No.P.2. 1195/46 dated 30th September 1946.

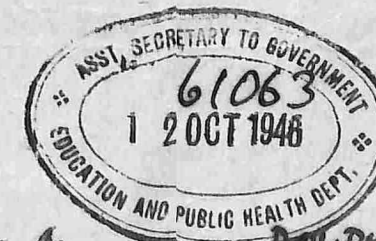

Sub: Clothing - Umbrella for use in the Cotton Specialist's section, Coimbatore - supply - sanction - requested.

Ref: G.O.No.2127, Education & Public Health dated 14th December 1945.

In the Government Order cited above, sanction was accorded for the supply of water-proof clothing consisting of 1 water-proof cape and 1 turban cover, once in 3 years for use in the Cotton Specialist's section at Coimbatore. The Cotton Specialist, Coimbatore now represents that the water-proof clothing sanctioned affords protection from rain to observers, while recording meteorological readings during rainy weather, but the records wherein the readings are recorded are exposed to rain and are getting spoiled. To cover the records from being drenched in rain, he considers that an umbrella is essential and requests that an umbrella might be supplied.

2. I agree with the Cotton Specialist in that an umbrella is necessary for the use of the observers and I recommend that Government may be pleased to sanction the supply once in 3 years.
