^{to} and he take his chance
at interviews for selection to the post to take place early in
October '46. ^{* The application was forwarded to the Commission} The reply of the Commission to the application is
on page 3 c.f., in which the Commission stated that he might apply
to the Commission for appointment as Assistant Superintendent to
the Govt. Press as and when it invited applications and if he
satisfied the terms of the Commission's advertisement. Sri Siva-
nandam now applies for the post of Assistant Supt., by transfer
quoting the instances of Messrs. Appadurai Pillai and Srinivasan.
It is presumed that Sri Sivanandam possesses the necessary quali-
fication for the post of Asst. Supt., and this point will of
course be verified when the question of ^{his} ~~actual~~ appointment arises.
The existing rules permit the appointment of Asst. Superintendent,
Govt. Press, by direct recruitment or by transfer from any other
service and it is always open for Government, if it is proposed to
fill the vacancy by transfer from any other service, to address
the Public Service Commission with the special reasons for such
appointment. The S.G.P., says that though Sri Sivanandam holds
L.P.T. Diploma, he has not the same qualification or training as
Sri M.R. Srinivasan. The Attention is also invited to the
S.G.P.'s personal opinion of Sri R. Sivanandam at 'M' on page 7
c.f. At the same time, the S.G.P., says that there would be
no objection to his taking his chance when the Commission invites
applications should no suitable candidate with war services be
found when the next batch comes up for selection next month.

As against the personal opinion of Mr. Lepper, please see certificates given by Messrs. Siddique, Senior Dy. Superintendent, and Sri Appadorai Pillai, retired Asst. Superintendent, on pages 13 and 15 c.f.

As regards the remark of Mr. Lepper at 'A' above, it is submitted that Sri Srinivasan was specially trained for the post of Asst. Superintendent under a Gazetted Officer in the Press creating for him a temporary post of Chargeman. If Sri Sivanandam is considered fit for the post of Asst. Supt., in view of his holding L.P.T. Diploma, there seems no objection to giving him the necessary training as in the case of ~~Mr~~ Sri Srinivasan, before he is appointed as Assistant Superintendent.

Till now, it is submitted that no other candidate ^{from the Press} has ~~been~~ ^{applied} approached Government for the post of Assistant Superintendent

with the L.P.T. Degree qualification and this may be due to the fact that there is a paucity of people possessing the qualification ^{required} for the technical gazetted work in the Press.

Before proceeding further, it is for orders whether the S.G.P. may be asked to furnish the comparative qualifications of

Sri M.R. Srinivasan and Sri R. Sivanandam.

J.D. 14.11.46
certificates that are given to a person on request are usually not likely to be as candid as remarks made in a personal file and in a confidential reference. The latter remarks have therefore to be taken into discount.

Let Sivanandam take his chance of appointment to the A.P.S.C., should no candidate with war service be found
