THE HINDUSTANI TALIMI SANGH.

7/ 5-11-'46.

Dear Shri Prakasam,

Both Smt. Ashadevi and I have studied the scheme sent by you with Shri Rajagopal Rao. The previous copy of the report given to us by Gandhiji was placed before the Hindustani Talimi Sangh at its annual meeting held in Delhi in October. The Talimi Sangh authorised the three secretaries to study the scheme and send their opinion to you. Gandhiji said the final sanction will be given by him.

Smt. Ashadevi and I have the following suggestions regarding the introduction of basic education in the firkas where it is proposed to introduce the programme of village self-sufficiency:--

1. The first step should be the appointment of a Board of Basic Education with executive powers responsible for the work of the introduction of basic education.

2. There should be two representatives of the Hindustani Talimi Sangh on this Board so that one representative may attend the meeting in case one member is obliged to be absent.

3. We should not be in a hurry to introduce basic education in a large scale as the number of trained workers specially those who can be entrusted with the work of training teachers is extremely limited, in South India.

Your Government has deputed eleven officers for training to Sewagram -- 5 from Tamilnad, 2 from Andhradesa, one from South Kanara and 3 from Kerala.

The number of trained workers capable of taking up the work of training teachers of basic education will not exceed six. Under the circumstances, we cannot advise more than one training school for each linguistic area. Your government has already opened a training school for Tamilnad in Perianayakanpalayam.

We would both like to emphasize that our objective in planning the introduction of basic education should be quality rather than quantity of work. Gandhiji also expressed the same idea at the last meeting of the Sangh.

We suggest starting 8 training schools to serve the 25 firkas. Three in Tamilnad, three in Andhradesa, one in Kerala and one in Kannada. There should be a maximum of five teachers in each training school, of these at least two should have received training at Sewagram. Period of training should be not less than one academic year. Total number of students each year will be sixty. The new training schools be opened in selected firkas, with the staff trained at Sewagram in June 1947.

4. As regards the proposal for starting two training colleges we are of opinion sufficiently trained and experienced personnel is not available in South India at present for the staffing of even one training college. It may be possible after two or three years' experience to start such a college.

5. The syllabus followed in the training schools should be that prescribed by the Hindustani Talimi Sangh for training of teachers.

6. Refresher courses: The teachers already trained may be given short refresher courses in the newly started basic training centres in their own linguistic areas.

7. Introduction of spinning and weaving in all primary schools and the training of the necessary teachers for the purpose should be considered a part of the programme of cloth sufficiency and not that

---

of Basic Education Board.

8. The Education Minister should be the Chairman of the ~~of basic education Board~~ Board. Policy and programme should be framed by the Basic Education Board.

9. Special Officers: Two special officers, one for Andhra and Kannada and one for Tamilnad and Kerala be appointed by the Board of Basic Education.

10. The services of the Hindustani Talimi Sangh will be at the disposal of the Board of Basic Education when it is constituted.

11. Kindly consult Shri. G. Ramachandran as he is in charge of Nai Talim Work in South India. We are sending a copy of this letter requesting him to discuss the matter with you.

Yours sincerely,

aryanayakam.

The D.P.I. has submitted proposals for the constitution of an Advisory Board for basic education. The proposals satisfy the conditions laid down by H.M. in his note above. The cost to Govt. by way of travelling and daily allowances will work out to Rs1600 ~~in~~ a year. Orders of H.M. ~~will~~ may be taken whether the Board may be constituted and allowed to function.

Please see the minutes of H.M.(Education) and the notes of Edn and P.H above. The D.P.I. has now submitted proposals for the constitution of an Advisory Board for basic education. It is proposed to allow the non-official members T.A at second class rates to and fro and daily allowance at Rs 5 a day. The rates of T.A allowed to non-official members of II class committee are as under:

| | |
|---|---|
| Railway fare | One second class and one third class fare (if a servant is taken) |
| Daily allowance Rs | 4-8-0 |
| Mileage | 0-6-0 |

H.M (Edn) has proposed Rs 5/- D.A

It seems preferable if the above rates are allowed to the non-official members of the Advisory Board for basic education. Subject to this modification the proposal to constitute an Advisory Board for basic education may be accepted.

This will be in conformity with the existing rules

I think the daily allowance suggested, i.e., Rs 4/8/- is very small. One cannot get accommodation in Madras in any decent hotel for Rs 4/8/- a day. I think even the allowance I suggested, ie. Rs 5/- is too small. The S.S.L.C. Board, I understand gives Rs 20/- per day and if it is for 2 days Rs 30/-. I don't like to suggest that rate, but it may be Rs 10/- per day. The consent of Finance may be obtained immediately as the Board will have to be constituted soon.

The rates of daily allowance and mileage allowed to the members of the Ist and IInd class committees are as under

| | Ist class committee | IInd class committee |
|---|---|---|
| Daily allowance | 7-8-0 | 4-8-0 |
| Mileage | 0-12-0 | 0-6-0 |

As H.M.(Edn) suggested [illegible] that the non-official members of the Advisory Board of Education should be given IInd class fare to and fro, as well as Rs 5 as daily allowance, Education and Public Health Dept

this department suggested at X on p.2 above, the rates of daily allowance and mileage admissible to members of IInd class committees. H.M (Edn) now considers that the rate of D.A. suggested viz. Rs 4-8-0 ~~xx~~ is very small and that it may be raised to Rs 10 per day. As the rate of daily allowance now proposed by H.M.(Edn) will be ~~x~~ in excess of the daily allowance (of 7/8) allowed even to members of the 1st class committee, Finance may perhaps suggest that the non-official members of the Advisory Board of Education may be allowed as a special case, the rate of daily allowance admissible to Ist class committees viz. Rs 7-8-0. H.P.M. may see

A copy of the letter received from Sri. Aryanayakam two days back is put on the file. H.M.(E)., also received a copy of the same from Sri. Aryanayakam. I have had a discussion this morning with H.M.(E)., about clause (1) of the letter which says that the first step should be the appointment of a Board of Basic Education with executive powers responsible for the work of the introduction of Basic Education. The personnel of the Board was suggested before the letter of Sri. Aryanayakam was received. After it was received and after reading clause (1), I thought I should be a member of this Board as the 16th Member. When I mentioned this, H.M.(E)., felt that I should not be put down as a member of the Board. I told him there could be no delicacy in the matter as I have already been a member of certain other committees over which the heads of departments have presided. Finally, it was agreed that I should be on the Board as a Member.

In regard to ~~all the~~ other terms of Sri. Aryanayakam's letter, we both agreed that the work should be carried out on the lines suggested by Sri. Aryanayakam in his letter. I wired and wrote

6/

to Mahatma Gandhi also that the Basic Education Scheme and the Village Industries Scheme, as finally settled by Sri. Aryanayakam and Dr. Kumarappa and finally approved by Mahatma Gandhi, would be put into execution in carrying out the Village Constructive Programme. I would favour ~~prefer~~ executive powers being delegated by our Government to the Basic Education Board to enable it to carry on the business without frequently coming up to the Government. But H.M.(E)., felt that it was not necessary because the whole work of Basic Education would be carried on on the lines suggested by Sri. Aryanayakam. A meeting of the Board may be convened by H.M.(E)., as early as possible so that the training work might be commenced at an early date.

Sri. L. Rajagopala Rao, who had been to Sri. Aryanayakam to discuss matters and returned with the letter of Sri. Aryanayakam that is now put on the file, stated that we may have to send up some more students for training immediately to Sewagram in Basic Education. I have asked Sri. Rajagopala Rao and Sri. Sitarama Sastry to supply the names of 10 more persons to H.M.(E) without any delay. He may issue necessary directions to send these ten people to Sewagram for training early without delay.

Our Firka Programme is developing expeditiously. To start work even on the modest lines suggested in Sri. Aryanayakam's letter, we have to move quick. All the constructive work that we propose to carry on in the selected areas will become really serviceable and useful only when Basic Education, which is the real foundation, is started well and conducted well. I have given instructions to Sri. Rajagopala Rao and Sri. Sitarama Sastry to be doing the whole business under orders and instructions of H.M.(E).

Sri. L. Rajagopal Rao may be appointed Special Officer and Organiser for Basic Education for the Andhra area.

~~It is presumed that~~ The selection of members already made by H.M (Edn) for the constitution of the Advisory Board of Education requires ~~no~~ revision. H.P.M. has recorded the view that he should be included as a member of the B.E.

The Secretary, Hindustani Talim Sangh, has stated that there should be two representatives from the Sangh on the Board. H.P.M. may be made a member of the committee. The representation that is already given to the Hindustani Talim Sangh is sufficient. The inclusion of Miss. Nanikutti Menon, B.Sc.,L.T., is all right. No letter need be addressed to ~~Miss. Nanikutti Menon.~~ Kutti Ammalu Ammal. Mr. L. Rajagopal Rao ~~may~~ is to be appointed as Headmaster of the training camp at Vinayashramam for the present. He will act as Headmaster for the present and will be Special Officer after another Headmaster is appointed in June next. His pay and other things are being fixed by the Deputy Director of Public Instruction consistent with the orders already passed with reference to the opening of Basic Training Schools.

The proposal of the D.P.I. for training the ~~first~~ second batch of trainees to Wardha may be expedited.

The D.P.I. enquires as to which budget head the expenditure on travelling allowance to members of the Advisory Board on Basic Education should be debited and ~~the authority to~~ who should countersign the bills. It seems that the expenditure should be debited to "37 Education-o-General - Direction - Travel Charges and that the Director may be authorised to countersign the bills as in the case of the Provincial Advisory Board of Education.

I understand there is a rule in the order with regard to the appointment of the Advisory Board for Basic Education that the Board should meet only in Madras. It will be convenient and useful if the Board can meet in the various places where basic education is being done. The financial effect will be about the same as some people will be nearer to that place though some others may come from farther places. This provision in the order must be changed and we must be able to meet in any part of the province where basic education work is being done. Steps may be taken to make this alteration.
