The Board instructed the collectors of all districts except Madras to send indents to the Superintendent Government Press Madras for the supply of E and F forms prescribed under the procurement scheme if the stock with them was not sufficient for current requirements. The Superintendent Government Press Madras has reported that the forms can be printed only on receipt of indents from all the collectors concerned. The Collector of Chingleput has reported that the forms already printed have completely run out. It may take sometime for the collectors of other districts who are not in immediate need of the forms to verify and report the number of copies of forms required by them for the year, which will mean delay in the printing of the forms by the Superintendent Government Press. As procurement work cannot proceed without these forms, the Board has instructed the collectors to get the E and F forms printed locally whenever necessary supplying the required paper from their allotment of stationery and replenishing their stocks by indents on the Superintendent of stationery. The cost of the form will however be recovered from the dealers to whom they are supplied. The Board requests that its action may be approved.

To the Secretary to Government,
Education and Public Health Department,
Madras.
