The humble memorial of A. Paru amma Head Teacher Board Girls' School, Peringottukurussi

Respectfully showeth :—

(1) that, on account of the present war conditions, the market prices of rice, cloth, kerosine, gingily oil, coconut oil, and other necessaries of life have abnormally increased. This is clear even from the index tables published by Government.

(2) that, in Malabar, the rice in price has been the highest in the Presidency.

(3) that, consequently, the memorialist finds it extremely hard to maintain himself and his family on his present salary of Rs. 21

(4) that, owing to the inadequacy of his present salary to meet the abnormal increase in the cost of living, he is running into debt and will soon be on the verge of insolvency

(5) that his present position, therefore, demands immediate pecuniary relief.

(6) that, realising the difficulties of their low paid servants, Government themselves have sanctioned varying rates of dearness allowance to their servants and have permitted Local Boards to grant similar allowance to their servants.

(7) that, private employers like factory owners and quasi public agencies like Railway Companies have also given generous aid to their low paid employees to allow them to tide over these difficult times

(8) that the Malabar District Board has not yet granted the dearness allowance allowed in G. O. No. 2788, L. A. dated 19—9—'42 to its servants and

(9) that, therefore, he humbly prays that the benign Government may be pleased to consider his present pitiable circumstances and to issue immediate orders to the District Board making it obligatory to grant dearness allowance to the memorialist at the rates sanctioned to Government servants treating the expenditure as a prior charge on District Board funds.

For which act of justice and generosity, the memorialist shall, as in duty bound,

Sir,

Sub: Agency - Institutions and Offices - Provision in the rules for regulation of imposition of penalties on the staff - Proposal submitted.

With reference to Govt. Memo.No.58957/44-A1, Education, dated 10-3-45, I have the honour to state that the transfer to Government management, of the Board High School, Polavaram, and the Board Elementary Schools in the Polavaram Taluk, which was effected in G.O.No.1495, Education, dated 19-10-42, renders it necessary, to make provision in the Civil Services (Classification, Control and Appeal) Rules, to regulate the imposition of penalties on the staff of Government School in the West Godavari Agency and also to determine the authority by whom they should be appointed.

2. Government, in their Memo.No.1699 (S), B-42-7, Education dated 23-1-43, have stated that the Government Elementary School in the Polavaram Taluk would be under the control of the Special Assistant Agent, Kovvur, and the Agent to the Government of Madras, West Godavari, and the Government High School, Polavaram under the Agent. On the strength of this G.O., the Agent, whom I have consulted, suggests that he should exercise the power of appointment in respect of the following posts in the Madras Educational Subordinate Service, as well as the power to impose any of the penalties mentioned in Rule 8 of the Civil Services (Classification, Control and Appeal) Rules

(i) School Assistants and Headmaster
(ii) Secondary Grade Teachers
(iii) Pandits and Munshis
(iv) Physical Training Instructor
(v) Manual Training Instructor
(vi) Drawing-master
} Government High School, Polavar

He (the Agent), however, agrees with my proposal that the Speci Assistant Agent should exercise the power to impose statutory penalties other than compulsory retirement, removal or dismiss from service in the case of the subordinates mentioned below, the Agent the rest of the penalties.

Secondary Grade teachers in the Elementary Schools in the West Godavari Agency.
Higher and Lower Elementary Grade Teachers in the Elementar Schools in the West Godavari Agency.

He also agrees with my proposals in regard to the regulation imposition of penalties, in so far as it relates to clerks an attenders employed in the office of the Deputy Inspector of schools, Polavaram and the Government High School, Polavaram. I enclose copies of my proposals as sent to the Agent for hi remarks and of the proposals as modified by the Agent.

3. For the reasons given below, I do not agree with the suggestion of the Agent that the powers of appointment and of imposition of any of the statutory penalties in respect of the six categories of posts in the Government High School, Polavaram referred to above and in respect of Secondary Grade Teachers in the Agency Elementary Schools should completely vest in hi and the Special Assistant Agent, Kovvur. Firstly, the said posts are included in the cadre of the Madras Educational Subordinate Service. Please see G.O.Ms.No.524, Education, dated 10-4-44. In view of such inclusion, and having regard

regard to the maintenance of proper standards of efficiency in the Agency Schools and also the interests of teachers, I consider it necessary and desirable that the Deputy Director of Public Instruction (Personnel) and the Divisional Inspector of Schools, Guntur Division, as the case may be, should exercise the powers of appointment in the case of subordinates as shown in Annexure I, and the powers to impose certain penalties on them, to the extent specified in Annexure II. I may point out, in this connection, that there is a precedent in favour of my proposal in this regard. The posts of Assistant Lecturers in Physics, Chemistry and Biology in each of the Medical Institutions, the Andhra Medical College, Vizagapatam, the Stanley Medical College, Royapuram, and the Madras Medical College, on transfer to the Education Department were included in the cadre of the Madras Educational Subordinate Service. Please see G.O.Ms. No.2418, P.H., dated 12-12-1931. The Deputy Director of Public Instruction (Personnel) has been exercising ever since the power of appointing these Assistant Lecturers in the above medical institutions. He also reserves to himself the power to impose any of the statutory penalties on them.

4. If, however, Govt. accepts the suggestions of the Agent, I consider that the posts in the Agency Schools may well be transferred to the Revenue Department. But I feel that the Agent's proposals, if given effect to, may in the long run, undermine the efficiency of staff in the Agency Schools. The reasons are obvious. The benefit of the services of persons of ability and experience may be available to the Agency Schools, since the range of choice of personnel is wide in the Education Department. This benefit will surely be denied to the Agency Schools, if the posts in such schools are re-transferred to the Revenue Department. Under the Agent's proposals, a person appointed to a post in the Agency Schools will have no prospects beyond his usual incremental scale of pay in that post and he has to stick to that post throughout his official career. This may, in effect, result in stagnation and cause discontentment among the staff. Further, I am of opinion that vesting of powers of appointment and of imposition of the severer penalties in the Deputy Director of Public Instruction (Personnel) and the Divisional Inspector of Schools, Guntur Division, will not in the least affect the administrative control being maintained by the Agent and the Special Assistant Agent.

5. In the event of my proposals being agreed to, I request that Government may be pleased to approve my proposals as shown in annexures I and II.

I have the honour to be,
Sir,

I regret I am unable to agree with your suggestions. The Administration of partially excluded areas is peculiar (Sections 91 and 92 of the Government of India Act) and the rules in force in ordinary areas cannot be made applicable to these Agency areas in to-to.

I invite your kind attention to Government Memorandum No.1699-S-B-42-7, Education, dated 23-1-43, according to which the control of the Government High School at Polavaram is vested in the Agent to the Government of Madras, West Godavary. The powers of appointment of Secondary grade teachers in the Agency schools has already been vested in the Agent. (Vide G.O.No.2621 Law (Edn.) Department, dated 17-12-29 and Rule 65 of the Agency rules). In view of these Government Orders, it is obvious that the powers of appointment and punishments, including dismissal and removal, of the Head Master and the teachers and other staff employed in the High School at Polavaram must similarly be vested in the Agent, and not in any officer of the Education Department; the Board of Revenue will be the appellate authority against the orders of the Agent. It ~~is~~ will not be appropriate for the Agent to have the power only to impose minor penalties and to make the Deputy Director of Public Instruction (Personnel) and the Divisional Inspector of Schools the authorities for appointments and punishments. The rules to be framed may be analogous to the rules applicable to the High Schools under the management of District Boards and Municipal Councils, the Agent being in the position of the Manager of the Schools, Consultation with the District Educational Officer contemplated in G.O.No.953, Education and Public Health, 60/

2) I return herewith the proposals for amending the rules with regard to imposition of penalties etc. after making necessary modifications on the above lines.

ASST. SECRETARY TO GOVERNMENT

EDUCATION AND PUBLIC HEALTH DEPT.

Sir,

Sub: Agency - Inspectorate - Deputy Inspector of Schools, Junior and Senior Scales - Provisions in the Rules for regulation of appointments and imposition of penalties - Proposals submitted.

4053-

I have the honour to state that in G.O.No.Ms. 556 Edn dated 10-4-45, Government have ordered that three Deputy Inspectors of the Senior Grade and three Deputy Inspectors of the Junior Grade should be employed in the Agency tracts, as indicated below:-

Vizagapatam Agency	...	1 Deputy Inspector (Senior)
		1 Deputy Inspector (Junior)
East Godavari Agency	...	1 Deputy Inspector (Senior)
		2 Deputy Inspectors (Junior)
West Godavari Agency	...	1 Deputy Inspector (Senior)

pp.22-23, ... 114

2 There is at present no provision in the special rules for the Madras Educational Subordinate Service, regarding the authority, who should make appointments to the posts of both Junior and Senior Deputy Inspectors of schools in the Agency. However, the Deputy Director of Public Instruction (Personnel) has been and is -- exercising the powers of appointment in respect of Junior Deputy Inspectors inthe Agency tracts, whereas the Divisional Inspector of Schools, Guntur Dn is exercising this power in respect of Junior Deputy Inspectors other than those in the Agency. I now consider that this power to appoint Junior Deputy Inspectors in the Agency tracts also may well be delegated to the Divisional Inspector of Schools, Guntur Dn.

pp.32-33, BK. 112

3 There is also no provision in the Civil Services (classification, control and appeal) Rules to regulate the imposition of penalties on Senior Deputy Inspectors of Schools in the Agency. In view of the three newly created posts of Senior Deputy Inspectors of Schools in the Agency sanctioned in the Government order referred to above, there is need for such provision being made.

4 The Agent to the Government of Madras, Vizagapat whom I consulted states that he has to exercise the powers of appointment and punishment in respect of Senior Deputy Inspector of schools in consultation with the Education Department, as he i the -- administrative officer for Education in the Agency. The Agents to the Government of Madras, East and West Godavari, however, agree with my provisional proposals that the power of appointment in respect of posts of Senior Deputy Inspectors of schools should rest in the Deputy Director of Public Instruction (Personnel) that the power to impose statutory penalties on the other than compulsory retirement, removal or dismissal from the service, may be exercised by them (the Agents) and that th power to impose the rest of the penalties, namely, compulsory retirement, removal or dismissal from service may be retained by the Deputy Director of Public Instruction (Personnel). I not agree with the suggestion of the Agent to the Government Madras, Vizagapatam for the reason that the Agent's status administrative officer for Education in the Agency will by means be impaired, if my proposals are accepted.

I enclose copies of correspondence with the Agents on the subject.

...

I have the honour to state that three/new posts in the category of Senior Deputy Inspector of Schools (in the Agency) have been sanctioned by Government, on post in each of the Vizagapatam, West Godavari and East Godavari Agencies. I consider it desirable th-t the power of appointment in respect of these posts should vest in the Deputy Director of Public Instruction (Personnel). But you may exercise power to impose statutory penalties on them, other than compulsory retirement, removal or dismissal from the service, and power to impose the rest of the penalties, namely, compulsory retirement, removal or dismissal from service, may be retained by the Deputy Director of Public Instruction (Personnel). I, therefore, request you to let me know whether you have any objection in regard to the above proposals.

The favour of an early reply is also requested.

The Agent has to continue as at present to exercise the powers of appointment and punishment of Senior Deputy Inspector of Schools also in consultation with the Educational Department officers, as he is the Administrative officer for Education in the Agency. So long as the Agent is responsible for Education in the Agency, he must have disciplinary control over the subordinate educational officers in the Agency.

I regret I am unable to agree with your suggestions. The Administration of partially excluded areas is peculiar (Sections 91 and 92 of the Government of India Act) and the rules in force in ordinary areas cannot be made applicable to these Agency areas in toto.

t in LF

I invite your kind attention to Government Memorandum No.1699-S-B-42-7, Education dated 23-1-1943, according to which the control of the Govt. High School at Polavaram is vested in the Agent to the Government of Madras, West Godavari. The powers of appointment of Secondary Grade teachers in the Agency Schools has already been vested in the Agent. (Vide G.O.No.2621-Law (Edn) Department, dated 17-12-1929 and Rule 65 of the Agency rules). In view of these Govt. Orders, it is obvious that the powers of appointment and punishments, including dismissal and removal, of the Headmaster and the teachers and other staff employed in the High School at Polavaram must similarly be vested ~~to~~ in the Agent, and not in any officer of the xxxxxxxx Education Department; the Board of Revenue will be the appellate authority against the orders of the Agent. It will not be appropriate for the Agent to have the power only to impose minor penalties and to make the Deputy Director of Public Instruction (personnel) and the Divisional Inspector of schools the authorities for appointment and punishment. The rules to be framed may be analogous to the rules applicable to the High Schools under the management of the District Boards and Municipal Councils, the Agent being in the position of the Manager of the schools, consultation with the District Educational Officer contemplated in G.O.No.953 Education and Public Health Department, dated 30-6-42 and G.O. No.1496 Edn and Public Health Department, dated 28-6--1938 in respect of appointments of the Headmaster and teachers in L.T. or B.Ed. cadre of the High School will be unnecessary and may be dispensed with.

The Government accept the proposal of the D.P.I. that in the case of Deputy Inspectors of Schools, Senior scale, in the Agency, the Deputy Director of Public Instruction (Personnel) may be the appointing authority and the authority to impose the penalties of compulsory retirement, removal or dismissal from service and that the Agent to the Government, concerned, may be the authority to impose the other penalties specified in the Civil Services (Classification, Control and Appeal) Rules. They do not, however, see sufficient justification to accept any of the suggestions of the Director relating to the appointing or punishing authorities ~~concerning~~ for the Deputy Inspectors of Schools, Junior scale, in the Agency; the statutory rules should ~~in this respect~~ remain unaltered. The minor amendment indicated in the Note under Appendix B to the letter cited is, however, agreed to.

AGENCY - West Godavari - ~~Staff in Ely.~~ Peons in Agency schools - Authorities competent to punish - Civil Services (C.C.&.A) Rules - Amendment.

From the Agent to Govt., West Godavari, No.H.5.6330-44 dated 25.11.1944.

M3-4 CF

p2 cf

Please see the letter from the Agent to the Govt., West Godavari and its enclosures in file C.3. The Agent has suggested amendments to the Civil Services (C.C.&.A) Rules so as to lay down the authorities competent to punish peons in the Govt. Ely. and High schools in the Agency. They have been accepted by the D.P.I. The amendments will cover the case of peons in all the three Agency Districts. They may be accepted- It does not seem necessary to consult the Agents East Godavari and Vizagapatam in the matter.

2. Incidentally it may be observed, in this connection, that in the rules relating to the Agency Establishment, in other classes of Subordinates under 'Edn. Deptt.' only the Agents to the Govr., Vizagapatam and E.Godavari are mentioned but not the Agent W.Godavari - see last col. against item 3(1), cols(vi), (viii) & (ix) against item 6(ii) on pp. 50-51, last col. against item (viii) on pp. ~~59~~ 58-59 and 3(vii) on pp. 60-61 of the C.C.&.A. rules. These require amendment as there are similar staff in the Agency tracts in the W.Godavari Dt. also now and the Colr. of W.Godavari is the Agent to the Govt. This opportunity may be taken to amend the rules ~~also~~ suitably. E & P.H. may be requested to suggest suitable amendments in consultation with the D.P.I. and the Agents if necessary.

Provision should be made in the civil service (C C & A) Rules for the imposition of ~~any~~ penalties on the staff. The D.P.I. may be consulted on the point.

In 1942 the Polavaram taluk which was included in the East Godavari agency was transferred to the West Godavari Dt. and was constituted into a separate agency. The high school at Polavaram and the elementary schools in the Polavaram taluk which were maintained by the Agency Dt. Board, East Godavari, were taken over with the staff employed therein under direct Govt. management. The staff & establishment in the schools may be grouped under the following heads :—

High School

(1) L. T. teachers including headmaster
(2) Secondary grade teachers
(3) Pandit
(4) Instructors (physical training)
(5) drawing master
(6) clerk
(7) attender
(8) peon

Elementary school

(1) Secondary grade teachers
(2) Higher Elementary grade teachers
(3) Lower elementary grade teachers
(4) peon

A

The inspecting ~~agency~~ staff for the agency has also been reorganised

3355

A

reorganised this year. A senior deputy Inspector of Schools is in charge of schools in the West Godavari Agency and he has also a peon.

2. Provision should be made in the Statutory Rules ~~for~~ Civil services (Classification, Control and Appeal) Rules in regard to the following:-

(1) authorities who are competent to make appointments to these posts;

(2) authorities who should be empowered to impose one or other of the penalties specified in rule 8 of the classification, control and appeal rules;

(3) authorities to whom an appeal against the order of imposition of penalties should lie;

(4) verbal amendments consequent on the constitution of the West Godavari Agency.

(1) above: Appointing authority: The D.P.I. considers that the power to make appointments in most cases should vest in the Deputy Director of Public Instruction or the Divisional Inspector. The Agent is of the view that he should exercise the power. The position is noted on below:-

(a) Deputy Inspector of Schools (Senior): Appointment to this post should be made by the Deputy Director of Public Instruction. There is no dispute about this though there is no reference to this in the Director's letter.

H

(b) Posts in the high school: It appears that the power should vest in the Deputy Director of Public Instruction or the Divisional Inspector of Schools as the case may be for the reason mentioned by the Director in paragraphs 3-4 on pages 7-8 c.f.

(c) Secondary grade teachers in elementary schools: The power to make appointment to posts of secondary grade teachers in schools in the other agencies is vested in the Agent. It is not clear why the D.P.I. desires that the power should be exercised by the Divisional Inspector in respect of West Godavari Agency alone. The procedure should be uniform. The Agent may, it appears, exercise this power, ~~also~~.

(d) Higher and lower elementary grade teachers: No remarks.

(e) Clerk, attender and peons in school: There is no

56

reference to these posts in the D.P.I.'s letter and statement. The D.P.I. may be consulted ~~again~~ about the omission.

(2) On page 3 ante: Authority who should impose penalty:

(a) Deputy Inspector of Schools: Reference to this post has been omitted in the Director's final statement presumably by oversight. The omission may be supplied. as on page 7 of (X). These D.P.I. and the Agent agree on this.

A.T.M. has been sent to D.P.I. On receipt of a reply it will be ~~sent to~~ ~~Public~~ ~~[illegible]~~ noticed as separately
[illegible]

(b) L.T. Teachers including headmasters, Secondary grade teachers and Pandits and Instructors in the High Schools.:

The power to compulsorily retire, remove or dismiss the teachers should, according to the D.P.I., vest in the Educational Department, Deputy Director of Public Instruction or Divisional Inspectors of schools, while the Agent wants the power for himself. For orders who should be declared as the competent authority to impose these penalties.

I think the Agent's proposals may be approved. But I do not know whether [illegible] the [illegible] and [illegible] authority to dismiss. This will be [illegible] to the appointing authority.

(c) Secondary grade teachers in Elementary schools: Both the D.P.I. and the Agent recommend the Special Assistant Agent as the authority competent to order the recovery of loss caused by negligence etc., from secondary grade teachers in elementary schools. This power is exercised by the Agent himself in other agencies. To secure uniformity of procedure, Agent may be substituted for Special Asst. Agent in the present case also.

Answered separately.

(d) Attender in the office of the Deputy Inspector of Schools: The power to award a censure is proposed to be vested in the Deputy Inspector of Schools, the other powers being vested in the Special Asst. Agent.

(e) As regards the power to impose penalties on peons in schools the proposals of the Agent on pages 3-4 c.f. may be accepted.

(3) On page 3 ante: Appellete authority: The appropriate authority will automatically get settled with reference to the orders that may be passed on the note under (2) above ~~on page~~ 4 ~~ante~~.

X

(4) On page 3 ante: Amendments to existing rules: The following amendments will be necessary.

Wherever the term "Agent to the Governor, Vizagapatam or Government Agent, East Godavari", occur the term "Agent to the ~~Governor~~ Govt. of Madras, Vizagapatam, or East or West Godavari" may be substituted.

The notes from p.1 to 5 may be perused. This dept. may suggest a slight addition ~~to~~ ~~the amendment contemplated~~ in the last line of p.4 above as indicated in pencil.

3.10.45

Elementary education in the Agency is under the control of the Special Asst. Agents and the Agents to the Govt. of Madras. The Spl. Asst. Agent is empowered to remove or dismiss Higher & Lower Elementary grade teachers in the Agency and an appeal lies to the Agent. As there is no mention in the rules about the authority to punish & the appellate authority in the case of school peons in the Agency it is proposed to amend the rules and the draft submitted by the Agent W. Godavari covers the peons in all the three Agency dts.

It is also proposed in the above connection to make provision in the rules to regulate the imposition of penalties on the staff of the High School at Polavaram. Before amending the Civil Services (C.C.A) Rules it seems to be necessary first to decide who is the appointing authority in respect of the various posts and then to amend annexure I to the Madras Educational Subordinate

A

service Rules in Vol III of the Madras Services Manual. It seems that Civil Services (C.C & A) Rules in Vol I can be amended only after this has been done. A

The D.P.I. does not agree with the suggestion of the Agent, W. Godavari that the powers of appointment and of the ~~powers~~ imposition of any of the statutory penalties in respect of any of the six categories of posts at K on page 7 CF and in respect of the Secondary Grade Teachers in the Agency Elementary Schools should completely vest in him and the Asst. Agent, Kovur. Please see in this connection the Agent's letter on pp 9-10 CF and the D.P.I's remarks on pp 7-8 CF. As the schools are under the control of the Spl. Asst. Agent and the Agent it seems that all powers of appointment & punishment of teachers & other staff mentioned above should ~~[illegible]~~ vest in them. Under rule 65 of the Agency Rules the Board of Revenue is the final appellate authority in the case of secondary grade teachers employed in schools in the Agency tracts. It seems to be clear from this that the Govt's intention was that the powers of appointment and punishment in respect of all teachers should be exercised by the Agent or his assistant and not by officers of the Education Deptt. The proposals in this file are to determine the authorities that should make appointments and impose penalties specified in rule 8 of the Civil Services (Classification, Control and Appeal) Rules in regard to the following posts in the Agency:-

P 18, Bk 112

(1) Deputy Inspector of Schools and his staff (Clerks attender and peons).

(2) Teaching staff in the high school at Polavaram; and

(3) Staff in the elementary schools in the West Godavari Agency.

The Director of Public Instruction, in consultation with the Agent, has made certain recommendations. There is no difference of opinion between the Director and the Agent, so far as the Deputy Inspector of Schools and his staff are concerned and so far as the imposition of certain minor punishments on teachers and other staff in schools ~~are concerned~~.

But as regards the high school staff ~~and the secondary grade teachers~~ the Director has reported that, for reasons mentioned in paras 3 and 4 of his letter at pp.7-8 c.f., the appointing and the punishing authorities (in respect of the punishment of compulsory retirement, removal or dismissal) should be the officers of the Education Department, whereas the Agent has reported that, for reasons mentioned in his letter at p.9 c.f., these powers should continue to remain with him and the Agency officers. Public Department support the Agent's view that the powers should vest with the officers in the Agency, as it will be in accordance with the orders in circulation at n.f. 9 of G.O.1447 Edn., dated 27-10-45. The view of Public may be concurred in and all the powers may be vested in the Agent & his Assistants.

Agency - Inspectorate - Dy.Insprs of Schools, Junior and senior scales - Provision in rules for appt. and punishments.

Up to April 1945, the inspection of ele. schools in the Agency was done by 5 Jr. Dy.Insprs. of Schools. With effect from April 1945, the inspecting staff in the Agency has been reorganised and 3 Sr. Dy.Insprs. and 3 Jr. Dy.Insprs. were entertained.

C.F.

2. With the employment of Senior Dy.Insprs. in the Agency, the D.P.I. has taken up the qn. of determining the authorities who shd. make appts. to the posts of Dy. Insprs., Jr. and Sr., in the Agency and who shd. impose on them the statutory penalties. He has consulted the Agents to Govt., in the matter, so far as Dy.Insprs. (senior scale) are concerned. The Agents, W. Godavari and E.Godavari, agree to the proposal of the Dir. as at "M" on C.F.4 and "N" at C.F.5, viz., that the Dy. D.P.I. may be the appointing authority and that the Agents may be the authorities to impose the statutory penalties other than compulsory retirement, ~~or~~ removal or dismissal, and the Dy. D.P.I. the authority to impose the penalties of compulsory retirement, removal or dismissal. The Agent, Vizagapatam, is, however, of the opinion that he ~~the Agent~~ should be the appointing and punishing authority, after consulting the Edn. Dept. officers, as he is the authority responsible for Edn. in the Agency. The qn. of determining the appointing and punishing authorities for the staff in the edl. institutions and the Sr. Dy.Inspr. and his staff, in the W.Godavari Agency, was recently considered - in the L.F. There, in respect of the Sr. Dy.Inspr., the proposal of the Dir., as agreed to by the Agent, W.Godavari, was accepted. It seems that, for the sake of uniformity, in the case of Sr.Dy.Insprs. employed in the E.Godavari and Vizagapatam Agencies also, the Dir.'s proposal should be approved, overlooking the Vizagapatam Agent's objection. 3. As regards the Dy.Insprs.(Junior scale)

in the Agencies, the D.P.I. says that in practice, the Dy.D.P.I. has been exercising the power of appt. There is at present no specific provision in Annexure I to the M.E.S.S. Rules as to the authority who shd. appt Jr.Dy.Insprs. in the Agency. (The power of appointing Jr.Dy.Insprs., as a whole, with no distinction as between those in the Agency and those in the Plains, vests in the Divl.Inspr. of Schools concerned.) The Dir. has suggested that the power may well be vested in the Divl.Inspr., Guntur Divn.

There is, however, provision in the Civil Services (Classfn., Control and Appeal) Rules, in regard to the authorities wh. shd. impose on the Jr.Dy.Insprs. in the Agency the statutory penalties - Vide item 3(i) at pp.~~50-51~~ 32-33 of Bk.112. The Dir. has ~~also~~ suggested certain alterations in respect of these authorities. Such of the existing provisions as the Dir. proposes to alter and the Dir.'s amendments are as shown below:-

	Recovery from pay.	Comp.retirement, removal or dismissal.	Appellate authority.

Dir.'s suggestion:	Spl.Asst.Agent	Dvl.Inspr., Guntur	Dvl.Inspr.in respect of Spl.Asst.Agent's orders and D.P.I. in respect of Dvl.Inspr.'s orders

B on p.5 CF.

The Dir. has not given any reason in support of the changes proposed by him. He has not consulted the Agents in the matter. If the Dy.D.P.I. is determined as the appointing authority in the case of Sr.Dy.Insprs. (para 2 above), he may also be the appointing authority for Jr.Dy.Insprs. None of the amendments suggested by the Dir. in regard to the punishing authorities need be accepted. The C.C.A. Rules may stand as they are; the minor amendments consequent on the position explained at C.F.6 may alone, however, be approved.

The notes of E and PH deptt. on pp1-2 ante may be perused. This file deals with the question of determining the authorities who should make appointments to the posts of Dy. Inspectors junior and senior in the Agency and who should impose on them the statutory penalties. This question originated ~~with~~ from the reorganization of the Inspecting staff in the Agency and the consequent appointment of 3 Senior Dy Inspectors and 3 junior Dy. Inspectors. The proposals of the D.P.I. submitted to the Govt. in consultation with the Agents to the Govt. in Vizagapatam, E. Godavari and W. Godavari, have been examined in detail by the E & PH deptt. and their conclusions are at P on p1 ante and in the concluding para of their note on p 2 ante. In the circumstances explained by them in support of their conclusions this dept. may concur with the views expressed by E & PH. ~~The file may be passed on to Pub (Ser).~~

The D.P.I's suggestion at N in annexure B on page 5 CF. which E & P.H. propose to approve is open to the objection that the Agent who is a higher authority than the Deputy Director of Public Instruction will be competent only to inflict minor punishments while the latter - a lesser authority - will have power to inflict more severe forms of punishments such as compulsory retirement, removal or dismissal. This is anomalous and contrary to the accepted principles of disciplinary rules. E & P. H may be requested to examine this

A The Dy Dir of Public Instruction comes in as the appropriate departmental authority. There would seem to be no need to compare his status with that of the Agent.

Secondly at least two of the three Agents agree to the position as at N on p.5 C.F. The D.P.I. says that the Agents' status will not be impaired. This is for consideration.

If N on P5 C.F. is not acceptable the D.P.I. may be substituted for the Deputy, in which case the appellate authority will be the Secy to the Govt, E.P.H. dept. This is suggested, following the ordinary principle of not allowing appeals of subordinate services to the Govt.

The question ~~considered~~ for decision in this file is who should be the appointing and punishing authorities for the Dy. Insprs. of Schools, Junior and Senior scales, employed in the Agency.

A, p.1 C.F.

Senior Dy.Insprs.: The D.P.I. proposes that the Dy. D.P.I. (Personnel), may be the appointing authority and the authority to impose the penalties of compulsory retirement, removal or dismissal, and that the Agent concerned may be the authority to impose the penalties other than compulsory retirement, removal or dismissal. The Agents, E. and W. Godavari, agree with the Dir. The Agent, Vizagapatam, however, considers that he should be both the appointing and punishing authority, for he is responsible for Edn. in the Agency. For the reasons mentioned in para 2, p.1 ante, this Dept. ~~would accept~~ propose that the Dir.'s view be accepted; Public Dept. agree.

F & G on p.3 C.F.

P on p.2 C.F.

Junior Dy.Insprs.: The Dir. suggests that the power of appt. may be vested in the Divl.Inspr. of Schools, Guntur, as at "Q", p.2 ante and that certain alterations to the existing rules in respect of punishing authorities may be made. This Dept. ~~see no reason~~ consider that ~~to accept~~ the Dir.'s recommendation need not be accepted; they propose that ~~They would determine the~~ the Dy.D.P.I. ~~as~~ should be the appointing authority for Junior Deputies also, & as regards the punishing authorities, they ~~would allow~~ propose that the rules should stand as they are, except for the minor amendment shown at C.F.6. The Public dept have no objection to the proposals of this dept.
