Dear Dr. Savoor,

C/67-1805

Please refer to G.O.No.811, Edn., dated 15-4-46, sanctioning the opening of B.A.(Geography and Maths.) and B.(Com) courses in the Government Arts College, Coimbatore, with effect from ^{the academic year} 1946-47. For the B.Com. Course, the language to be studied, other than English, is French. It is now considered desirable that the Asst. Lecturer^{to} be appointed to teach French, should be qualified to teach Hindi ^{also, and} that option may be given to students to choose either French or Hindi, as Coimbatore is a leading centre with trading connection in North India. I am to ask for your views on the suggestion and also to suggest ways to give effect to it.

Dr. S.R.U. Savoor, M.A.,
D.Sc.(London), I.E.S.,
P.O., Madras.

Station Madras, Dated the 11th June 1946.From (Name) Dr. S. R. U. Sanyal, M.A., D.Sc., I.E.S.,(Designation) Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Fort St. George, Madras.

Sir,

(K)

In their Order No. 1349-Education dated 4.9.1945, the Government sanctioned my proposal to teach "French" under Part II of the Intermediate course in the Government College, Coimbatore, and to employ an Assistant Lecturer in French in the scale of Rs. 100-200 both with effect from the academic year 1945-1946. One Miss E. Tellis was appointed under Rule 9(a)(1) of the General Rules for Provincial and Subordinate Services to hold the post. This appointment was approved by Government - Vide Director's letter Roc. No. 3935-C/45 dated 9.10.1945 disposed of in G.O. No. Ms. 1824-Education dated 7.11.1945. Her services were terminated on the last working day of the college in that academic year as the appointment was only temporary.

①

2. In my letter G. No. 4568-C/45 dated 30.11.1945 the Secretary, Public Service Commission, Madras, was requested to recruit among other candidates a candidate for French (S. E. S. (CB)-M. B.) for appointment to the post

referred to in para 1 above. In his letter No. 6340-B2/45-10 dated 2.4.1946 while forwarding list of candidates selected the Secretary had reported that no candidate was available for recruitment to this post. As a Public Service Commission candidate was not thus available I have appointed Miss E. Tellis again under 9(a)(1) of the General Rules for Provincial and Subordinate Services to take effect from the reopening of the college on 21.6.1946.

3. Miss E. Tellis possesses high academic and professional qualifications - vide her Diplomas of the University of Bombay enclosed - Her date of birth is 26.4.1917. In view of the paucity of candidates in the men's branch and the high qualifications possessed by Miss E. Tellis I have the honour to request that Government may be pleased to exempt Miss Tellis from possessing the Statutory qualifications and to order her appointment as a regular member of the service and in the Men's Branch from 21.6.1946.

Office of the Director of Public Instruction, Madras, Dated 21st June 1946.

Dear Mr. Viswanatha Ayyar,

Sub:- Government College, Coimbatore - Teaching of Hindi under Part II - B. Com.

... please see your D.O. No. 31666 A/46-1 Education dated 15-6-46. While I agree with what has been stated in your D.O. regarding the desirability of introducing Hindi in a place like Coimbatore, I have to state that it is not possible to combine the teaching of French and Hindi in one person for the following reasons:-

French and Hindi classes under Part II B. Com. will have to be held during the same hour as they are to be offered as alternatives. Further present Assistant Lecturer in French in the college does not know Hindi. She will be having 4 hours of work in the Junior - Intermediate, 4 hours in the Senior Intermediate and 6 hours in the B. Com. Thus it would be seen that the same person cannot handle both the subjects.

If Hindi also is to be taught, a separate Assistant lecturer in Hindi will have to be appointed and the University approached for necessary affiliation for the teaching of Hindi under Part II B. Com. According to the University's regulations applications for affiliation in new subjects for any year should reach the university authorities before the 31st October of the previous year. It is thus too late for us to have Hindi this academic year. But application for affiliation in Hindi for 1947-48 will be made in due course.

Yours sincerely,

S. R. S. S. S.

Mr. M. V. Ramana Murthy,

Government College, Coimbatore - Teaching of Hindi
Under Part II - B. Com.

Please see your D.O. No. 3166 VAG-1 Education dated 18-6-46.
While I agree with what has been stated in your D.O. regarding the
possibility of introducing Hindi in a place like Coimbatore, I have
to state that it is not possible to combine the teaching of French and
Hindi in one person for the following reasons:-

French and Hindi classes under Part II B. Com. will have to be
held during the same hour as they are to be offered as separate
subjects. Further, Assistant Lecturer in French in the college is
a full-time post. She will be having a share of work in the Junior
Intermediate, a share in the Senior Intermediate and a share in the
B. Com. This it will be seen that the same person cannot handle
both the subjects.

It is also to be noted, a separate Assistant Lecturer in
Hindi will have to be appointed and the University appointed for
necessary attention for the teaching of Hindi under Part II B. Com.
According to the University regulations, applications for admission
in new subjects for any year should reach the University authorities
before the 31st October of the previous year. It is too late
for us to have Hindi this academic year. But application for ad-
mission in Hindi for 1946-47 will be made in due course.

 I understand that a language other than English should
 be studied by the boys who take B.Com and that the language is
 usually either French or Hindi. I am told that B.Com is one of the
 subjects for the B.A. in Coimbatore. I will be glad to know what
 language has been recommended for study by the B.Com students in
 Coimbatore, Hindi or French? Posting teachers for teaching these
 subjects may be made after consulting the Government in this
 matter.

D.O. No. 528 Ak/46 dated 21-6-46.
**

The D.P.I. considers that it is not
possible to combine the teaching of French and
Hindi in one and the same person in the Govt.
Arts College, Coimbatore, for the reasons stated
at 'A' in his D.O. on P.5 C.F. If Hindi is to be
offered as an alternative language in addition
to French in the B.Com. Course, a separate Asst.
Lecturer in Hindi will have to be appointed.
The University has also to be addressed for
~~negotiation~~ affiliation for the teaching of Hindi
under Part II of the B.Com. Course. It is now too late
to do this, as the application should have been sent
to the University before the 31st October of the
previous year. The question of introducing Hindi
in the next academic year
may be considered for next year, the Director
being asked to address the Govt. and the University
sufficiently early.

2 The Director has proposed for appointment of
Miss L. Tellis, the present Asst. Lecturer in
French in the Coimbatore College as a regular
member of the Madras Edl. Sub Service in the Men's
Branch from 21-6-46. She is at present appointed
under emergency provision (i.e.) Rule 9(a)(i) of
the General Rules for Madras Provincial and Subordinate
Services.

The Director says that though she does not

possess the qualification laid down in the service rules, she possess high academic and professional qualification.

The questions dealt with in the file are as follows:-

(1) Introduction of Hindi under Part II in the Govt. Arts College, Coimbatore:-

At the instance of H.M. (Edn.) the question whether Hindi cannot be introduced as a subject under Part II for the B.Com students in the Govt. Arts College, Coimbatore is put to the D.P.I. Please see the reply from the D.P.I. on page 5 C.F. and the note of E. & P.H. on p.3 above. No remarks seem called for on the view of E. & P.H. at 'A' on page 3 above.

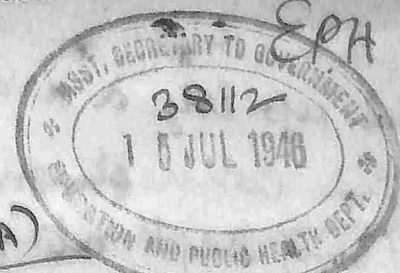

(2) Appointment of Miss E. Tellis as a regular member of M.E.S. regularly to the post

of Assistant Lecturer in French in the Men's branch in the Govt. Arts College, Coimbatore:- The post of Assistant Lecturer in French in the Men's branch in the Govt. Arts College, Coimbatore, was sanctioned upto the end of the academic year 1946-7 in G.O. 1349, E. & P.H. dated 4-9-45. During the first academic year viz., 1945-6 the D.P.I. appointed Miss. E. Tellis as an emergency measure under Rule 9 (a) (1) of the General Rules for Provincial and Subordinate Services as the services of a qualified male candidate were not available at the time. As the M.P.S.C. could not recruit a qualified male candidate for the post during the current academic year also, the D.P.I. proposes to appoint Miss. E. Tellis as a regular member in the M.E.S. from 21-6-46 to the post in relaxation of the Statutory qualifications viz., age limit etc. - vide para 3 of the D.P.I.'s letter on page 4 C.F. E. & P.H. propose to refer the matter to the M.P.S.C. Please see the note of Public (Services) on page 4 above. No remarks seem called for.

ES 23-7-46
24-7-46
DM 25/7/46

Issued as T.M. 2, 15.8.46
[From the D.P.I., P.C. 2 T.M. 2, 15.8.46]

A temporary post of Asst. Lecturer (French) in the Govt. Arts College, Coimbatore, was sanctioned with effect from the last college-year, in the G.O. at "K" C.F.9. As no qualified male candidate became available, one Miss E. Tellis was apptd. to the post temporarily; she held it under emergency provisions throughout last year.

2. The prescribed methods of recruitment to posts of Asst. Lecturers are (1) promotion from within the service; (2) direct recruitment; and (3) transfer from any other service. Since the M.E.S.S. special rules do not lay down any proportion, according to which vacancies of Asst. Lecturers (and Asst. Professors) are to be filled by the three methods, rule 5 of the general rules would not apply here, and, apparently, for this reason all the vacancies arising since 1-1-43 are being reserved, under the M.C.S. (War Service Personnel) Recruitment Rules, for War Service men. The temporary post referred to above should, therefore, ^{therefore,} seem to be reserved to be filled by direct recruitment--by a war candidate with reference to G.O. at "P"--i.e., the view taken at 2 on p. 5 N.P. of G.O. 1086 Edn., dated 1-6-46, will not have bearing in this case; any regular appt. (whether of a direct recruit without war service or of a promotee if one were available) should be only for such period as until the services of a war candidate become available.

3. The M.P.S.C., ^{which} ~~who~~ was requested by the D.P.I. to select a ~~first~~ ^{direct} recruit for regular appt. to the post, reported that no candidate was available. The Director, therefore, apptd. Miss. Tellis herself temporarily, from the beginning of the current year. His present proposal is that, in view of the paucity of men and of the high qualifications

2
of Miss Tellis, the relevant rules ^{may} ~~should~~ be relaxed in her favour, to enable her regular appt. The Director's intention seems to be that, even if Miss Tellis is ~~ousted~~ ^{likely to be long,} ~~ousted~~ by a War Candidate, she may be absorbed as School Assistant or in any other post for which she may be qualified, and that her service ^{likely to be long,} should not go without being recognised. As Asst. Lecturer's posts are within the purview of the Commission, it has to be consulted first as to whether it considers Miss Tellis fit for the post; if it considers her so, then the relaxations may be made, after circulating the case. In any case, if Miss Tellis's appt. is regularised, she should be informed specifically that the appt. will last only till a war candidate joins. A draft letter to the Comm. is subd. Pub (Ser) may see, with reference to "W" on p. 4 ~~and~~ ^{also} and say whether the position set out in para 2 above is correct.

[The information has called for in the T.M. on p. 10 CF will be added to the file when received. To save time action may be taken now as proposed in the note.]

post 25/10/46 S
The present policy of reservation for war personnel is modified here is no justification for taking up any case at all for regular appointment to a post now standing reserved.

A case for relaxation should be taken up only when the normal method of recruitment has failed for a regular vacancy has not yet yielded any recruits; that has yet to be tried. So I consider the present proposal to be negative.

In fact, a suggestion was made to the D.P.I. that Coimbatore needs Hindi and not French as a commercial language subject in the college. While I agree with the recommendation above that Miss. E. Tellis, Assistant Lecturer in French, ~~be~~ ^{not be} appointed as a regular member of the M.E.S.S. in the Men's Branch, the Director may be told that there is no need to continue French in the Coimbatore College and that he may immediately make arrangements to introduce Hindi as a commercial language for B.Com. students instead of French.

A proposal to introduce Hindi for the B. Com. Coimbatore college, is being considered as a Part II scheme. The draft order may issue. Action will be taken separately for abolition of French in the college.
